

ZINUS EU-FSPB-B

ZINUS Lottie Upholstered Bed Frame Instruction Manual

Model: EU-FSPB-B

1. INTRODUCTION

This manual provides detailed instructions for the assembly, safe use, and maintenance of your ZINUS Lottie Upholstered Bed Frame. Please read all instructions carefully before beginning assembly and retain this manual for future reference.

The ZINUS Lottie Upholstered Bed Frame features a modern design with a tufted headboard, a sturdy steel inner frame, and a wooden slat platform for mattress support. It is designed for easy assembly.

2. SAFETY WARNINGS

- **Maximum Weight Capacity:** Do not exceed the maximum recommended weight. For the 90 x 200 cm size, the maximum weight is 159 kg (350 lbs). For all other sizes (including 100 x 200 cm), the maximum weight is 318 kg (700 lbs).
- **Proper Assembly:** Ensure the bed frame is correctly and securely assembled according to the instructions provided. Improper assembly can lead to instability and potential injury.
- **Children:** Keep small parts and packaging materials away from children during assembly to prevent choking hazards.
- **Tools:** Use only the tools provided or recommended for assembly.
- **Location:** Place the bed frame on a level, stable surface.

3. PACKAGE CONTENTS

All necessary parts, tools, and instructions for assembly are conveniently packed within a zippered compartment located at the back of the headboard. Please unzip this compartment to retrieve all components before starting assembly.

Image: Contents of the headboard compartment, showing the instruction manual, hardware box, and wooden slats.

Verify that all parts listed in the instruction manual are present and undamaged before proceeding.

4. SETUP AND ASSEMBLY

Assembly of the ZINUS Lottie Bed Frame is designed to be straightforward and can typically be completed by two people in under an hour. Many screws are pre-installed for convenience, and all necessary tools are included.

Required Tools:

- Ratchet wrench (included)
- Hex key (included, if applicable)

Image: The ergonomic ratchet tool provided for easy assembly.

Assembly Steps:

1. **Unpack Components:** Unzip the compartment at the back of the headboard and carefully remove all parts, hardware, and the instruction manual. Lay out all components on a clean, soft surface to prevent scratches.
2. **Attach Legs:** Securely attach the bed legs to the headboard and footboard sections. Ensure they are tightened firmly.
3. **Connect Side Rails:** Connect the side rails to the headboard and footboard using the provided hardware. Many

screws may be pre-installed; simply loosen them slightly, align the parts, and then tighten them securely.

4. **Install Center Support:** Assemble and install any center support beams and legs as indicated in the detailed manual.
5. **Place Slats:** Unroll or place the wooden slats onto the bed frame. Ensure the slats are evenly spaced and secured, typically with Velcro or plastic caps, to prevent movement and minimize noise.

5. USAGE

Once assembled, place your mattress directly onto the wooden slat platform. A box spring is not required with this bed frame. The wooden slats are designed to provide optimal support for your mattress, extending its lifespan and minimizing noise during sleep.

Ensure the total weight on the bed frame, including mattress and occupants, does not exceed the specified maximum weight capacity for your bed size.

6. MAINTENANCE

- **Cleaning:** For the upholstered parts, spot clean with a damp cloth and mild detergent if necessary. Avoid harsh chemicals. For the metal and wood components, wipe with a dry or slightly damp cloth.
- **Tighten Fasteners:** Periodically check all bolts and screws to ensure they remain tight. Re-tighten if necessary to maintain stability and prevent squeaking.
- **Avoid Excessive Moisture:** Protect the bed frame from prolonged exposure to moisture or direct sunlight to prevent damage to the fabric and wood.

7. TROUBLESHOOTING

- **Squeaking Noises:** If the bed frame squeaks, check all connections and tighten any loose bolts. Ensure slats are properly seated and not rubbing against the frame.

- **Instability:** If the bed frame feels unstable, verify that all legs are firmly attached and all frame connections are securely tightened. Ensure the bed is on a level surface.
- **Missing Parts:** If any parts are missing or damaged upon arrival, please contact ZINUS customer support for assistance.

8. SPECIFICATIONS

Feature	Detail
Brand	ZINUS
Model Number	EU-FSPB-B
Color	Grey
Material	Metal, Wood, Fabric
Overall Dimensions (L x W x H)	201.5 x 106 x 101.6 cm (for 100 x 200 cm mattress size)
