

## Svago Svago Lite

# Svago Lite Zero Gravity Recliner Chair Instruction Manual

**BRAND: SVAGO**

**MODEL: SVAGO LITE**

## 1. Introduction

Thank you for choosing the Svago Lite Zero Gravity Recliner Chair. This manual provides essential information for the safe and efficient use of your new recliner. Please read all instructions carefully before assembly and operation. Keep this manual for future reference. The Svago Lite Zero Gravity Recliner is designed to suspend your body in a neutral posture, elevating your feet in alignment with your heart. This position aims to reduce pressure on your spine and joints, improve blood circulation, and ease muscle tension, promoting relaxation and recovery.

## 2. Important Safety Information

**WARNING: This chair has electrical components. Do not use if damaged or modified. Always turn off the power at the switch and unplug the chair when not in use. Do not operate the chair if you are pregnant, have a heart condition, or any other medical condition that could be affected by heat or vibration. Always follow the assembly instructions carefully to ensure the chair is stable and safe to use. Do not exceed the maximum weight recommendation of 285 pounds. This chair is intended for indoor use only. Keep the chair away from heat sources and open flames. In case of a power**

**outage, do not attempt to operate the chair using a generator.**

- Ensure all connections are secure before use.
- Keep children and pets away from moving parts.
- Do not stand on the chair or use it as a step stool.
- Avoid spilling liquids on the control panel or electrical components.

### 3. Package Contents

---

Your Svago Lite Zero Gravity Recliner Chair comes in one box. Carefully unpack all components and ensure all parts are present before beginning assembly. The package should include:

- Main chair frame with integrated footrest
- Back pad
- Headrest pillow
- Remote control
- Power adapter and cord
- Instruction manual

## 4. Setup and Assembly

Follow these steps to assemble your Svago Lite Zero Gravity Recliner Chair. It is recommended to have two people for assembly.

1. **Unpack the Chair:** Carefully open the box and remove all packaging materials. Lift the main chair unit out of the bottom box.
2. **Unfold Backrest Frame:** Unfold the backrest frame and pull up the "L" shaped latch on both sides to secure it in place.
3. **Connect Power:** Remove the power cord and adapter from the box. Plug the power adapter into the chair's power input.
4. **Lift Footrest:** Use the remote control to lift the footrest to an upright position. This provides access to the internal wiring.

5. **Remove Velcro Protectors:** Locate and remove any velcro protectors or covers from the internal mechanisms.
6. **Unzip Backpad and Seat:** Unzip the backpad and the seat cushion to expose the internal wiring.
7. **Connect Wires:** Carefully connect the corresponding wires inside the chair. Ensure all connections are secure.
8. **Zip Up:** Zip up the seat cushion and backpad.
9. **Place Backpad:** Place the backpad onto the chair, ensuring it aligns correctly. Zip it into place.
10. **Attach Pillow:** Attach the headrest pillow to the top of the chair using its integrated straps.
11. **Route Remote:** Route the remote control cable through the arm of the chair for easy access.
12. **Test Functionality:** Turn on the chair and use the remote to check all functions, including recline, heat, and vibration.

### Remote Control Functions:

- **Power Button:** Turns the chair on/off.
- **Recline/Sit Up:** Use the arrow buttons to adjust the backrest and footrest independently or simultaneously to achieve your desired position, including the zero gravity recline.
- **Heat Function:** Activates the lumbar heat. Heat helps dilate blood vessels, increasing oxygen flow and nutrients to tissues.
- **Vibration Massage:** Activates the lumbar vibration massage. Vibrations help to contract and relax muscles, loosening knots and tension.
- **Memory Positions (M1, M2):** Save your favorite recline positions for quick access.
- **Timer:** Set a timer for massage or heat functions.

## 6. Features

The Svago Lite Zero Gravity Recliner Chair offers a range of features designed for comfort and relaxation:

- **Vegan Faux Leather:** Durable coated fabric with the look and feel of leather. Soft, supple, environmentally friendly, and easy to clean.
- **Full Back Massage:** Allows muscles to relax and improves blood circulation throughout your body.

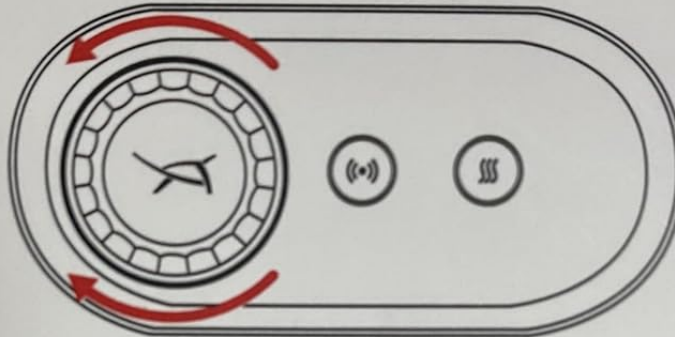

- **Hand-Carved Wood Base:** Adds elegance and style to your home, ensuring durability and superb craftsmanship.
- **Lumbar Heat:** Targeted heat therapy to dilate blood vessels, increasing oxygen flow and nutrients to tissues.
- **Adjustable Comfort:** Move the footrest and backrest independently using the dial for personalized comfort, from sitting to full zero gravity effect.

## 8. Maintenance

Proper maintenance will extend the life and appearance of your recliner:

- **Cleaning:** For the vegan faux leather, spot clean with a damp cloth and mild soap. Avoid

harsh chemicals or abrasive cleaners.

- **Regular Inspection:** Periodically check all connections and moving parts to ensure they are secure and functioning correctly.
- **Avoid Direct Sunlight:** Prolonged exposure to direct sunlight can cause the material to fade or crack.
- **Storage:** If storing the chair, ensure it is in a dry, cool place away from extreme temperatures.

## 9. Troubleshooting

---

If you encounter any issues with your Svago Lite recliner, refer to the following common solutions:

- **Chair Not Responding:** Ensure the power cord is securely plugged into both the chair and a working electrical outlet. Check if the power switch on the chair is in the 'ON' position.
- **Heat/Vibration Not Working:** Verify that the chair is powered on and the specific function buttons on the remote are pressed. Allow a few minutes for the heat function to become noticeable.
- **Unusual Noises:** Check for any loose components or obstructions around the moving parts of the chair. Ensure the chair is on a level surface.
- **Remote Control Issues:** Ensure the remote control cable is securely connected to the chair.

If the problem persists after attempting these troubleshooting steps, please contact customer support.

## 10. Warranty and Support

---

For warranty information, product registration, or to contact customer support, please refer to the warranty card included in your package or visit the official Svago website. Keep your purchase receipt as proof of purchase for warranty claims.
