MINISO 6941501535933

MINISO We Bare Bears In-Ear Headphones Model 6941501535933 User Manual

Your guide to setting up, operating, and maintaining your MINISO We Bare Bears In-Ear Headphones.

1. Product Overview

The MINISO We Bare Bears In-Ear Headphones are designed for comfortable audio listening and hands-free communication. Featuring a 3.5mm jack, these wired earbuds are compatible with a wide range of devices, including mobile phones, tablets, and laptops. The integrated microphone and in-line controls provide convenience for managing calls and music playback.

Package Contents:

- MINISO We Bare Bears In-Ear Headphones
- Protective Case

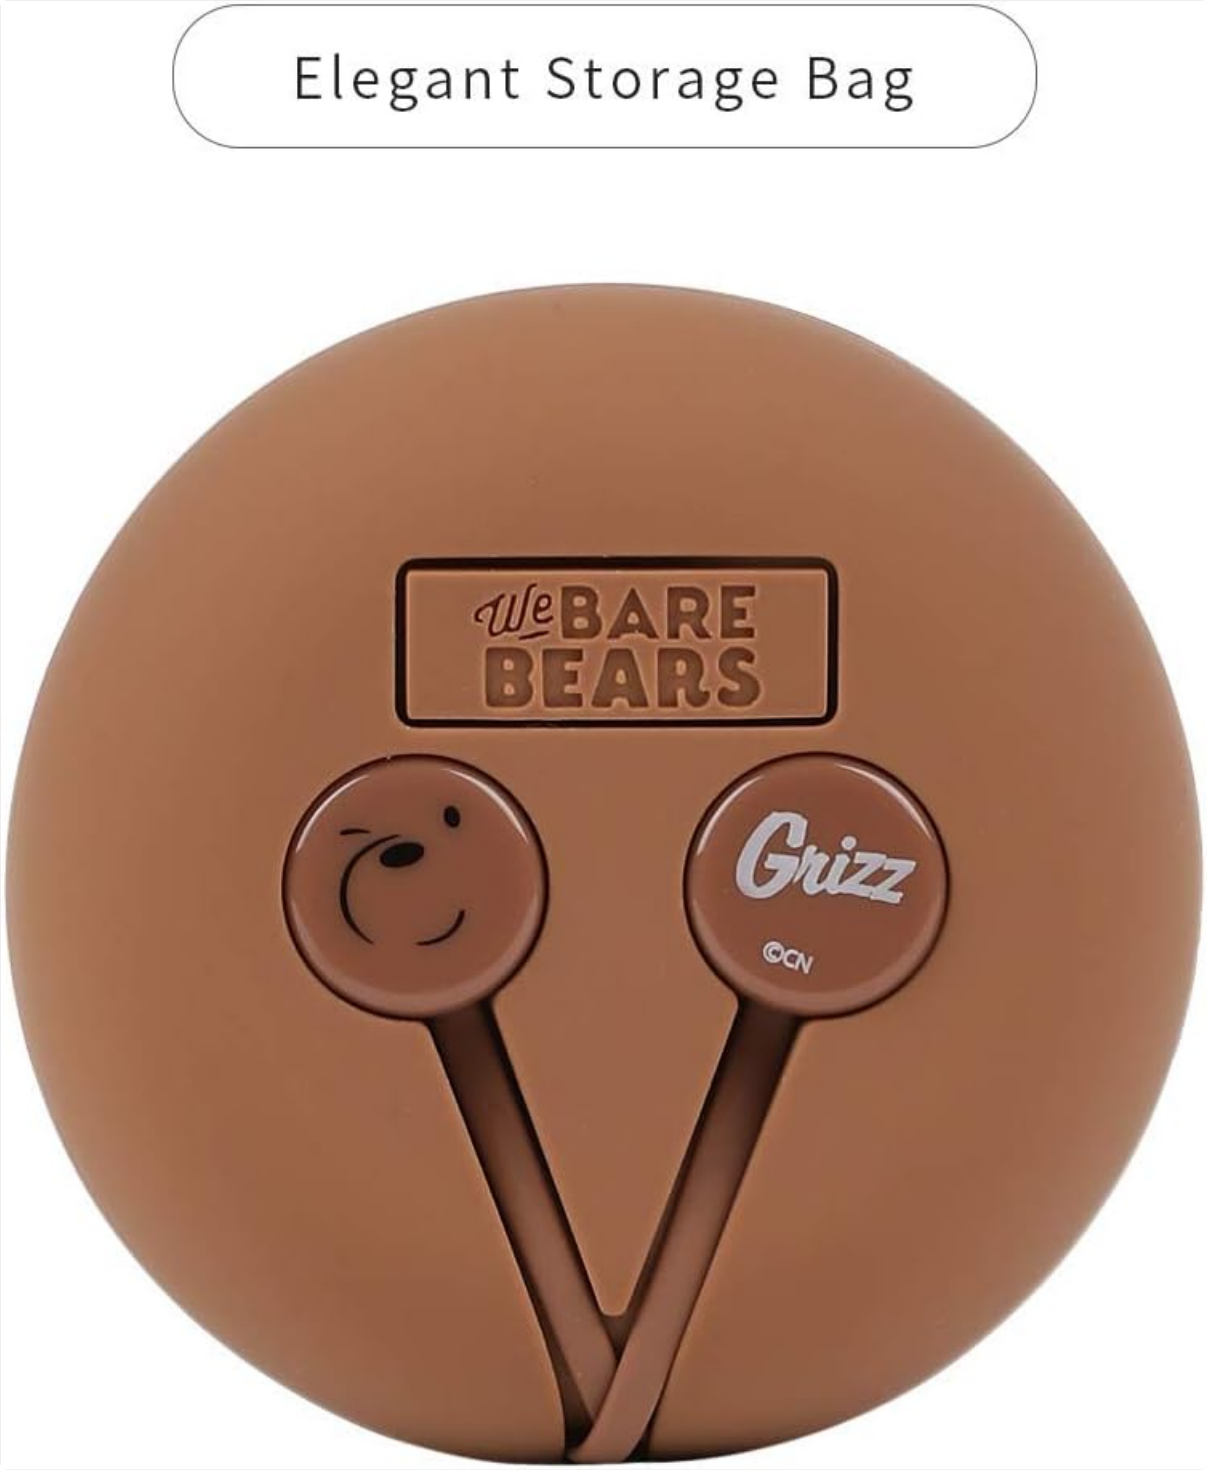

Image: The elegant brown storage bag included with the headphones, featuring "We Bare Bears" and "Grizz" branding.

2. Setup Instructions

Connecting to Your Device:

1. Locate the 3.5mm audio jack on your mobile phone, tablet, laptop, or other compatible device.
2. Insert the 3.5mm plug of the MINISO We Bare Bears In-Ear Headphones firmly into the device's audio jack.
3. Ensure the plug is fully inserted to establish a proper connection and prevent audio issues.

Compatibility: These headphones are designed for use with most mobile Android phones, Pads, and laptops that feature a standard 3.5mm headphone jack.

3. Operating Instructions

In-line Remote Control:

The headphones feature an in-line remote with a built-in microphone and control buttons for easy management of audio and calls.

