Zinus Lorelai Metal Platform Bed Frame Instruction Manual

Model: EU-SMPB-14C (140 x 200 cm, 36 cm Height)

INTRODUCTION

Thank you for choosing the Zinus Lorelai Metal Platform Bed Frame. This manual provides essential information for the safe assembly, operation, and maintenance of your new bed frame. Please read these instructions carefully before beginning assembly and retain them for future reference.

The Lorelai Metal Platform Bed Frame features a modern, minimalist design with a robust steel frame and metal slats, providing stable support for various mattress types. It also offers convenient under-bed storage space.

SAFETY WARNINGS

- **Weight Capacity:** Do not exceed a total weight of 318 kg (700 lbs) for all sizes except single, which has a maximum capacity of 159 kg (350 lbs).
- **Assembly:** Follow all assembly instructions carefully to prevent instability or collapse. Ensure all bolts and screws are securely tightened before use.
- **Children:** Keep small parts away from children during assembly. This product is not intended for use by children without adult supervision.
- **Placement:** Place the bed frame on a flat, level surface.
- **Mattress Compatibility:** This frame is designed to support latex, memory foam, or spring mattresses directly without the need for a box spring.

PACKAGE CONTENTS

Before assembly, verify that all components are present. All necessary tools and hardware are included in the compact shipping carton.

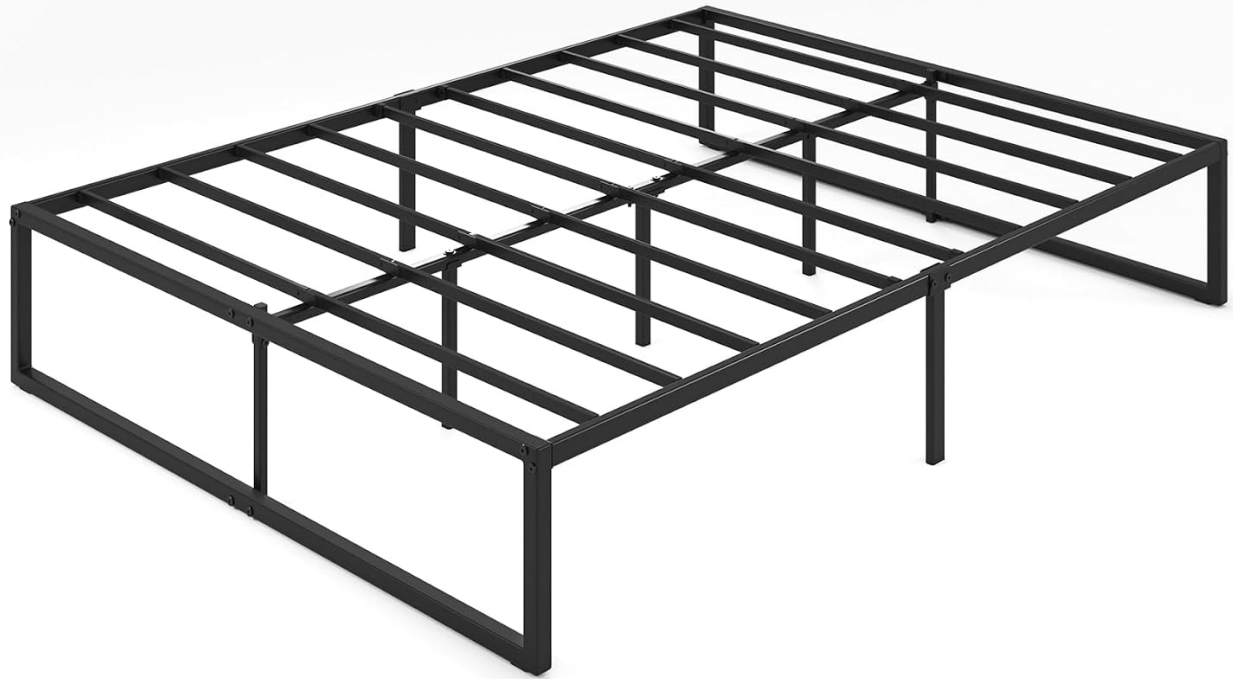

Image Description: An overhead view showing all the metal frame components and hardware for the Zinus Lorelai bed frame neatly organized within a single compact cardboard box, ready for assembly.

If any parts are missing or damaged, please contact Zinus customer support immediately.

SETUP AND ASSEMBLY INSTRUCTIONS

Assembly of the Zinus Lorelai bed frame is designed to be straightforward and can typically be completed in under an hour with the assistance of another person. All required tools and step-by-step instructions are provided.

1. **Unpack:** Carefully unpack all components from the shipping carton. Lay them out on a clean, soft surface to prevent scratches.
2. **Identify Parts:** Refer to the included instruction manual to identify each part. Components are often numbered for easy matching.
3. **Assemble Frame:** Follow the step-by-step diagrams to connect the main frame sections using the provided bolts and the practical ratchet tool. Ensure all connections are secure.
4. **Install Slats:** Attach the metal slats to the frame. The interlocking design ensures stability.
5. **Final Tightening:** Once all parts are assembled, double-check and securely tighten all bolts. Do not overtighten.

