## Sportspower WP-687

# Sportspower Bellevue Wooden Outdoor Playhouse Instruction Manual

Model: WP-687

## INTRODUCTION

---

This manual provides essential information for the safe assembly, operation, and maintenance of your Sportspower Bellevue Wooden Outdoor Playhouse. Please read all instructions carefully before beginning assembly and retain this manual for future reference.

## SAFETY INFORMATION

---

The safety of children is paramount. This playhouse is designed and tested to meet or exceed ASTM International safety standards. Adherence to these guidelines is crucial for a safe play environment.

- **Supervision:** Always supervise children while they are playing in or around the playhouse.
- **Age Recommendation:** This playhouse is recommended for children aged 36 months to 8 years.
- **Weight Capacity:** Ensure the maximum weight capacity for individual components is not exceeded.
- **Pinch Points:** The design incorporates gaps to prevent pinch points, but always inspect moving parts for potential hazards.
- **Chemical Safety:** All materials are tested to ensure no harmful chemicals are present.
- **UV Resistance:** Components are UV resistant to maintain integrity and color over time.
- **Clearance:** Ensure a safe play area around the playhouse. Maintain a minimum of 6 feet (72 inches) of clear space in all directions from the equipment.

This video provides an overview of the quality and safety standards applied to Sportspower products, including testing for harmful chemicals, weight capacity, and pinch point prevention, ensuring compliance with ASTM International safety standards.

## WHAT'S IN THE BOX

---

Upon unpacking, verify that all listed components are present:

- Playhouse wooden panels and structural components
- Wooden countertop
- Hardware pack (screws, bolts, etc.)
- Instruction manual (this document)

*Note: Flowers for flower boxes and paint for customization are not included.*

## SETUP AND ASSEMBLY

---

The Sportspower Bellevue Playhouse is constructed from pre-stained cedar wood, simplifying the assembly process. Follow the step-by-step instructions provided in the separate assembly guide for detailed instructions on connecting panels and securing components.

### Site Preparation

- Choose a level surface in your backyard for installation.
- Ensure the chosen area provides adequate clearance as shown in the diagram below.
- Clear the area of any obstructions such as electrical wires, branches, fences, or buildings.

This diagram illustrates the overall dimensions of the Bellevue Wooden Playhouse and the recommended 6-foot (72 inches) safety

clearance required around the equipment to prevent obstructions.

A detailed line drawing showing the height (55 inches) and width (41.33 inches and 41.73 inches) of the playhouse, providing precise measurements for planning placement.

## FEATURES

---

The Sportspower Bellevue Playhouse offers several engaging features designed for imaginative play:

- **Wooden Construction:** Made from solid cedar wood, pre-stained for durability and a natural aesthetic. The wood can be customized with your preferred color (paint not included).
- **Working Front Door:** Features a fun colored working front door, allowing children to enter and exit easily.
- **Side Windows:** Equipped with side windows to provide light and visibility.
- **Flowerpot Holders:** Includes flowerpot holders on the exterior, encouraging decorative play (flowers not included).
- **Wooden Countertop:** A built-in wooden countertop provides a surface for various imaginative activities.
- **Open Design:** The open design allows parents to easily observe children while they play.

An overall view of the Sportspower Bellevue Wooden Outdoor Playhouse, showcasing its design and natural wood finish in a green backyard.