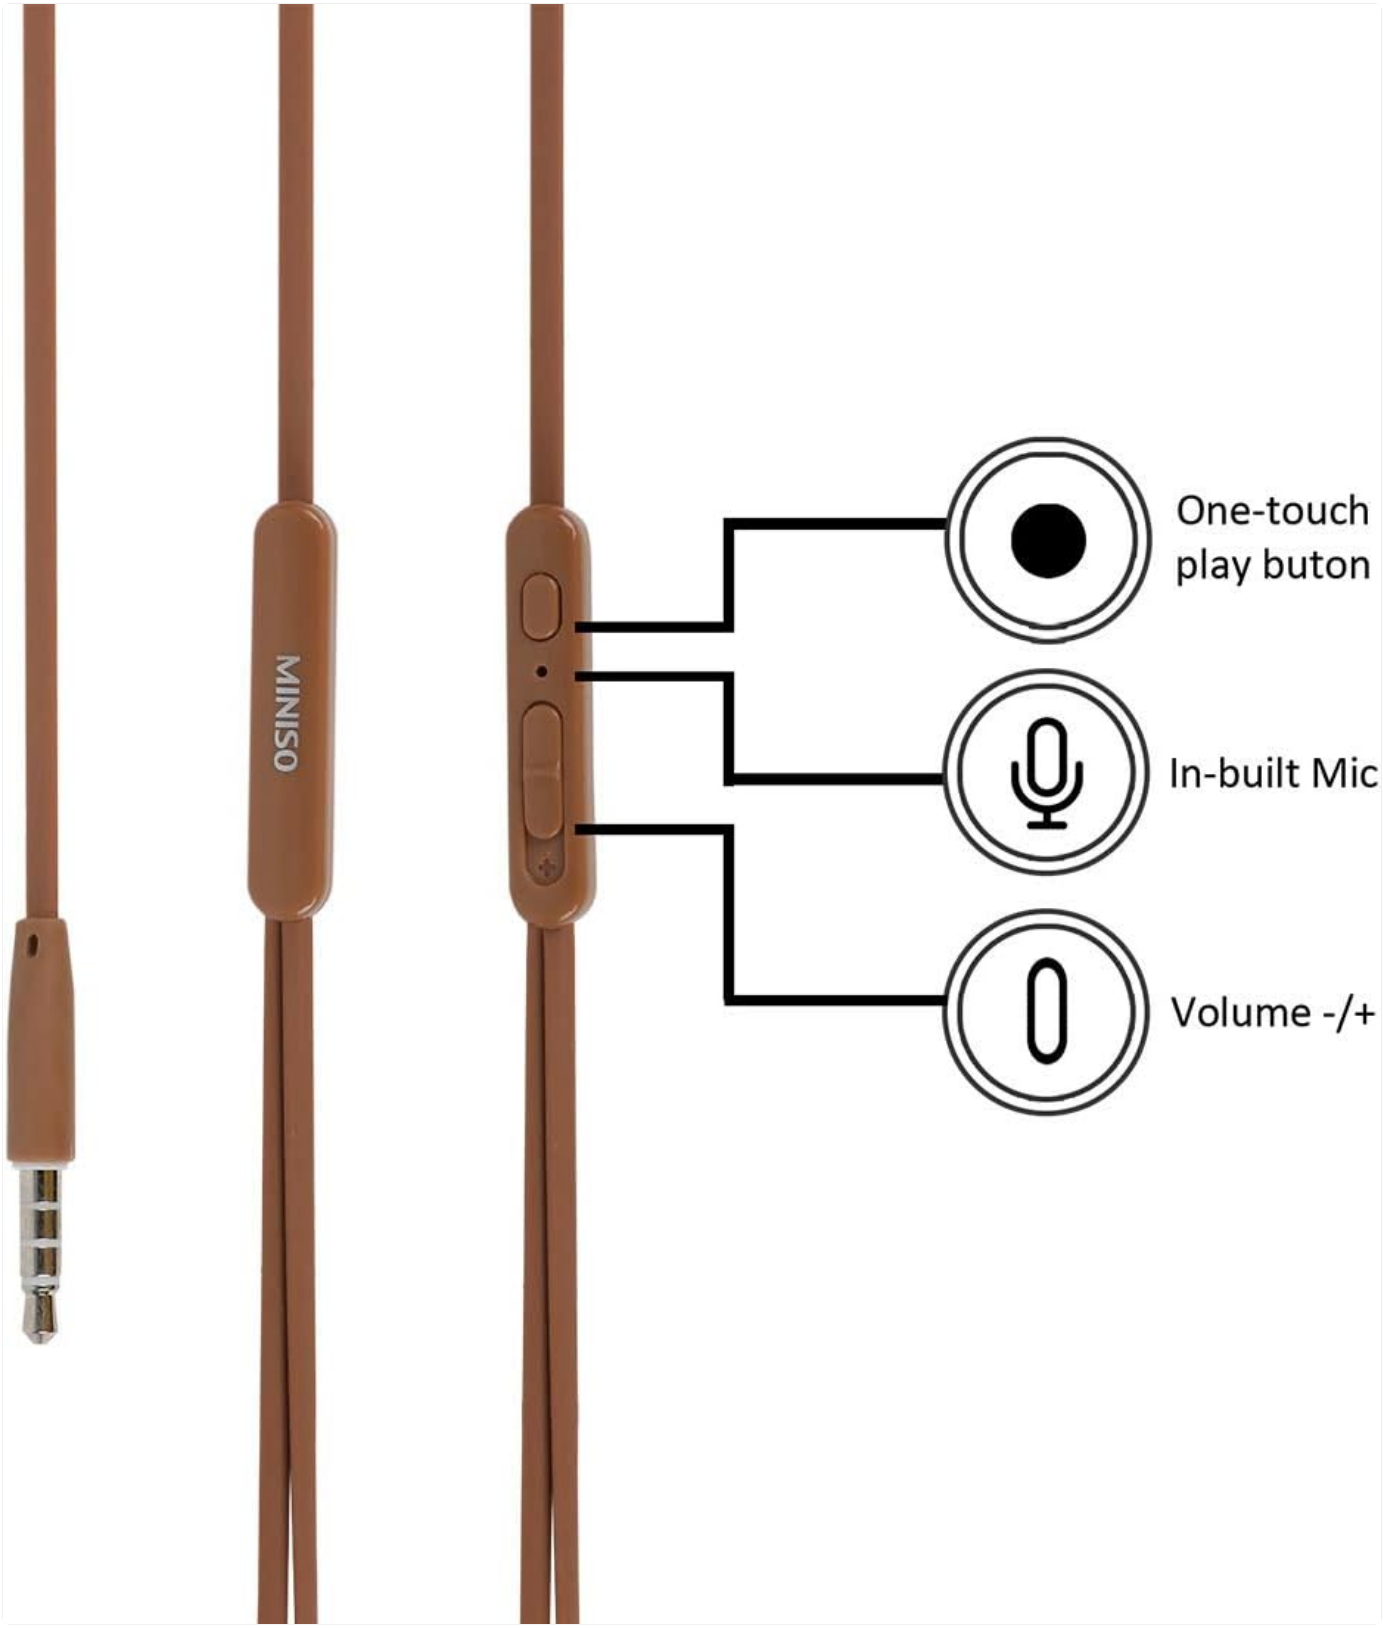

Image: Detailed diagram illustrating the functions of the in-line remote control, including the play button, microphone, and volume adjustment buttons.

- **Play/Pause Music:** Press the one-touch play button once to play or pause audio.
- **Answer/End Calls:** Press the one-touch play button once to answer an incoming call or end an ongoing call.
- **Next Track:** Press the one-touch play button twice quickly to skip to the next audio track.

- **Previous Track:** Press the one-touch play button three times quickly to go back to the previous audio track.
- **Volume Control:** Use the dedicated volume +/- buttons to adjust the audio level.
- **Microphone:** The built-in HD microphone allows for clear hands-free communication during calls.

4. Care and Maintenance

- **Cleaning:** Gently wipe the earbuds and cable with a soft, dry cloth. Do not use harsh chemicals or abrasive materials.
- **Storage:** When not in use, store the headphones in the provided protective case to prevent tangling and damage.
- **Cable Care:** Avoid excessive bending or pulling of the cable to prolong its lifespan. The cable is designed to be tangle-free.
- **Temperature:** Do not expose the headphones to extreme temperatures, direct sunlight, or high humidity.

5. Troubleshooting

If you encounter issues with your headphones, please refer to the following common solutions:

- **No Sound or Low Volume:**

- Ensure the 3.5mm jack is fully inserted into your device.
- Check the volume settings on your connected device.
- Test the headphones with another device to determine if the issue is with the headphones or the source device.
- Inspect the cable for any visible damage or kinks.

- **Sound Only from One Earbud:**
  - Ensure the 3.5mm jack is fully inserted and rotated slightly to ensure proper contact.
  - Check your device's audio balance settings.
  - Test with another device.

- **Microphone Not Working:**
  - Ensure the 3.5mm jack is fully inserted.
  - Check your device's microphone input settings.
  - Test the microphone functionality with another application or device.
