

## SBS TEEARTWSHOPBTP

# SBS Twin Buds Wireless In-Ear Headphones

Model: TEEARTWSHOPBTP

Brand: SBS

## 1. PRODUCT OVERVIEW

The SBS Twin Buds are lightweight, wireless in-ear Bluetooth headphones designed for comfortable wear and high-quality stereo sound. Featuring True Wireless Stereo technology, these earbuds connect seamlessly to your device, allowing you to enjoy music and manage calls with ease. The included charging case provides convenient storage and on-the-go power.

## 2. PACKAGE CONTENTS

---

Ensure all items are present in the package:

- 1x Pair of SBS Twin Buds Wireless In-Ear Headphones (Purple)
- 1x 300 mAh Charging Case
- 1x USB/Micro USB Charging Cable

## 3. PRODUCT COMPONENTS

---

Familiarize yourself with the key components of your SBS Twin Buds:

## **SEMI IN-EAR DESIGN**

---

For comfortable  
wearing

## **TOUCH ANSWER/END BUTTON**

---

Play / Pause  
Music

## **MAGNETIC CHARGING**

---

Image 3.1: SBS Twin Buds highlighting Semi In-Ear Design, Touch Answer/End Button, and Magnetic Charging points.

- **Semi In-Ear Design:** Provides a comfortable and secure fit.
- **Touch Answer/End Button:** A multi-function button for controlling calls and music playback.
- **Magnetic Charging Points:** Located at the bottom of each earbud for secure charging within the case.
- **LED Indicator:** Displays status (e.g., charging, pairing).
- **Integrated Microphone:** For hands-free calls.

## 4. CHARGING THE DEVICE

---

The charging case serves as both a storage unit and a power bank for your earbuds. It has a 300 mAh battery capacity.

Image 4.1: SBS Twin Buds placed inside the charging case.

### 4.1 Charging the Earbuds

1. Place the Twin Buds into their respective slots in the charging case. The earbuds will automatically begin charging.
2. The LED indicators on the earbuds will show their charging status.
3. A full charge for the earbuds takes approximately 1.5 hours.

### 4.2 Charging the Case

1. Connect the provided Micro USB cable to the charging port on the case.
2. Connect the other end of the USB cable to a compatible USB power source (e.g., wall adapter, computer USB port).
3. The LED indicator on the case will show its charging status.

## 5. POWERING ON/OFF

- **Power On:** The Twin Buds will automatically power on when removed from the charging case.
- **Power Off:** The Twin Buds will automatically power off when placed back into the charging case.

## 6. BLUETOOTH PAIRING

To connect your SBS Twin Buds to a device:

1. Ensure the Twin Buds are charged and removed from the charging case. They will automatically enter pairing mode.
2. On your device (e.g., smartphone, tablet), enable Bluetooth.
3. Search for available Bluetooth devices.
4. Select "SBS Twin Buds" (or similar name) from the list of found devices to establish the connection.
5. Once paired, the earbuds will automatically connect to this device when removed from the case in the future, provided Bluetooth is enabled on the device.

## 7. OPERATING INSTRUCTIONS

The multi-function button on each earbud allows for various controls:

- **Play/Pause Music:** Press the multi-function button once.
- **Answer/End Call:** Press the multi-function button once during an incoming call to answer, or once during a call to end.
- **Reject Call:** Press and hold the multi-function button during an incoming call.
- **Next Track:** (Specific action not detailed, typically double-tap or long-press right earbud).
- **Previous Track:** (Specific action not detailed, typically double-tap or long-press left earbud).
- **Activate Voice Assistant:** (Specific action not detailed, typically triple-tap or long-press).

Volume control can typically be managed through your connected device or via the voice assistant if activated.

## 8. COMFORT AND FIT

The SBS Twin Buds feature a semi in-ear design and are exceptionally lightweight, ensuring a comfortable and secure fit for extended periods of use. Their ergonomic shape is designed to adapt perfectly to your ear.

## 9. SPECIFICATIONS

<b>Earbud Usage Time</b>	Up to 2.5 hours
<b>Standby Time</b>	Up to 24 hours
<b>Charging Time (Earbuds)</b>	Approx. 1.5 hours
<b>Wireless Range</b>	10 meters
<b>Charging Port</b>	Micro USB
<b>Special Features</b>	Lightweight, Magnetic Charging Case, Multifunction Button

## 10. MAINTENANCE

To ensure the longevity and optimal performance of your SBS Twin Buds, follow these general maintenance guidelines:

- Keep the earbuds and charging case clean. Use a soft, dry cloth to wipe away dust or debris.
- Avoid exposing the device to extreme temperatures, humidity, or liquids.
- Store the earbuds in their charging case when not in use to protect them and keep them charged.
- Do not attempt to disassemble or repair the device yourself.

## 11. TROUBLESHOOTING

If you encounter issues with your SBS Twin Buds, consider the following common solutions:

- **Earbuds not pairing with device:**
  - Ensure Bluetooth is enabled on your device.
  - Make sure the earbuds are charged and removed from the charging case.
  - Try turning Bluetooth off and on again on your device.
  - Forget the device from your Bluetooth list and try pairing again.
- **No sound from earbuds:**
  - Check the volume level on both the earbuds and your connected device.
  - Ensure the earbuds are properly paired and connected.
  - Try playing different audio sources.
- **Earbuds not charging:**
  - Ensure the charging cable is securely connected to both the case and the power source.
  - Verify that the power source is active.
  - Check for any debris in the charging ports of the case or on the earbuds' charging contacts.

12. WARRANTY AND SUPPORT

Information regarding product warranty and availability of spare parts is not provided in the available product data. For support or further inquiries, please refer to the manufacturer's official website or contact their customer service directly.