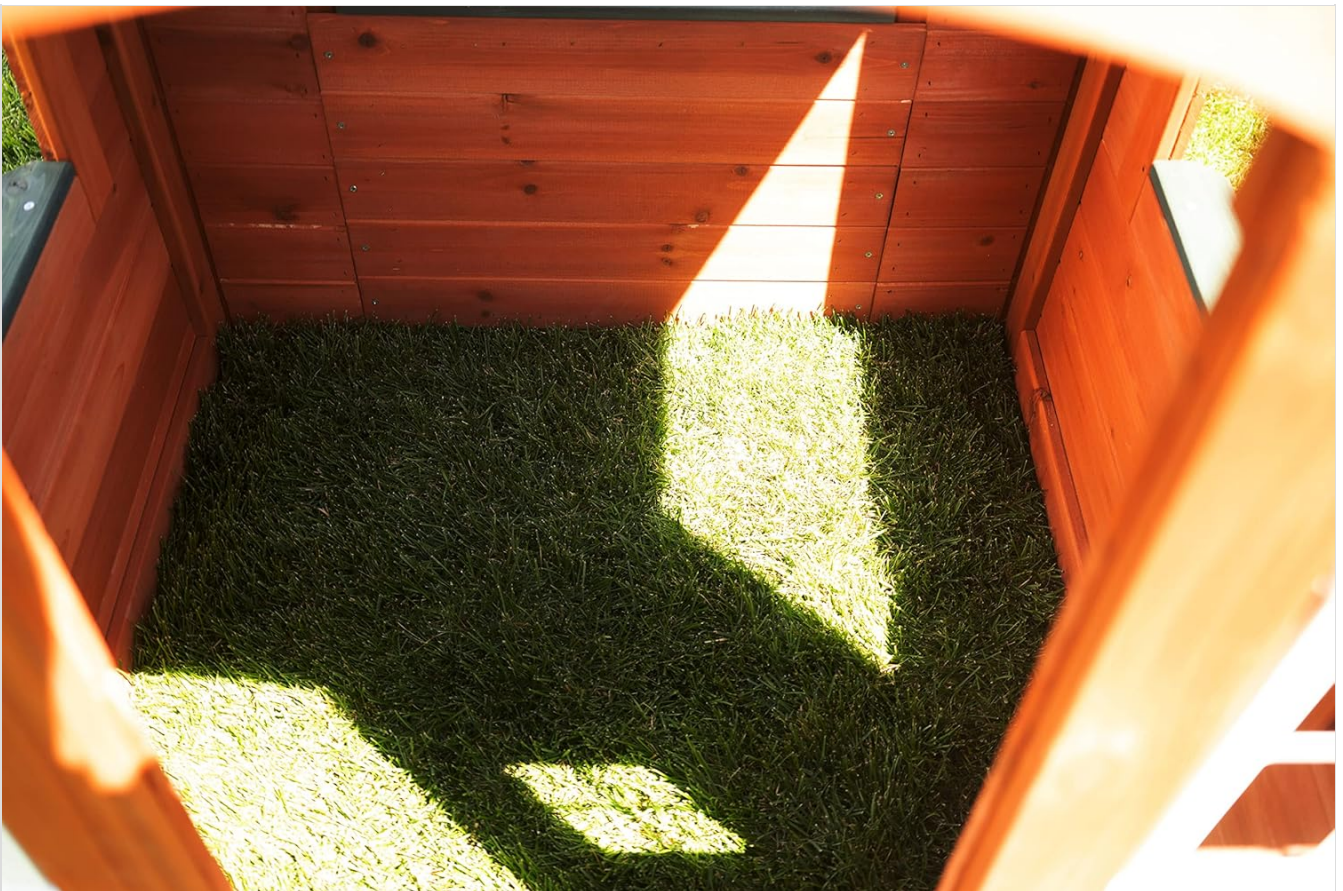

Multiple children engaging in play around the playhouse, demonstrating its interactive features and open design.

A detailed view of the wooden flowerpot holders, highlighting their design and potential for decorative use.

A close-up shot of the playhouse roof and decorative gable, showing the quality of the wooden construction.

An interior perspective of the playhouse, illustrating the open space for children to play.

