4. MAINTENANCE AND CARE

Proper maintenance is crucial for preserving the appearance and lifespan of your cutlery set. The BERGNER Livorno Collection is made from stainless steel and is designed to be stain-resistant and dishwasher safe.

4.1 Dishwasher Cleaning

While the cutlery is dishwasher safe, certain precautions should be taken:

- Load cutlery with handles down in the basket to ensure thorough cleaning of the eating surfaces. Knives should be placed with blades down for safety.
- Avoid overcrowding the dishwasher basket.
- Use a mild dishwasher detergent. Avoid harsh chemicals or abrasive cleaners.
- Remove cutlery promptly after the wash cycle is complete and dry by hand with a soft cloth to prevent water spots, especially on the gold finish.
- Do not leave cutlery soaking in water for extended periods, as this can lead to discoloration or corrosion over time.

4.2 Hand Washing

For best results and to prolong the life of the gold finish, hand washing is recommended.

- Wash immediately after use to prevent food residues from drying on the surface.
- Use warm water and a non-abrasive sponge or cloth with mild dish soap.
- Rinse thoroughly under running water.
- Dry immediately and completely with a soft, lint-free towel.

5. TROUBLESHOOTING

This section addresses common concerns regarding stainless steel cutlery.

Problem	Possible Cause	Solution
