LUNQIN Car Phone Holder for Audi Q5 (2008-2016) / SQ5 (2014-2017)

LUNQIN Car Phone Holder Instruction Manual

For Audi Q5 (2008-2016) and Audi SQ5 (2014-2017)

1. Introduction

This manual provides detailed instructions for the installation, operation, and maintenance of your LUNQIN Car Phone Holder. This product is specifically designed for the Audi Q5 (2008-2016) and Audi SQ5 (2014-2017) models, ensuring a precise fit and optimal functionality within your vehicle's interior.

2. Product Features

- **Vehicle-Specific Design:** Engineered exclusively for 2008-2016 Audi Q5 and 2014-2017 Audi SQ5 models.
- **Unobstructed View:** The dedicated base ensures the phone holder does not block the navigation screen or air vents.
- **Gravity Linkage System:** Allows for easy one-handed placement and removal of your smartphone. The phone's weight automatically secures it in place.
- **Secure Hold:** Three-cornered grip design with gravity in the center of the triangle provides stable phone retention, even on bumpy roads.
- **Multi-Angle Adjustment:** Features a rear ball steering shaft for flexible positioning, allowing for optimal viewing angles.
- **Protective Silicone:** Integrated silicone padding helps to eliminate vibrations and noise, protecting your phone from scratches.
- **Easy Installation:** Designed for straightforward installation without causing damage to your vehicle's interior.

3. Compatibility

This LUNQIN Car Phone Holder is compatible with the following vehicle models:

- Audi Q5: 2008, 2009, 2010, 2011, 2012, 2013, 2014, 2015, 2016
- Audi SQ5: 2014, 2015, 2016, 2017

It is suitable for smartphones with a maximum width of 7.5 cm (3 inches), including most models from HTC, Huawei, iPhone, Samsung, and Sony.

4. Package Contents

Please verify that all components are present in your package:

- 1 x LUNQIN Car Phone Holder (Gravity Linkage Type)
- 1 x Dedicated Vehicle Base

5. Setup and Installation

Follow these steps to install your LUNQIN Car Phone Holder:

1. **Identify Installation Location:** The dedicated base is designed to fit into the central control area of your Audi Q5/SQ5, typically above the air vents.
2. **Install the Dedicated Base:** Carefully align the dedicated base with the designated slot in your vehicle's dashboard. Press firmly until it clicks securely into place. The base is designed to integrate seamlessly without damaging the car's interior.

6. Operating Instructions

The LUNQIN Car Phone Holder features a gravity linkage system for convenient use.

- **Placing Your Phone:** Gently place your smartphone into the holder from the top. The side arms and bottom support will automatically close and secure the phone due to its weight, utilizing the gravity sensor linkage.
- **Removing Your Phone:** To remove your phone, simply lift it upwards. The spring linkage will automatically release the side arms, allowing for easy retrieval.

Image: A diagram demonstrating the gravity induction lock (phone placed, arms close) and pick-up release (phone lifted, arms open) functions.

The protective silicone on the holder helps absorb shocks and prevent noise, ensuring your phone remains stable and quiet even during vehicle movement.

7. Maintenance

To ensure the longevity and optimal performance of your phone holder:

- **Cleaning:** Wipe the holder periodically with a soft, damp cloth to remove dust and grime. Avoid using harsh chemicals or abrasive cleaners.
- **Inspection:** Regularly check the mounting points and the gravity linkage mechanism for any signs of wear or looseness.

8. Troubleshooting

If you encounter any issues with your LUNQIN Car Phone Holder, consider the following:

- **Holder feels loose:** Ensure the dedicated base is fully seated and clicked into its position in the dashboard. Re-check the connection between the phone holder and the base.
- **Phone not securing properly:** Verify that your phone, including its case, does not exceed the maximum width of 7.5 cm (3 inches). Ensure no obstructions are preventing the gravity arms from closing fully.
- **Difficulty adjusting angle:** Check if the ball joint is tightened too much or if any debris is obstructing its movement.

For further assistance, please refer to the manufacturer's support channels.

9. Specifications

Feature	Detail
Product Dimensions	4.33 x 4.33 x 1.97 inches
