Loudwolf 1 Pound in 4 Bottles

Loudwolf Dextrin Instruction Manual

1 Pound (4 Bottles) - 100% Pure Food Grade Fine Powder

1. Introduction

This manual provides essential information for the safe and effective use of Loudwolf Dextrin. Dextrin is a polysaccharide derived from corn starch, known for its versatility in various applications. This product is supplied as a fine powder, 100% pure and food grade, distributed in four individual bottles, each containing 4 ounces, totaling 1 pound.

2. Product Overview

Loudwolf Dextrin is a high-quality, fine powder dextrin processed from 100% pure corn starch. It contains no added acid treatments or chemicals. Each bottle is made from durable polypropylene plastic, which is translucent, lightweight, and chemically resistant, ensuring product integrity. The screw-top closure is designed to be leakproof, and each bottle is sealed for freshness and safety.

Image 2: A single bottle of Loudwolf Dextrin, highlighting the product label. The label clearly shows the UPC: 0637230032800, CAS#: 9004-53-9, and the official website: www.loudwolf.com.

Image 3: A bottle of Loudwolf Dextrin with a label indicating its food-grade quality and general safety information. It states that its purity meets or exceeds USP and FCC standards.

Image 4: A close-up view of Loudwolf Dextrin as a fine powder, spread on a black plate, demonstrating its texture and color.

3. Preparation for Use

Before using Loudwolf Dextrin, ensure your workspace is clean and dry. Open the shrink-wrapped bottle by twisting the screw-top cap counter-clockwise. Remove the inner seal carefully. Dextrin is a fine powder, so avoid creating excessive dust during handling. Use clean, dry measuring tools for accurate portioning.

4. Usage Instructions

Loudwolf Dextrin is highly versatile and can be used in numerous applications. Always perform small-scale tests to determine the optimal concentration and method for your specific use case.

Common Applications:

- **Food Additive:** Can be used as a crispness enhancer in various food preparations.

- **Candymaking:** Acts as a binding agent or texturizer in confectionery.
- **Binding Agent:** Effective in formulations requiring a cohesive element.
- **Gums & Paper Glues:** Historically used in the production of adhesives.
- **Textile Finishing:** Similar to starch, it can be used in textile applications.
- **Thickening Agent:** Suitable for thickening liquids in cooking and other processes.
- **Pyrotechnic Fuel/Binder:** Used in pyrotechnic compositions as a fuel or binder.
- **Paper Coatings:** Can be incorporated into paper coating formulations.
- **PCB Toner:** Utilized in certain specialized processes.

Note: This substance has hundreds of known uses. It is recommended to conduct your own research regarding its application to your specific purpose to ensure suitability and safety.

5. Maintenance

As a dry powder, Dextrin requires minimal maintenance. Ensure the container is always tightly sealed after each use to prevent moisture absorption and contamination. Keep the exterior of the bottles clean and free from spills.

6. Troubleshooting

Common Issues:

- **Clumping:** If Dextrin becomes clumpy, it is likely due to moisture exposure. Ensure the lid is sealed tightly and store in a dry environment. Clumped dextrin may still be usable, but its consistency might be affected.
- **Contamination:** If the product shows signs of discoloration, unusual odor, or foreign particles, discontinue use immediately.

7. Specifications

Product Name	Loudwolf Dextrin
Total Weight	1 Pound (16 Ounces)
Number of Bottles	4 Plastic Bottles (4 Ounces each)
Texture	Fine Powder
Grade	100% Pure Food Grade
CAS#	9004-53-9
Source Material	Corn Starch
Bottle Material	Polypropylene Plastic
Manufacturer	Loudwolf Industrial & Scientific

8. Safety Information

- **General Handling:** Avoid inhalation of fine powder. Use in a well-ventilated area.
- **Eye Contact:** In case of contact with eyes, rinse immediately with plenty of water and seek medical advice if

irritation persists.

- **Skin Contact:** Wash skin with soap and water.
- **Ingestion:** While food grade, excessive ingestion should be avoided. If large quantities are ingested, seek medical attention.
- **Keep Out of Reach:** Store away from children and pets.

9. Storage

Store Loudwolf Dextrin in a cool, dry place, away from direct sunlight and moisture. Ensure the bottle caps are tightly sealed to prevent humidity from affecting the powder's consistency. Do not store near incompatible materials or strong odors.

10. Disposal

Dispose of unused product and packaging in accordance with local regulations. The polypropylene bottles are generally recyclable. Consult your local waste management facility for specific guidelines.

11. Warranty and Support

Loudwolf Industrial & Scientific stands by the quality of its products. For specific warranty information or support inquiries, please refer to the manufacturer's official website or contact their customer service directly. No explicit warranty details are provided within this manual.
