

Helix ETHAUD35W

Helix ETHAUD35W 3.5mm Wired Earbuds User Manual

Model: ETHAUD35W

INTRODUCTION

Thank you for choosing Helix 3.5mm Wired Earbuds. This manual provides essential information for setting up, operating, and maintaining your earbuds to ensure optimal performance and longevity. Please read this manual thoroughly before use.

WHAT'S IN THE BOX

Verify that all items are present in the package:

- Helix 3.5mm Wired Earbuds (Model: ETHAUD35W)

SETUP

Connecting Your Earbuds

1. **Identify the 3.5mm Audio Jack:** Locate the 3.5mm audio port on your device (smartphone, tablet, laptop, etc.). This port is typically a small, circular opening.
2. **Insert the Connector:** Gently insert the 3.5mm audio jack of the Helix earbuds into your device's audio port until it is fully seated.
3. **Verify Connection:** Once connected, audio from your device should now play through the earbuds. Adjust the volume on your device as needed.

PLUG AND PLAY DESIGN

Compatible with All Devices with a 3.5mm Aux Port

OPERATING INSTRUCTIONS

In-line Remote Control

Your Helix earbuds feature an in-line remote control with a built-in microphone for convenient audio management and hands-free communication.

- **Play/Pause Music:** Press the button once to play or pause audio playback.
- **Answer/End Calls:** Press the button once to answer an incoming call or end an active call.
- **Reject Call:** Press and hold the button for approximately 2 seconds to reject an incoming call.
- **Next Track:** Press the button twice quickly to skip to the next song.
- **Previous Track:** Press the button three times quickly to go back to the previous song.
- **Voice Assistant:** (Functionality may vary by device) Press and hold the button to activate your device's voice assistant (e.g., Siri, Google Assistant).

Wearing the Earbuds

For optimal sound quality and comfort, ensure the earbuds are securely placed in your ears. The soft comfort gels are designed for a custom fit.

MAINTENANCE

- **Cleaning:** Gently wipe the earbuds and cable with a soft, dry cloth. Do not use harsh chemicals or abrasive materials.
- **Storage:** When not in use, store the earbuds in a clean, dry place, preferably in a protective pouch, to prevent tangling and damage.
- **Avoid Moisture:** Keep the earbuds away from water and excessive moisture.
- **Cable Care:** Avoid sharp bends or excessive pulling on the cable to prevent internal wire damage.

TROUBLESHOOTING

Problem	Solution
---------	----------

Problem	Solution
No sound from earbuds.	Ensure the 3.5mm jack is fully inserted into your device. Check your device's volume settings. Test the earbuds with another device to rule out a device issue. Inspect the cable for any visible damage.
Microphone not working.	Ensure the 3.5mm jack is fully inserted. Check your device's audio input settings to ensure the external microphone is selected. Test with another device.
Controls (play/pause, skip) not responding.	Ensure the 3.5mm jack is fully inserted. Some older devices or specific apps may not fully support all in-line control functions. Test with another device or music application.