Alles was Sie brauchen, ist in Einer kleinen Box

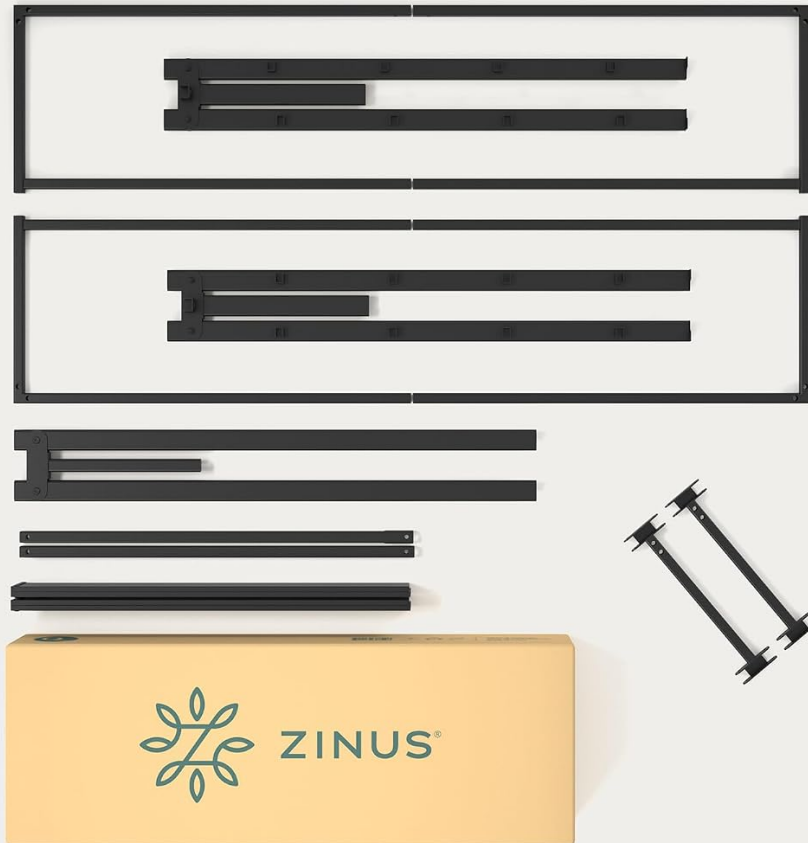

Image Description: A graphic illustrating the ease of assembly for the Zinus bed frame. It shows three circular icons: a stopwatch indicating quick assembly, a hand holding a ratchet tool, and numbered circles representing matching parts for simplified construction.

OPERATING INSTRUCTIONS (USAGE)

Once assembled, your Zinus Lorelai bed frame is ready for use.

- **Mattress Placement:** Place your mattress directly onto the metal slats. No box spring is required.
- **Under-Bed Storage:** The 36 cm height of the frame provides approximately 31 cm of clearance underneath, ideal for storing boxes, containers, or other items.

Image Description: An angled view of the Zinus Lorelai bed frame in a room setting, illustrating the generous under-bed storage space. Blue storage boxes are placed beneath the frame, and a measurement of 33.5 cm indicates the clearance height.

MAINTENANCE

To ensure the longevity and optimal performance of your Zinus Lorelai bed frame, follow these maintenance guidelines:

- **Regular Inspection:** Periodically check all bolts and connections to ensure they remain tight. Re-tighten if necessary.
- **Cleaning:** Wipe the metal frame with a soft, damp cloth. Avoid using harsh chemicals or abrasive cleaners, as these can damage the finish.
- **Avoid Excessive Weight:** Do not place excessive or uneven weight on the frame, as this can cause structural damage.
- **Mattress Rotation:** Regularly rotate your mattress according to the mattress manufacturer's recommendations to ensure even wear and support.

TROUBLESHOOTING

If you encounter any issues with your Zinus Lorelai bed frame, refer to the following common solutions:

Problem	Possible Cause	Solution
Squeaking noises	Loose bolts or connections.	Check and tighten all bolts and screws. Ensure the frame is on a level surface.
Frame feels unstable	Incomplete assembly or loose connections.	Review assembly instructions and ensure all parts are correctly installed and tightened. Verify the frame is on a flat surface.
Mattress sags between slats	Mattress not suitable for slat support or too thin.	Ensure your mattress is designed for platform bed use. Consider adding a bunkie board or plywood sheet for additional support if needed.

If the problem persists after attempting these solutions, please contact Zinus customer support.

SPECIFICATIONS

- **Brand:** Zinus
- **Model Number:** EU-SMPB-14C (also 841550300055)
- **Color:** Black
- **Material:** Metal
- **Product Dimensions (L x W x H):** 200 x 140 x 35.6 cm
- **Under-Bed Clearance:** Approximately 31 cm
- **Item Weight:** 16.9 Kilograms