## MAINTENANCE

---

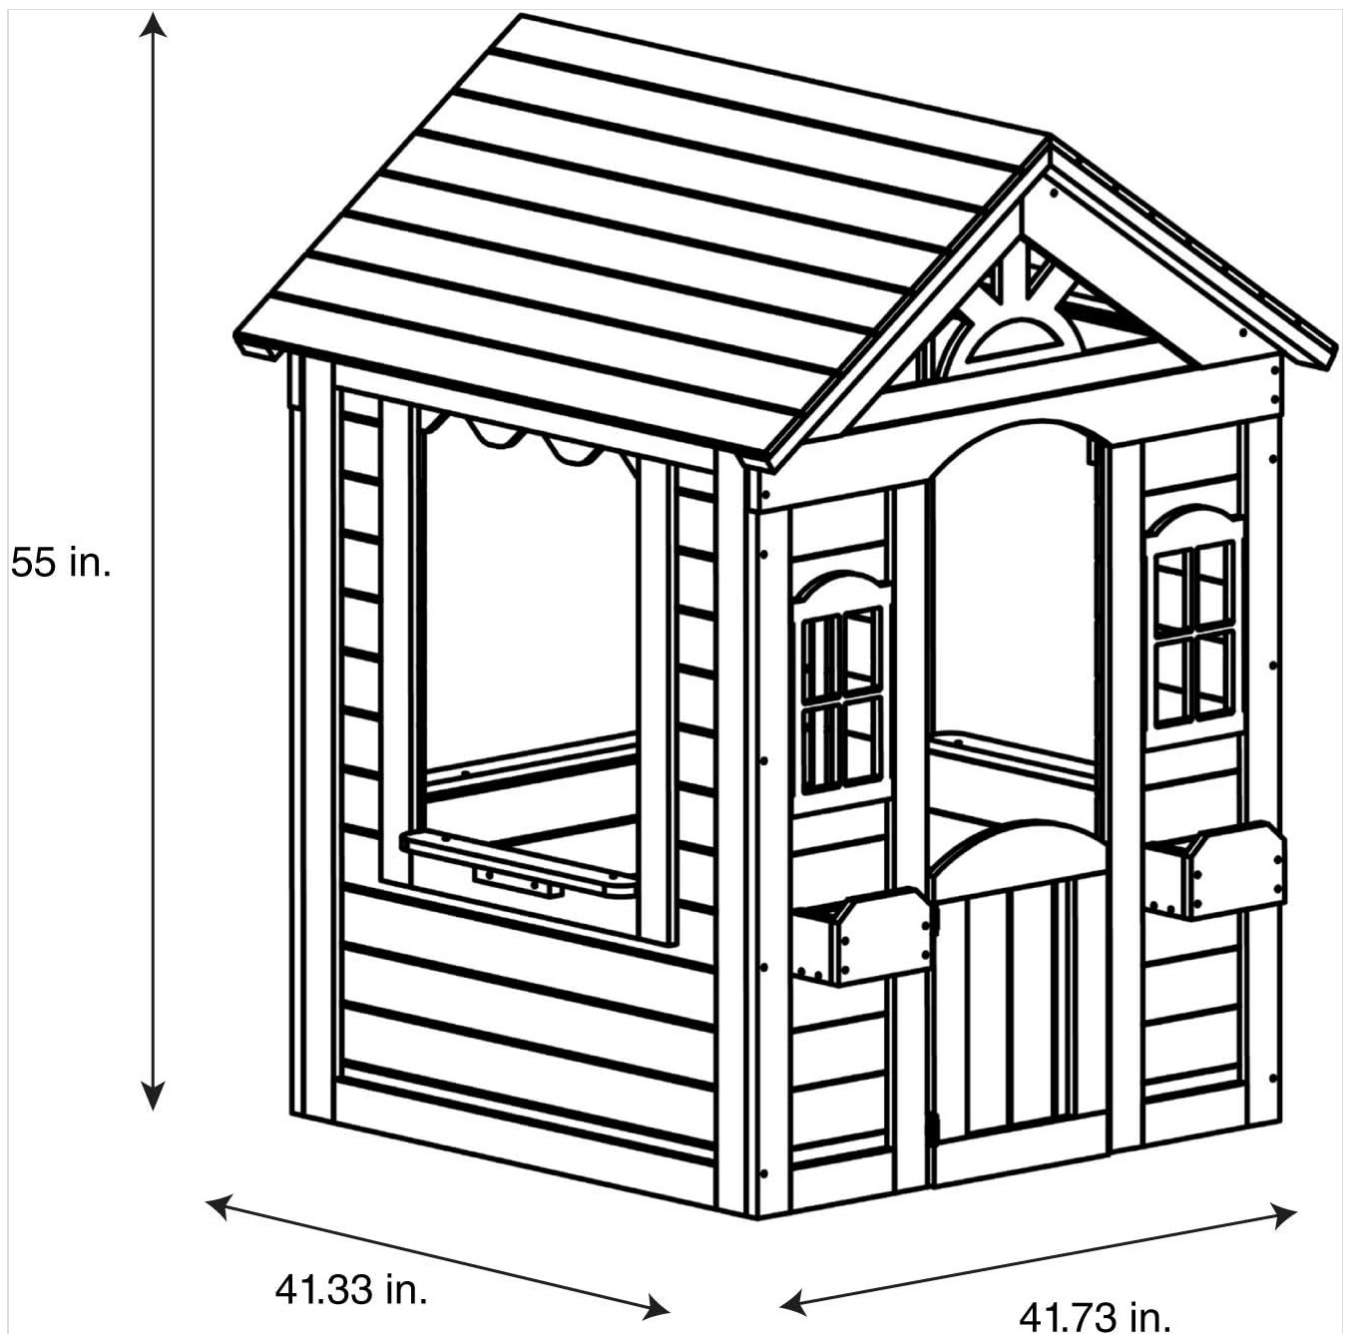

Regular maintenance will extend the life and ensure the safety of your Sportspower Bellevue Playhouse.

- **Routine Inspection:** Periodically check all nuts, bolts, and screws for tightness. Tighten as necessary.
- **Wood Care:** Although pre-stained, wood can weather over time. Inspect for splinters, cracks, or rot. Sand smooth any rough spots and consider re-staining or sealing the wood annually to protect it from the elements.
- **Cleaning:** Clean the playhouse regularly with a mild soap and water solution. Avoid harsh chemicals that could damage the wood or finishes.
- **Ground Anchoring:** Ensure the playhouse remains stable. If necessary, use ground anchors (not included) to secure it, especially in windy conditions.

## SPECIFICATIONS

---

Feature	Detail
Product Dimensions (L x W x H)	47.73 x 41.33 x 55 inches
Item Weight	73 pounds
Recommended Age	36 months - 8 years
Material	Solid Cedar Wood
Model Number	WP-687
Manufacturer	Sportspower
Release Date	March 1, 2022
