Zinus Mia 90x190 cm Metal Platform Bed with Headboard User Manual

Model: EU-ASMPH-15E

INTRODUCTION

This user manual provides comprehensive instructions for the assembly, safe operation, and maintenance of your Zinus Mia 90x190 cm Metal Platform Bed. Please read this manual thoroughly before assembly and use to ensure proper installation and to maximize the lifespan of your product. Keep this manual for future reference.

SETUP AND ASSEMBLY

The Zinus Mia platform bed is designed for easy assembly. All necessary parts, tools, and instructions are included in the packaging. Assembly typically takes less than an hour with the assistance of a second person.

Included Components

Before beginning assembly, verify that all components are present and undamaged. Refer to the parts list provided in your package. The bed frame includes a metal structure, wooden slats, and an integrated headboard.

Tools Required

A simple ratchet tool is provided for tightening bolts. No additional tools are typically required for assembly.

Assembly Steps

1. Unpack all components and lay them out on a clean, soft surface to prevent scratches.
2. Follow the step-by-step graphical instructions provided in your package to connect the metal frame pieces.
3. Ensure all bolts are securely tightened using the provided ratchet tool. Do not overtighten.
4. Install the wooden slats. The reliable wooden slats are designed to support your mattress.

Image: A close-up view of the wooden slats, showing the Velcro strips that secure them to the bed frame and prevent shifting.

Safety Warning: Follow assembly instructions carefully to avoid any risk of instability or collapse. It is recommended to have two people for assembly.

OPERATION

Once assembled, the Zinus Mia platform bed is ready for use. Simply place your mattress directly onto the wooden slats. The durable design supports various mattress types, including latex, memory foam, or spring mattresses.

Weight Capacity

- For the 90x190 cm size (single), the maximum weight capacity is 159 kg (350 lbs).
- For other sizes (not applicable to this specific model), the maximum weight capacity is 318 kg (700 lbs).

Do not exceed the specified weight capacity to prevent damage to the bed frame and potential injury.

Under-Bed Storage

The Zinus Mia platform bed features a 36 cm (approximately 14 inches) clearance beneath the frame, providing ample space for under-bed storage. This allows for convenient organization of various items, helping to keep your bedroom tidy.

MAINTENANCE

Regular maintenance ensures the longevity and optimal performance of your Zinus Mia bed frame.

Cleaning

- Wipe the metal frame with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners that could damage the finish.
- Dust the wooden slats periodically.

Inspections

- Periodically check all bolts and connections to ensure they remain tight. Retighten if necessary.
- Inspect wooden slats for any signs of damage or wear. Replace any damaged slats immediately to maintain proper mattress support.

The bed frame is designed to be squeak-resistant, contributing to a quiet sleeping environment. Proper assembly and regular checks help maintain this feature.

TROUBLESHOOTING

This section addresses common issues you might encounter with your Zinus Mia platform bed.

Instability or Wobbling

- Ensure all bolts are securely tightened. Loose connections are the most common cause of instability.
- Verify that all frame components are correctly aligned according to the assembly instructions.
- Check that the bed is placed on a level surface.

Squeaking Noises

- Although designed to be squeak-resistant, loose bolts can cause noise. Retighten all connections.
- Ensure the mattress is properly seated on the slats and not causing friction against the frame.
- Check the wooden slats for any movement or friction points against the metal frame. The included Velcro and foam padding should minimize this.

Damaged or Missing Parts

If you discover any damaged or missing parts upon unboxing, do not proceed with assembly. Contact Zinus customer support immediately for assistance.

SPECIFICATIONS

Feature	Detail
Brand	Zinus
Model Number	EU-ASMPH-15E
Color	Black
Dimensions (L x W x H)	191.7 x 91 x 96.7 cm (75.5 x 35.8 x 38.1 inches)
