WHAT'S IN THE BOX

Upon opening the package, please ensure all the following items are present:

- Fiodio F-510 Speaker
- User Manual (this document)
- Micro USB Charging Cable

PRODUCT FEATURES

- **All-Round Pounding Sound:** Experience intense 360° stunning sound in every direction.
- **Durable and Waterproof Design:** The speaker is sturdy, shockproof, IPX5 waterproof, dustproof, and sand proof, making it ideal for outdoor use.
- **Stable Connectivity:** Supports both wireless Bluetooth and wired connections via a 3.5mm audio jack for various devices.
- **RGB Lighting Effects:** Features three colors of lights that flash alternately, enhancing your listening and party experience. Light modes can be adjusted.
- **Built-in Microphone:** Allows for hands-free calling with a single press, automatically resuming music playback after the call.

SETUP

Charging the Speaker

Before first use, fully charge the Fiodio F-510 speaker. Connect the provided Micro USB charging cable to the speaker's Micro USB port and the other end to a USB power adapter (not included) or a computer's USB port. The charging time is approximately 3 hours.
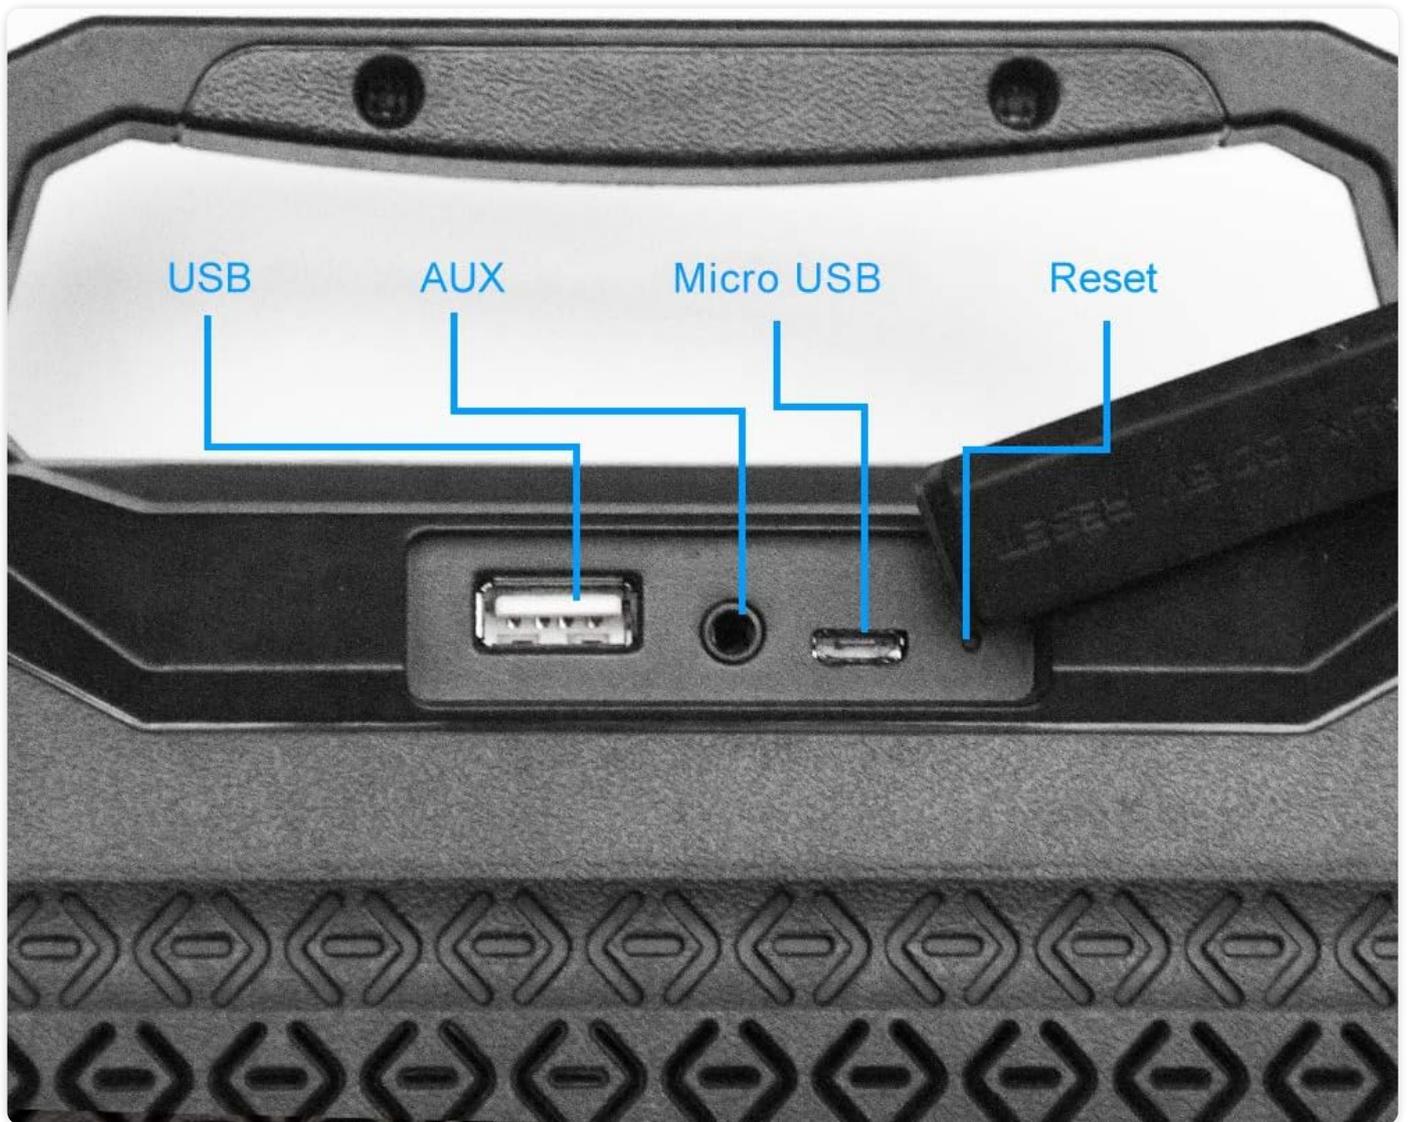

