## JACKYLED WIX-T3+

# JACKYLED 4-Port USB Charging Hub with Quick Charge 3.0 (Model WIX-T3+) User Manual

Efficient and Safe Charging for Multiple Devices

## 1. PRODUCT OVERVIEW

---

The JACKYLED 4-Port USB Charging Hub (Model WIX-T3+) is designed to efficiently charge multiple electronic devices simultaneously. It features three standard USB-A ports and one Quick Charge 3.0 USB-A port, providing a total output of 36W. Its compact and lightweight design makes it suitable for home, office, and travel use.

# 4-in-1 Fast Charging Station

**36W** Total Output

3\*USB-A: 5V/2.4A Max

1\*QC.3.0: 5V/3.6A Max

Image: The JACKYLED 4-Port USB Charging Hub in use, charging various devices like a tablet, smartwatch, earbuds, and smartphone, demonstrating its multi-device capability and 36W total output.

## Key Features:

- **4 Charging Ports:** Includes 3 standard 5V/0-2.4A USB-A ports and 1 Quick Charge 3.0 USB-A port.
- **Quick Charge 3.0:** Delivers faster charging speeds for compatible devices (5V/3.4A, 9V/2A, 12V/1.5A).
- **Total Output:** Maximum combined output of 36W.
- **Smart Detection:** Automatically detects connected devices to deliver optimal charging current.
- **Safety Protections:** Built-in safeguards against short circuit, over-current, over-voltage, and overheating.

- **Compact Design:** Palm-sized and lightweight for portability.

## 2. PACKAGE CONTENTS

---

Please ensure all items are present upon unboxing:

- 1 x JACKYLED 4-Port USB Charging Hub (Model WIX-T3+)

## 3. SAFETY INFORMATION

---

To ensure safe operation and prevent damage to the device or connected electronics, please observe the following safety guidelines:

- Do not use the charging hub near areas with low ignition points or flammable materials.
- Avoid overloading the charger. If the indicator light blinks, it signifies an overload. Immediately unplug some connected devices to restore normal operation.
- The device incorporates multiple safety features including short circuit, over-current, over-voltage, and overheating protection.
- Do not disassemble or attempt to repair the device yourself. Contact customer support for assistance.
- Keep the device away from water or excessive moisture.

## 4. SETUP

Setting up your JACKYLED charging hub is straightforward:

1. Unpack the charging hub and its power cord.
2. Plug the power cord into a standard 100-240V AC wall outlet.
3. The charging hub is now ready for use.

# Handy Reach

4ft power cord always gets power within reach.

## 5. OPERATING INSTRUCTIONS

---

To charge your devices:

1. Connect your device's USB charging cable to one of the available ports on the JACKYLED charging hub.
2. For devices compatible with Quick Charge 3.0, use the designated QC 3.0 port for faster charging.
3. The charging hub will automatically detect your device and supply the appropriate charging current.

4. Monitor the indicator light. If it blinks, it indicates an overload. Disconnect one or more devices until the light stabilizes.

## 6. MAINTENANCE

To maintain your charging hub in optimal condition:

- Disconnect the power before cleaning.
- Wipe the device with a soft, dry cloth. Do not use liquid cleaners or aerosols.
- Store in a cool, dry place when not in use.

## 7. TROUBLESHOOTING

If you encounter issues with your charging hub, refer to the following:

- **Device not charging:** Ensure the charging hub is properly plugged into a live power outlet. Check if the indicator light is on. Try a different USB cable or port.
- **Slow charging:** Ensure your device and cable support Quick Charge 3.0 if using the QC port. Some devices may charge slower if multiple high-power devices are connected simultaneously.
- **Indicator light blinking:** This indicates an overload. Unplug one or more devices to reduce the load until the light stops blinking and charging resumes normally.
- **Overheating:** If the device feels excessively hot, disconnect it from power and all devices immediately. Ensure proper ventilation and avoid covering the unit.

## 9. WARRANTY INFORMATION

---

The JACKYLED 4-Port USB Charging Hub (Model WIX-T3+) comes with a **1-year warranty** from the date of purchase. This warranty covers manufacturing defects and malfunctions under normal use. It does not cover damage caused by misuse, accidents, unauthorized modifications, or improper installation.

Please retain your proof of purchase for warranty claims.

## 10. CUSTOMER SUPPORT

---

For any questions, technical assistance, or warranty claims regarding your JACKYLED 4-Port USB Charging Hub, please contact our customer support team.

- **US-Based Customer Support:** Our customer service team is available to provide quick and easy-to-follow solutions.

- **Professional Assistance:** Get answers from our technical professionals with extensive knowledge and problem-solving experience.

Please refer to the contact information provided on the product packaging or the official JACKYLED website for the most up-to-date support details.

## ASK A QUESTION ABOUT THIS MANUAL

Ask about setup, troubleshooting, compatibility, parts, safety, or missing instructions. Manuals+ will review the question and use this page's manual context to help answer it.
