Brydge BRYTP4012

Brydge 11.0 Pro+ Wireless Keyboard with Trackpad User Manual

Model: BRYTP4012

Brand: Brydge

INTRODUCTION

The Brydge 11.0 Pro+ Wireless Keyboard with Trackpad is designed to transform your iPad Pro into a highly functional laptop-like device. Featuring a native multi-touch trackpad and backlit keys, it enhances productivity and user experience. This manual provides essential information for setup, operation, maintenance, and troubleshooting.

COMPATIBILITY

The Brydge 11.0 Pro+ wireless keyboard is compatible with the following iPad Pro 11-inch models:

- iPad Pro 11-inch (1st Generation, 2018)
- iPad Pro 11-inch (2nd Generation, 2020)
- iPad Pro 11-inch (3rd Generation, 2021)

Please ensure your iPad model matches one of the listed generations for proper fit and functionality. This product does not include an iPad.

SETUP

1. Charging the Keyboard

Before initial use, fully charge your Brydge 11.0 Pro+ keyboard. Connect the supplied USB-C cable to the keyboard's USB-C port and the other end to a power source (e.g., a USB wall adapter or computer USB port). The charging indicator light will show the charging status.

2. Attaching Your iPad Pro

Carefully align your iPad Pro with the hinges of the Brydge keyboard. Gently push the iPad into the hinges until it is securely seated. The keyboard is designed to hold your iPad firmly. Attach the snap-on magnetic cover to the back of your iPad for additional protection against scratches and dents.

3. Bluetooth Pairing

1. Turn on the Brydge keyboard by pressing the power button.
2. Press and hold the Bluetooth pairing button (often located near the power button or on a function key) until the Bluetooth indicator light begins to flash.
3. On your iPad, go to **Settings > Bluetooth**.
4. Ensure Bluetooth is enabled.
5. Select "Brydge 11.0 Pro+" from the list of available devices.
6. Follow any on-screen prompts to complete the pairing process. The indicator light on the keyboard will turn solid when successfully paired.

4. Firmware Update (Important)

For optimal performance, especially for native multi-touch functionality, it is crucial to update your keyboard's firmware. Ensure your iPad is running iPadOS 14.5 or higher.

1. Download the **Brydge Connect** app from the Apple App Store on your iPad.
2. Open the Brydge Connect app and follow the instructions to update your keyboard's firmware.

OPERATING INSTRUCTIONS

Using the Multi-Touch Trackpad

The oversized trackpad supports native iPadOS mouse functionality and multi-touch gestures, allowing for precise control and navigation similar to a laptop.

- **Single Finger Tap:** Left-click.
- **Two Finger Tap:** Right-click (context menu).
- **Two Finger Scroll:** Scroll through documents and web pages.
- **Pinch to Zoom:** Zoom in and out on content.
- **Swipe Gestures:** Utilize various swipe gestures for multitasking and app switching as supported by iPadOS.

Keyboard Functions

The keyboard features a standard QWERTY layout with additional function keys tailored for iPadOS.

- **Backlit Keys:** Adjust the backlight intensity using dedicated function keys for comfortable typing in various lighting conditions.
- **iPadOS Shortcuts:** Access common iPadOS functions directly from the keyboard, such as Home, Search, Media Controls, and Volume.
- **Typing Experience:** The keys offer tactile feedback for a comfortable and efficient typing experience.

Adjusting Viewing Angles

The robust hinges allow for versatile viewing angles, enabling you to position your iPad Pro for optimal comfort whether typing, watching videos, or drawing.

Battery Life

The Brydge 11.0 Pro+ keyboard offers a long-lasting battery, providing up to 3 months of use on a single charge, depending on usage and backlight intensity. Recharge using the provided USB-C cable.

MAINTENANCE

Cleaning Instructions

To maintain the appearance and functionality of your Brydge keyboard:

- Use a soft, lint-free cloth to wipe down the keyboard and trackpad surfaces.
- For stubborn marks, slightly dampen the cloth with water or a mild, non-abrasive cleaner. Avoid excessive moisture.
- Do not use harsh chemicals, aerosols, or abrasive materials, as these can damage the finish.

Care for Hinges and Friction Mounts

The hinges are designed to be robust. To ensure their longevity and the integrity of the friction mounts:

- Always insert and remove your iPad carefully and precisely, following the instructions in the Setup section.
- Avoid forcing the iPad into or out of the hinges.
- Regularly inspect the rubber friction mounts within the hinges for any signs of wear or deformation. While designed for durability, proper handling will extend their lifespan.

TROUBLESHOOTING

Keyboard Not Pairing or Connecting

- Ensure the keyboard is charged.
- Verify Bluetooth is enabled on your iPad.
- Restart both your iPad and the Brydge keyboard.
- Forget the device in your iPad's Bluetooth settings and attempt to re-pair.
- Ensure no other Bluetooth devices are interfering.

Trackpad Not Responding or Inaccurate

- Confirm your iPad's iPadOS version is 14.5 or higher.
- Update the keyboard firmware using the Brydge Connect app.
- Ensure the trackpad surface is clean and free of debris.
- Restart your iPad and the keyboard.

Keys Not Responding or Backlight Issues

- Check the keyboard's battery level.
- Ensure the keyboard is properly connected via Bluetooth.
- Restart the keyboard.
- If specific keys are not working, check for any physical obstructions.

Firmware Update Issues

- Ensure your iPad has a stable internet connection.
- Close and reopen the Brydge Connect app.
- If the app is not available or not functioning, contact Brydge support directly.
