ONANOFF BuddyPhones PopTime

ONANOFF BuddyPhones PopTime Kids Bluetooth Headphones User Manual

Model: BuddyPhones PopTime | ASIN: B0875KWD62

1. INTRODUCTION

Welcome to your ONANOFF BuddyPhones PopTime Kids Bluetooth Headphones. This manual provides instructions for setup, operation, and maintenance to ensure optimal performance and safety. These headphones are designed for young listeners aged 8-15, offering two safe listening modes to protect hearing.

2. PACKAGE CONTENTS

Verify that all items are present in your package:

- BuddyPhones PopTime Headphones with washable ear pads
- USB-C charging cable
- Audio cable for wired connection
- Travel bag
- Decorative stickers

This image displays the complete contents of the BuddyPhones PopTime package: the pink headphones, a USB-C charging cable, a 3.5mm audio cable, a pink drawstring travel bag, and a sheet of decorative stickers.

3. PRODUCT OVERVIEW

Familiarize yourself with the components of your BuddyPhones PopTime headphones.

This image shows the ONANOFF BuddyPhones PopTime headphones from the front, highlighting the pink earcups and black adjustable headband.

This image presents a side view of the BuddyPhones PopTime headphones, illustrating their compact, foldable design for easy storage and portability.

3.1. Controls and Indicators

- **Power Button:** Press and hold to power on/off.
- **Volume Up/Next Track Button:** Short press for volume up, long press for next track.
- **Volume Down/Previous Track Button:** Short press for volume down, long press for previous track.
- **Multi-function Button (MFB):** Play/Pause, Answer/End Call, Mode Switch (Safe Mode/POP Mode).
- **LED Indicator:** Shows power status, pairing status, and listening mode.
- **USB-C Charging Port**
- **3.5mm Audio Jack**

4. SETUP

4.1. Charging the Headphones

1. Connect the USB-C charging cable to the charging port on the headphones.
2. Connect the other end of the USB-C cable to a compatible USB power adapter (not included) or a computer's USB port.
3. The LED indicator will illuminate during charging and change color or turn off when fully charged. A full charge provides up to 19 hours of wireless use.

4.2. Powering On/Off

- To power on, press and hold the Power button until the LED indicator lights up.
- To power off, press and hold the Power button until the LED indicator turns off.

4.3. Bluetooth Pairing

1. Ensure the headphones are powered off.

2. Press and hold the Power button for approximately 5-7 seconds until the LED indicator flashes rapidly (typically blue and red), indicating pairing mode.
3. On your device (e.g., smartphone, tablet), go to Bluetooth settings and enable Bluetooth.
4. Select "BuddyPhones PopTime" from the list of available devices.
5. Once paired, the LED indicator will stop flashing and remain solid blue.

This image shows two children happily using BuddyPhones PopTime headphones while looking at a tablet, demonstrating the wireless functionality.

5. OPERATING INSTRUCTIONS

5.1. Listening Modes (Safe Mode & POP Mode)

The BuddyPhones PopTime offers two distinct listening modes to protect hearing:

- **Safe Mode (85dB):** Limits audio volume to a maximum of 85 decibels, suitable for general listening and extended use.
- **POP Mode (94dB):** Allows for a slightly higher maximum volume of 94 decibels, intended for environments with more background noise or for short periods.

To switch between modes, press the Multi-function Button (MFB) twice quickly. The LED indicator will change to

show the active mode.

This graphic illustrates the "Safe Audio" feature of the headphones, highlighting the two volume limit settings: 85dB for Safe Mode and 94dB for POP Mode.

5.2. Wired Audio Connection

To use the headphones with a wired connection:

1. Ensure the headphones are powered off.
2. Connect one end of the provided 3.5mm audio cable to the audio jack on the headphones.
3. Connect the other end to the 3.5mm audio output of your device.
4. The headphones will function in passive mode, without requiring battery power.

5.3. Call Functions

- **Answer/End Call:** Press the Multi-function Button (MFB) once.
- **Reject Call:** Press and hold the Multi-function Button (MFB) for 2 seconds.
- **Voice Assistant:** Press the Multi-function Button (MFB) three times quickly to activate your device's voice assistant.

6. MAINTENANCE

6.1. Cleaning

- Gently wipe the headphones with a soft, dry cloth.
- The ear pads are washable. Carefully remove them and wash with mild soap and water. Ensure they are completely dry before reattaching.
- Do not use harsh chemicals or abrasive cleaners.

6.2. Storage

When not in use, store the headphones in the provided travel bag to protect them from dust and damage. The foldable design allows for compact storage.

7. TROUBLESHOOTING

Problem	Solution
Headphones do not power on.	Ensure the headphones are charged. Connect to a power source using the USB-C cable.
Cannot pair via Bluetooth.	Ensure headphones are in pairing mode (LED flashing rapidly). Turn off and on Bluetooth on your device. Move closer to the device.
No sound in wireless mode.	Check volume levels on both headphones and connected device. Ensure headphones are paired correctly.
No sound in wired mode.	Ensure the 3.5mm audio cable is fully inserted into both the headphones and the device. Check device's audio output settings.
Sound is too low/high.	Adjust volume using the headphone buttons or the connected device. Verify the listening mode (Safe Mode/POP Mode) is appropriate.