Port Overview

Image: Close-up view of the Fiodio F-510 speaker's top panel, highlighting the USB, AUX, Micro USB, and Reset ports.

- **USB Port:** For connecting USB devices.
- **AUX Port:** 3.5mm audio jack for wired connection to external devices.
- **Micro USB Port:** For charging the speaker.
- **Reset Button:** Used to reset the speaker if it becomes unresponsive.

OPERATING INSTRUCTIONS

Power On/Off

Press and hold the power button to turn the speaker on or off.

Bluetooth Pairing

1. Turn on the Fiodio F-510 speaker. It will automatically enter Bluetooth pairing mode.
2. On your device (smartphone, tablet, etc.), enable Bluetooth and search for available devices.
3. Select "Fiodio F-510" from the list of devices.
4. Once paired, the speaker will indicate a successful connection, and you can begin playing audio.
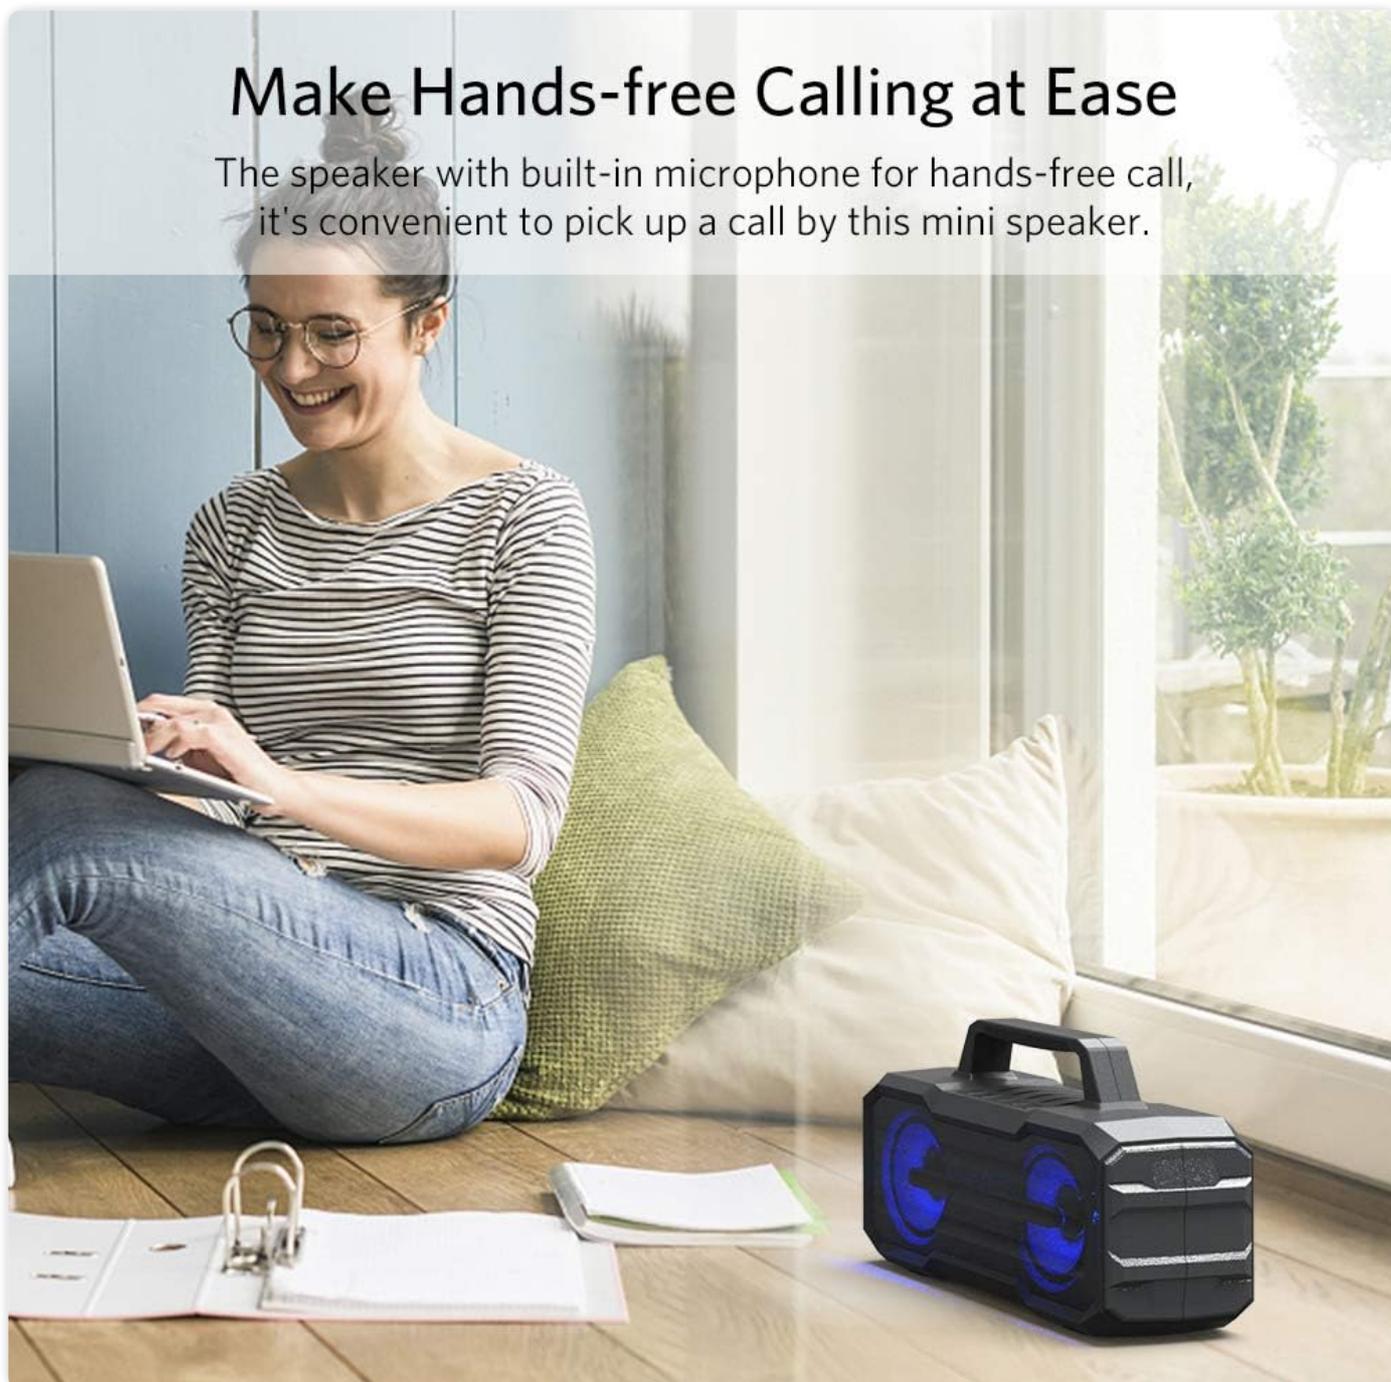

