

Brigii Y120Pro

Brigii Mini Handheld Vacuum Y120Pro

Model: Y120Pro

Brand: Brigii

1. SAFETY INSTRUCTIONS

Please read all instructions carefully before using the Brigii Mini Handheld Vacuum Y120Pro. Keep this manual for future reference.

- Do not use the appliance near water or in wet conditions.
- Keep hair, loose clothing, fingers, and all parts of the body away from openings and moving parts.
- Do not pick up flammable or combustible liquids, such as gasoline, or use in areas where they may be present.
- Do not pick up anything that is burning or smoking, such as cigarettes, matches, or hot ashes.
- Use only as described in this manual. Use only manufacturer's recommended attachments.
- Do not use with a damaged cord or plug. If appliance is not working as it should, has been dropped, damaged, left outdoors, or dropped into water, return it to a service center.
- Unplug from outlet when not in use and before servicing.
- This appliance is for household use only.

2. PRODUCT OVERVIEW

The Brigii Mini Handheld Vacuum Y120Pro is a versatile 3-in-1 device designed for convenience and efficiency. It functions as a powerful mini vacuum cleaner, an effective air duster, and a practical hand pump for vacuum storage bags.

Key Features:

- **3-in-1 Functionality:** Vacuum, Air Duster, and Hand Pump.
- **Compact and Lightweight:** Measures 8.5 inches in length with a 2.6-inch diameter and weighs only 1 pound, making it easy to handle and store.
- **Strong Suction:** Equipped with an 80W motor providing over 4Kpa of cyclone suction.
- **Long Battery Life:** Built-in 2500 mAh lithium battery offers extended runtime and fully charges in 3-4 hours.

- **Washable HEPA Filter:** Easy to empty, replace, and clean, meeting High Efficiency Particulate Air standards.

Included Components:

- Brigii Mini Handheld Vacuum Y120Pro Unit
- 2-in-1 Brush Nozzle
- Hose Nozzle
- Vacuum Slot (for hand pump function)
- Storage Bag
- USB Charging Cable

3. SETUP

Charging the Device:

1. Locate the USB charging port on the device.
2. Connect the provided USB charging cable to the device and a compatible USB power source (e.g., computer, wall adapter).
3. The indicator light will show charging status (refer to device for specific light behavior).
4. A full charge typically takes 3-4 hours. Ensure the device is fully charged before first use for optimal battery life.

USB Rechargeable Reliable lithium battery technology

500 charge cycles tests, Quick charge for 3-4 hours

Attaching Accessories:

- For vacuuming, attach the desired nozzle (brush or flat) to the suction end of the device.
- For air dusting, attach the appropriate nozzle to the blowing end of the device.
- For the hand pump function, attach the vacuum slot accessory to the suction end of the device.

4. OPERATING INSTRUCTIONS

Power On/Off:

Press the power button located on the device to turn it on. Press again to turn it off.

Image: A hand pressing the power button on the Brigii Mini Handheld Vacuum, indicating its simple operation.

Using as a Vacuum Cleaner:

1. Ensure the desired nozzle (e.g., brush nozzle for general cleaning, flat nozzle for crevices) is securely attached to the suction end.
2. Turn on the device.
3. Direct the nozzle towards the area to be cleaned. The compact size is ideal for car interiors, keyboards, and tight spaces.
4. After use, turn off the device and proceed to maintenance.

Image: The Brigii Mini Handheld Vacuum Y120Pro being used to clean the console area of a car, highlighting its effectiveness in small spaces.

Using as an Air Duster:

1. Attach the appropriate nozzle to the blowing end of the device.
2. Turn on the device.
3. Use the powerful airflow to blow dust from keyboards, camera lenses, or other delicate surfaces.

Four Crevice Tools

Designed for small spaces and crevices cleaning

Using as a Hand Pump:

1. Attach the vacuum slot accessory to the suction end of the device.
2. Place the vacuum slot over the valve of a compatible vacuum storage bag.
3. Turn on the device to remove air from the bag, compressing its contents.

5. MAINTENANCE

Emptying the Dust Container:

1. Ensure the device is turned off.
2. Twist or unlatch the dust container from the main body of the vacuum.
3. Carefully empty the collected debris into a trash receptacle.

Image: A hand holding the dust container of the Brigii Mini Handheld Vacuum, with dust being emptied from it, demonstrating the ease of disposal.

Cleaning the HEPA Filter:

1. Remove the HEPA filter from the dust container.
2. Tap the filter gently to dislodge loose dust.
3. Rinse the filter under cool running water until clean. Do not use soap or detergents.
4. Allow the filter to air dry completely (at least 24 hours) before reinserting it into the dust container and reattaching to the vacuum. Using a wet filter can damage the device.

Washable HEPA Filter

Antibacterial & Reusable

6. TROUBLESHOOTING

Problem	Possible Cause	Solution

Problem	Possible Cause	Solution
Device does not turn on.	Battery is depleted.	Charge the device fully (3-4 hours).
Reduced suction power.	Dust container is full.	Empty the dust container.
Reduced suction power.	Filter is clogged or wet.	Clean and thoroughly dry the HEPA filter. Replace if damaged.
Device overheats during use.	Prolonged continuous operation.	Allow the device to cool down for 10-15 minutes before resuming use. Avoid continuous operation for extended periods.
Device not charging.	Faulty USB cable or power source.	Try a different USB cable and/or power adapter. Ensure the connection is secure.

7. SPECIFICATIONS

Feature	Detail
Brand	Brigii
Model Name	3 in 1 Mini Vacuum (Y120Pro)
Special Feature	Portable, Lightweight, Cordless, Compact
Filter Type	HEPA Filter
Power Source	Battery Powered (Cordless)
Battery Type	Lithium-Ion (2 included)
Capacity	1 Pounds
Wattage	80 watts
Runtime	15 minutes
Charging Time	4 Hours
Product Dimensions	8.46" L x 2.56" W x 2.56" H
Item Weight	1 pounds
Noise Level	75 dB
Connectivity Technology	USB
Recommended Uses	Indoor
