Pecute Expandable Cat and Small Dog Backpack Carrier Instruction Manual

Model: PC-PCB03

1. PRODUCT OVERVIEW

The Pecute Expandable Pet Carrier Backpack is designed for comfortable and secure transport of cats and small dogs up to 11 lbs. It features an innovative expandable back for additional space, multiple entry points, and superior ventilation for your pet's well-being during travel.

- **Expandable Design:** Offers additional space for pets to stretch and relax, reducing anxiety during travel.
- **Durable Construction:** Made from premium Oxford Cloth, providing waterproof and scratch-resistant properties. Features robust zippers and reinforced stitching for enhanced security.
- **Optimal Ventilation:** Equipped with 4-side breathable mesh windows to ensure excellent airflow and allow your pet panoramic views.
- **Ergonomic Comfort:** Designed with widened and padded shoulder straps and back support for user comfort. Includes a plush, removable, and washable pet cushion.
- **Safety Features:** Incorporates a lock-type zipper design and a built-in retractable hook safety rope to prevent escapes.
- **Convenient Storage:** Side pockets provide space for essential items like food and waste bags.

2. SETUP INSTRUCTIONS

Before first use, it is recommended to wipe the carrier and place it in a well-ventilated outdoor area for several hours to dissipate any new product odor.

2.1 Unfolding the Backpack

1. Unzip the main compartments and ensure the carrier is fully expanded to its upright position.
2. Insert the provided rigid bottom support panel into the base of the main compartment to create a stable floor for your pet.

3. Place the plush, two-sided cushion on top of the bottom support panel.

2.2 Expanding the Rear Compartment

1. Locate the zipper for the expandable rear section.
2. Fully unzip this section to release the mesh expansion compartment.
3. Gently pull the mesh compartment outwards until it is fully extended and stable.
