# VTech Go! Smart Wheels 3-in-1 Launch Raceway Instruction Manual

Model: 80-527500

## INTRODUCTION

---

The VTech Go! Go! Smart Wheels 3-in-1 Launch Raceway offers versatile play options for young children, promoting fine motor skills and problem-solving. This manual provides essential information for setup, operation, and care of your new raceway.

## WHAT'S IN THE BOX

---

- Go! Go! Smart Wheels 3-in-1 Launch and Go Raceway
- SmartPoint Race Car
- Parent's Guide

## SETUP

---

### Battery Installation

The SmartPoint Race Car requires 2 AAA batteries. Batteries are included for demo purposes only; new batteries are recommended for regular use. Ensure correct polarity when installing.

### Raceway Assembly

The raceway can be configured in three distinct ways: a dual raceway, a super raceway, and a stunt raceway. Adult assembly is required. Follow the visual instructions provided in the included Parent's Guide for detailed steps on connecting the track pieces and supports to form your desired layout.

Image: The product packaging illustrating the three possible track configurations: Dual Raceway, Super Raceway, and Stunt Raceway, highlighting the versatility of the set.

## OPERATING INSTRUCTIONS

### Using the Race Car

The included SmartPoint Race Car, "Rock the Race Car," features a light-up face button that plays songs, melodies, and teaches the letter "R." Pressing the action button on the car will make its spoiler move, adding to the interactive play.

### Raceway Interaction

Place Rock the Race Car on the raceway. The track features two SmartPoint locations. When the car drives over these locations, it activates unique sounds and phrases, providing an engaging cause-and-effect learning experience. Use the launch mechanism at the start of the raceway to send the car speeding down the ramps.

## Expanding Play

The Go! Go! Smart Wheels 3-in-1 Launch Raceway can connect to other Go! Go! Smart Wheels playsets (sold separately) to create larger and more elaborate play environments.

## MAINTENANCE

---

To ensure the longevity of your VTech Go! Go! Smart Wheels 3-in-1 Launch Raceway, follow these simple maintenance guidelines:

- **Cleaning:** Wipe the raceway and car surfaces with a slightly damp cloth. Do not immerse the electronic car in water.
- **Storage:** Store the playset in a cool, dry place away from direct sunlight. For compact storage, the track pieces can be disassembled.
- **Battery Care:** Remove batteries from the race car if the toy will not be used for an extended period to prevent leakage.

## TROUBLESHOOTING

If you encounter any issues with your VTech Go! Go! Smart Wheels 3-in-1 Launch Raceway, please refer to the following common solutions:

- **Car Not Responding/No Sound:**
  - Check if the batteries in the SmartPoint Race Car are correctly installed.
  - Replace old batteries with new AAA batteries.
  - Ensure the car's power switch is in the "On" position.
- **Track Pieces Not Connecting Securely:**
  - Verify that all connectors are aligned properly before pushing them together.
  - Apply gentle, even pressure when connecting pieces.
- **Car Not Launching Smoothly:**
  - Ensure the launch mechanism is clear of any obstructions.
  - Confirm the car is placed correctly at the starting point.

If problems persist, please contact VTech customer support for further assistance.

## SPECIFICATIONS

Feature	Detail
Product Dimensions	6.1 x 23.9 x 12.9 inches
Item Weight	2.23 pounds
Model Number	80-527500
Recommended Age	12 months - 5 years
Batteries Required	2 AAA batteries (included for demo)
Manufacturer	VTech
Release Date	April 2, 2020
