BRIO 30281 Dachshund Sausage Dog Ride Toddler Toy Instruction Manual

Brand: BRIO | Model: 30281

INTRODUCTION

This manual provides essential information for the safe and proper use, assembly, and maintenance of your BRIO 30281 Dachshund Sausage Dog Ride Toddler Toy. Please read all instructions carefully before assembly and use to ensure the safety of the child and the longevity of the product.

SAFETY INFORMATION

WARNING:

- Not intended for children under the age of 12 months.
- Adult supervision is required at all times during use.
- Ensure all parts are securely fastened before each use.
- Do not use on uneven surfaces, near stairs, or in areas with vehicle traffic.
- Regularly inspect the toy for any damage or loose parts. Discontinue use if any damage is found.

WHAT'S IN THE Box

Your BRIO 30281 Dachshund Sausage Dog Ride Toddler Toy package should contain the following components:

- 1x Ride on Dachshund (main body, head, seat, handles, tail, and wheels)

SETUP AND ASSEMBLY

Adult assembly is required for the BRIO 30281 Dachshund Sausage Dog Ride-on Toy. Please follow these general steps for assembly. While specific detailed instructions are not provided here, the toy is designed for straightforward assembly.

1. Unpack all components from the box and verify that all parts are present.
2. Attach the wheels to the main body of the Dachshund. Ensure they are securely fastened and can rotate freely.
3. Secure the wooden handles to the head of the Dachshund.
4. Ensure the wooden seat is firmly attached to the main body.
5. Verify that the spring-loaded tail is properly installed and can wag freely.
6. Before first use, double-check all connections and fasteners to ensure they are tight and secure.

OPERATING INSTRUCTIONS

The BRIO 30281 Dachshund Sausage Dog Ride-on Toy is designed for toddlers aged 12 months and up to 5 years, promoting early walking and mobility.

- **Riding:** Instruct the child to sit comfortably on the wooden seat, grasping the wooden handles for stability.
- **Movement:** The child can use their feet to push off the ground, propelling the ride-on toy forward.
- **Interactive Feature:** As the toy moves, the happy little dog's tail will wag with excitement, mimicking a real dog on a walk.
- **Steering:** The front wheels are designed to turn, allowing the child to steer the toy by leaning and guiding with the handles.

MAINTENANCE

Proper maintenance will ensure the longevity and safe operation of your BRIO ride-on toy.

- **Cleaning:** Wipe the toy clean with a damp cloth. Do not immerse in water. Avoid using harsh chemicals or abrasive cleaners.
- **Inspection:** Regularly check all screws, bolts, and connections to ensure they are tight. Tighten any loose fasteners as needed.
- **Storage:** Store the toy in a dry place, away from direct sunlight and extreme temperatures, to prevent damage to the wood and plastic components.
- **Damage:** If any part of the toy becomes damaged, broken, or shows signs of excessive wear, discontinue use immediately and replace the affected part or the entire toy if necessary.

TROUBLESHOOTING

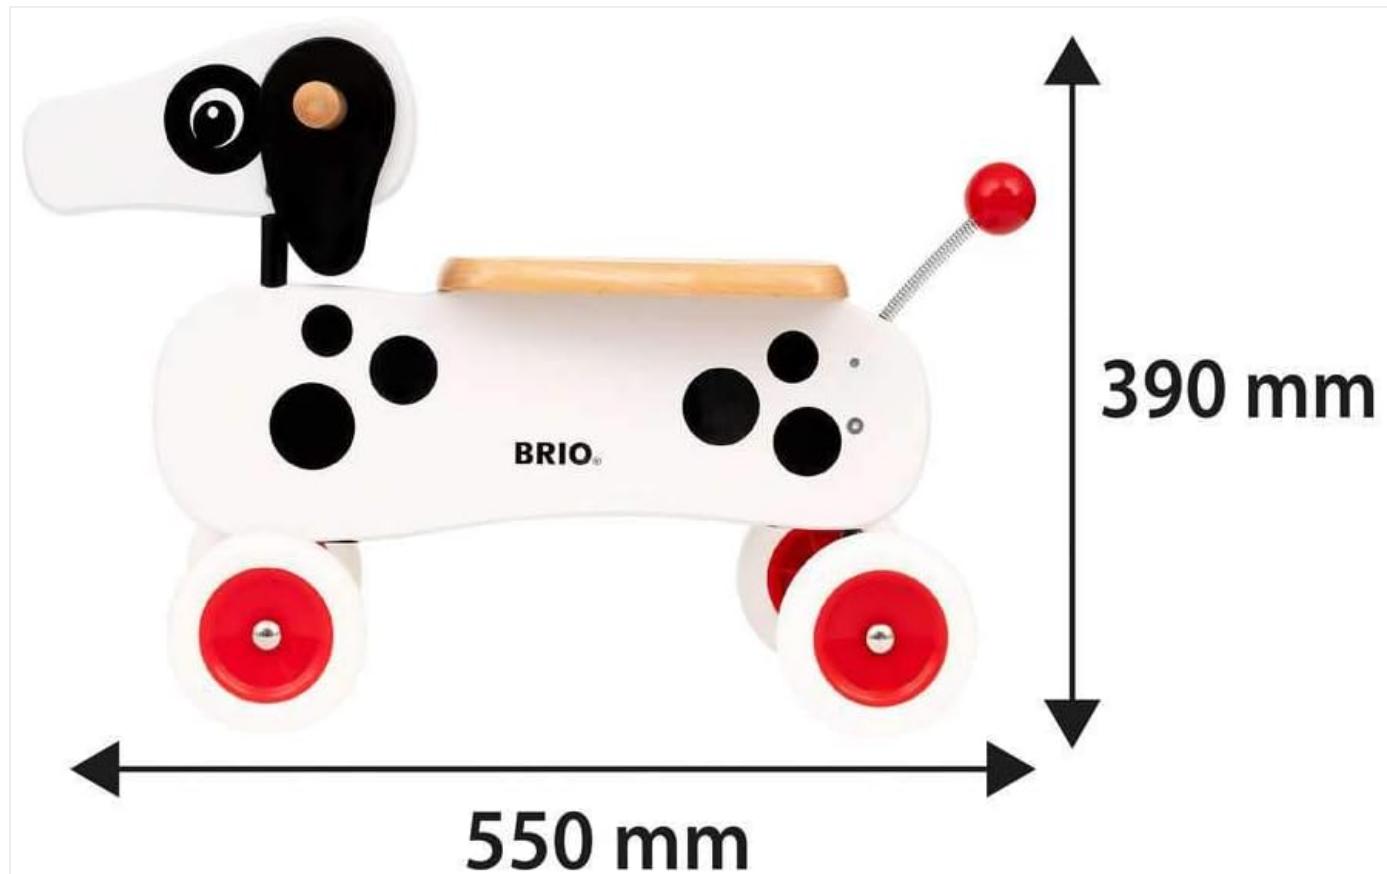

If you encounter any issues with your BRIO Dachshund ride-on toy, please refer to the following common solutions:

Problem	Possible Cause / Solution
Wheels do not turn smoothly.	Check for debris or hair wrapped around the axles. Ensure wheels are securely attached and not overtightened.
Toy feels unstable.	Verify that all assembly screws and fasteners are tight. Ensure the toy is being used on a flat, even surface.
Tail does not wag.	Check if the spring mechanism is obstructed or damaged. Ensure the toy is moving forward to activate the wagging motion.