Wired Connection (AUX)

To connect via AUX, plug a 3.5mm audio cable (not included) into the speaker's AUX port and the audio output port of

your device (e.g., PC, TV). The speaker will automatically switch to AUX mode.

Controlling Playback and Volume

- **Play/Pause:** Press the Play/Pause button.
- **Volume Up/Down:** Use the volume buttons on the speaker or your connected device.
- **Next/Previous Track:** Use the track skip buttons on the speaker or your connected device.

Hands-Free Calling

Image: A woman using the Fiodio F-510 speaker for a hands-free call while working on a laptop, demonstrating its built-in microphone feature.

When a call comes in while connected via Bluetooth, press the call button (often the Play/Pause button) to answer. Press it again to end the call. Music playback will resume automatically.

Adjusting RGB Lighting

Tap the power button to cycle through different light modes (e.g., flashing colors, single color, lights off) according to your

preference.

Maintenance

- **Cleaning:** Wipe the speaker with a soft, damp cloth. Do not use harsh chemicals or abrasive cleaners.
- **Storage:** Store the speaker in a cool, dry place away from direct sunlight and extreme temperatures when not in use for extended periods.
- **Water Resistance:** While IPX5 waterproof, avoid submerging the speaker in water. Ensure port covers are securely closed before exposure to water.
- **Battery Care:** To prolong battery life, avoid fully discharging the speaker frequently. Charge it regularly, even if not in constant use.

Troubleshooting

Problem	Possible Solution
Speaker does not turn on.	Ensure the speaker is charged. Connect it to a power source and try again.
Cannot pair via Bluetooth.	Make sure the speaker is in pairing mode. Ensure Bluetooth is enabled on your device. Move the speaker closer to your device (within 10 meters). Forget the device on your phone's Bluetooth settings and try pairing again. Restart both the speaker and your device.
No sound or low volume.	Increase the volume on both the speaker and your connected device. Ensure the speaker is properly connected (Bluetooth or AUX). Check if the audio source is playing.
Speaker is unresponsive.	Use a thin object (like a paperclip) to press the Reset button located near the charging port.

Specifications

Feature	Detail
Brand	Fiodio
