## 2. SAFETY INFORMATION

---

Please read and understand all safety instructions before assembly and use. Failure to follow these instructions may result in injury or damage to the product.

- **Weight Limit:** Be aware of the desk's weight capacity. Do not overload the desktop, hutch, or bottom shelf. Refer to the specifications for maximum load.
- **Assembly:** Follow all assembly instructions carefully. Ensure all screws and fasteners are securely tightened before use.
- **Stability:** Place the desk on a flat, level surface to prevent wobbling.
- **Children:** Keep small parts away from children during assembly. Do not allow children to climb on the desk.

## 3. INCLUDED COMPONENTS AND TOOLS

---

Before beginning assembly, verify that all parts and hardware are present. If any components are missing or damaged, please contact customer service.

## 4. ASSEMBLY INSTRUCTIONS

---

Assembly typically takes 20-30 minutes. It is recommended to lay out all pieces according to their numbers and follow the instructions step by step.

1. **Unpack and Identify:** Carefully unpack all components and hardware. Identify each part by comparing it with the

provided parts list in the separate assembly manual.

2. **Prepare Workspace:** Clear a spacious area for assembly. It is advisable to assemble the desk on a soft, clean surface to prevent scratches.
3. **Assemble Frame:** Begin by assembling the metal frame legs. Connect the horizontal support bars to the vertical legs using the provided hardware. Ensure all connections are finger-tight at this stage.
4. **Attach Bottom Shelf:** Secure the bottom storage shelf panel to the assembled metal frame. Tighten the screws partially.
5. **Attach Desktop:** Carefully place the desktop panel onto the assembled frame. Align the pre-drilled holes with the frame and secure it using the appropriate screws.
6. **Assemble Hutch:** Attach the hutch panels to the upper part of the metal frame. Ensure the divided sections are correctly oriented.
7. **Final Tightening:** Once all components are in place, systematically tighten all screws and bolts using the included tools. Do not overtighten.
8. **Place Anti-Slip Pads:** Attach the anti-slip leg pads to the bottom of the desk legs to prevent scratching floors and ensure stability.

## 5. OPERATING AND USAGE

The Tribesigns Computer Desk with Hutch is designed for multifunctional use in various settings.

- **Computer Desk:** The main desktop provides ample space for a computer monitor, keyboard, mouse, and other peripherals.
- **Study Desk:** Ideal for studying, reading, and writing. The hutch offers convenient storage for books, stationery, and small decorative items.
- **Workstation:** Suitable for various work-from-home tasks, providing organized space for documents and equipment.
- **Storage:**
  - The divided hutch on top is perfect for organizing smaller items, displaying decor, or holding frequently accessed books.

- The open shelf under the desk provides additional storage for larger books, binders, or electronic devices like routers.

## 6. MAINTENANCE AND CARE

---

Proper care will extend the life and maintain the appearance of your Tribesigns Computer Desk.

- **Cleaning:**

- For general cleaning, wipe the surfaces with *a damp cloth*.
- For drying and polishing, wipe with a *dry cloth* immediately after damp cleaning to prevent water spots.
- Avoid using harsh chemicals, abrasive cleaners, or polishes that may damage the finish.

- **Spills:** Wipe up spills immediately to prevent staining or damage to the wood veneer.

- **Heat and Moisture:** Avoid placing hot items directly on the desktop. Use coasters for drinks to protect against moisture rings.

- **Sunlight:** Prolonged exposure to direct sunlight may cause fading or discoloration.

- **Hardware:** Periodically check and retighten all screws and bolts to ensure the desk remains sturdy and stable.

## 7. TROUBLESHOOTING

---

This section addresses common issues you might encounter with your Tribesigns Computer Desk.

**Issue: The desk wobbles or feels unstable.**

**Solution:**

- Ensure the desk is placed on a flat, level surface.
- Check all assembly screws and bolts. Loosen them slightly, gently push down on the desk to settle it, then retighten all fasteners firmly.
- Verify that the anti-slip leg pads are properly installed and making full contact with the floor.

**Issue: Parts do not align during assembly.**

**Solution:**

- Double-check the assembly instructions to ensure you are using the correct parts for each step and that they are

oriented correctly.

- Do not fully tighten screws until all components for a section are loosely assembled. This allows for minor adjustments.
- If a part seems defective, contact customer service for assistance.

**Issue: Missing or damaged parts upon delivery.**

**Solution:**

- Immediately contact Tribesigns customer service with your purchase details and a description of the missing or damaged parts.
