Yaheetech Lift Top Coffee Table User Manual

Model: YT-00096420-001

PRODUCT OVERVIEW

This manual provides detailed instructions for the assembly, operation, and maintenance of your Yaheetech Lift Top Coffee Table. Designed for versatility and convenience, this coffee table features a lift-top mechanism, hidden storage, and open shelving, making it a functional addition to any living space.

Key Features:

- Lift-top Design: Adjustable height for comfortable work or dining.
- Hidden Storage Compartment: Concealed space for everyday items.
- Lower Open Shelves: Additional room for storage and display.
- Durable Construction: Crafted from P2 grades MDF boards and robust metal mechanism.

IMPORTANT SAFETY INFORMATION

For your safety, please adhere to the following warnings:

- Do not stand on the tabletop.
- Exercise caution with fingers when lifting or lowering the tabletop to prevent pinching.
- Avoid placing hot containers directly on the tabletop. The use of drink or pot coasters is recommended.

SETUP AND ASSEMBLY

Your Yaheetech Lift Top Coffee Table requires assembly. All necessary hardware and an illustrated instruction manual are included. For optimal assembly, it is recommended to have two people.

Refer to the detailed installation video provided by the manufacturer for step-by-step guidance:

Official Installation Video: This video provides a comprehensive guide to assembling your lift-top coffee table, demonstrating each step clearly.

Assembly Tips:

- Unpack all components and verify against the parts list in the included manual.
- Lay out all hardware and tools for easy access.
- Follow the numbered steps in the instruction manual sequentially.

- Ensure all screws and fasteners are tightened securely, but do not overtighten.

OPERATING INSTRUCTIONS

The lift-top mechanism allows you to easily adjust the height of the tabletop for various uses.

- **To Lift the Tabletop:** Gently pull the tabletop upwards from the front edge. The spring-loaded mechanism will assist in lifting it smoothly and quietly to its elevated position.
- **To Lower the Tabletop:** Apply gentle downward pressure on the tabletop. Guide it back into its closed position, ensuring fingers are clear of the mechanism. The EVA foam pads help prevent slamming and reduce noise.

MAINTENANCE

To ensure the longevity and appearance of your coffee table, follow these maintenance guidelines:

- **Cleaning:** Wipe with a dry cloth for general dusting. For spills or stains, wipe with a damp cloth immediately. Avoid harsh chemicals or abrasive cleaners.
- **Protection:** The table is made from P2 grades MDF boards with a waterproof and scratch-resistant surface. However, using coasters for drinks and hot pads for hot items is recommended to prevent damage.
- **Mechanism Care:** Periodically check the metal adjustment mechanism for smooth operation. If any stiffness occurs, a small amount of silicone-based lubricant can be applied to the moving parts.
- **Stability:** Regularly check all screws and fasteners to ensure they remain tight. Retighten as necessary to maintain stability.

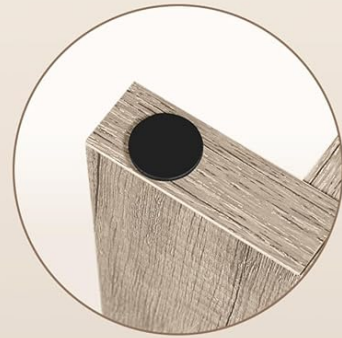

Selected Materials

- ☑ Waterproof
- ☑ Scratch-Resistant
- ☑ Easy to Clean
- ☑ Durable

Image: The tabletop surface, demonstrating its selected materials that are waterproof, scratch-resistant, easy to clean, and durable.

Protective Pads

EVA Foam Pads
Ensure a safe and quiet operation

Foot Pads
Prevent the floor from scratches

Image: Protective EVA foam pads ensure safe and quiet operation of the lift-top, while foot pads prevent floor scratches.

TROUBLESHOOTING

This section addresses common issues you might encounter with your coffee table.

Problem	Possible Cause	Solution
Tabletop is stiff or difficult to lift/lower.	Mechanism may need lubrication or is misaligned.	Apply a small amount of silicone-based lubricant to the moving parts of the lift mechanism. Check for any obstructions.
Table wobbles after assembly.	Screws or fasteners are not fully tightened.	Carefully check and tighten all assembly screws and fasteners. Ensure the table is on a level surface.

Problem	Possible Cause	Solution
Scratches or marks on the surface.	Sharp objects or abrasive cleaning.	Use soft cloths for cleaning. Avoid dragging sharp objects across the surface. Minor scratches may be concealed with furniture polish or markers matching the finish.

SPECIFICATIONS

Attribute	Detail
Brand	Yaheetech
Model Number	YT-00096420-001
Color	Grey
Product Dimensions (L x W x H)	47.5"D x 23.5"W x 24.5"H (lifted) / 19.5"H (collapsed)
Item Weight	67.5 Pounds
