SEPHIX A1

SEPHIX Wind-Up Swimming Turtle Bath Toys (Model A1) Instruction Manual

Brand: SEPHIX | Model: A1

1. Introduction

This manual provides instructions for the SEPHIX Wind-Up Swimming Turtle Bath Toys, a 3-pack of non-toxic, battery-free toys designed for toddlers aged 1-4. These cute and colorful toys promote a positive bathing experience and help develop fine motor skills.

Image: A baby enjoying bath time with three SEPHIX swimming turtles (pink, green, blue) floating around. Icons below highlight features like wind-up mechanism, hand-eye coordination, bath play, and safe material.

Key Features:

- **3-Pack of Cute Tortoise Toys:** Includes green, blue, and pink swimming turtles.
- **Wind-Up Mechanism:** Turn the clockwork clockwise to make them swim quickly.
- **Safe & Non-Toxic:** Made of non-toxic ABS plastics with smooth edges, 100% battery-free.
- **Engaging Bath Time:** Diverts attention and encourages enjoyment during bathing or swimming.

2. Setup & Operation

The SEPHIX Wind-Up Swimming Turtles are designed for simple and immediate use. No assembly or batteries are required.

Operating Instructions:

1. **Hold the Turtle:** Gently hold the turtle's feet or body to prevent its flippers from moving.
2. **Wind the Mechanism:** Locate the clockwork mechanism on the underside of the turtle. Turn it clockwise. Twist a few more turns for a longer swimming duration.
3. **Release into Water:** Place the wound-up turtle into the water (bathtub or pool) and release your hand. The turtle will begin to swim.

Image: A visual guide demonstrating the three steps to operate the swimming turtles. It shows holding the turtle, winding the mechanism, and placing it in water.

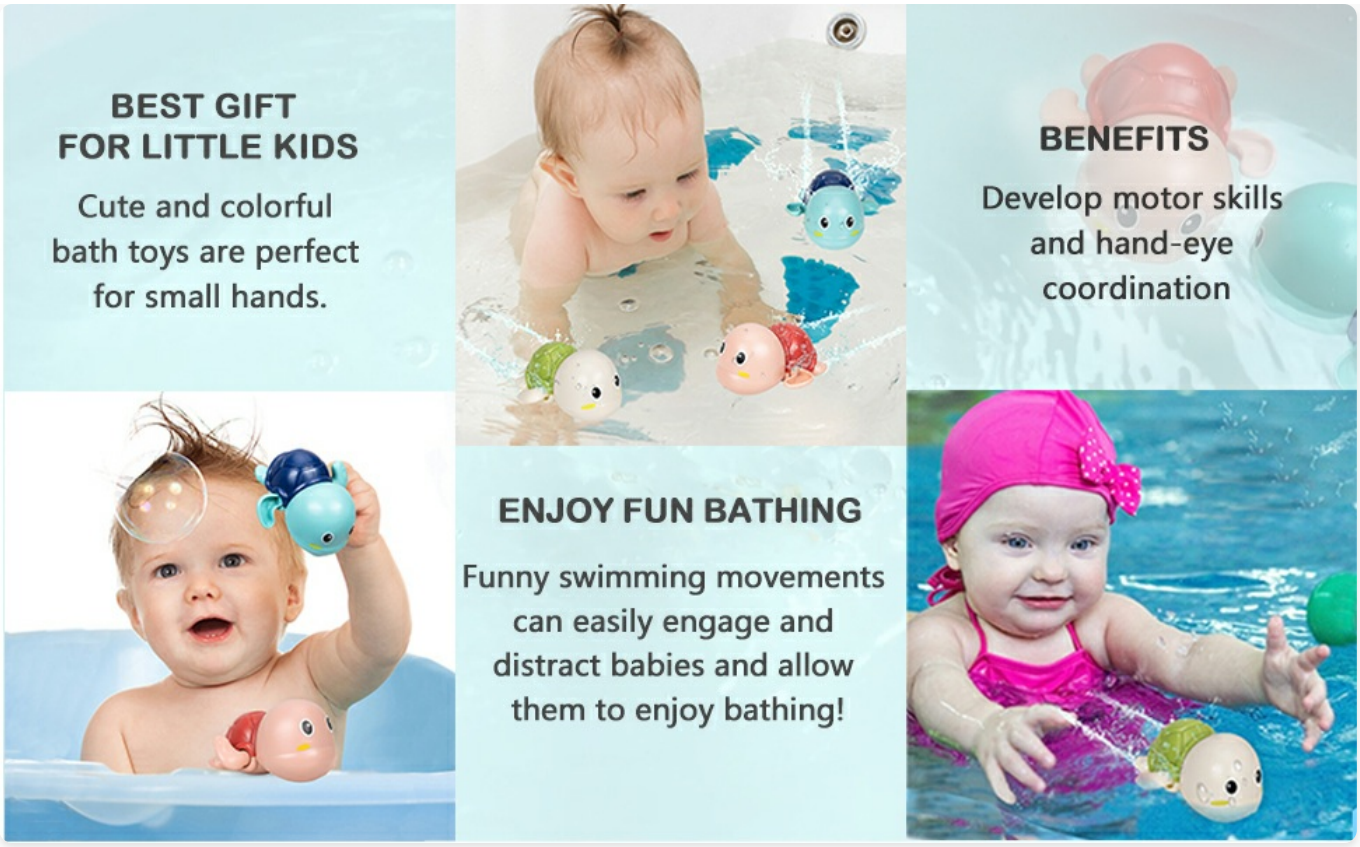

Image: Three colorful SEPHIX swimming turtles, green, blue, and pink, are shown actively propelling themselves through the water, creating small ripples.

3. Maintenance

Proper care ensures the longevity and hygiene of your SEPHIX bath toys.

- **Cleaning:** The toys are designed to be easy to clean. After each use, rinse them thoroughly with clean water.
- **Drying:** To prevent mold and mildew, ensure the toys are completely dry before storing. Shake out any excess water and allow them to air dry in a well-ventilated area.
- **Storage:** Store in a dry place away from direct sunlight when not in use.

4. Troubleshooting

If you encounter any issues with your swimming turtles, consider the following:

- **Toy Not Swimming Straight or Moving Slowly:**
  - Ensure the winding mechanism is fully twisted clockwise.
  - Check if water has entered the toy through small openings, which can weigh it down. Gently shake the toy to empty any trapped water.
  - Inspect the flippers for any obstructions or damage that might hinder movement.
- **Winding Mechanism Feels Stuck:** Do not force the mechanism. Ensure no debris is caught in the winding area.

5. Specifications

Feature	Detail
Brand	SEPHIX

Model Number	A1
UPC	726972273869
Unit Count	3 Count
Age Range	Toddler, Kid (Manufacturer Minimum Age: 12 Months)
