Navaris Elevated Pet Food and Water Bowl Set - Ceramic Bowls with Wooden Stands

Model: 50946.80_m000676

INTRODUCTION

Thank you for choosing the Navaris Elevated Pet Food and Water Bowl Set. This set is designed to provide a comfortable and hygienic feeding solution for your beloved pets, including dogs and cats. The elevated design helps promote better posture during eating, reducing strain on your pet's neck and joints, while the ceramic bowls are easy to clean and suitable for various types of food and water.

This manual provides essential information for the proper setup, operation, and maintenance of your new pet bowl set.

SETUP INSTRUCTIONS

Follow these simple steps to set up your Navaris pet bowl set:

1. **Unpack Components:** Carefully remove all items from the packaging. You should have two ceramic bowls and two wooden stands.
2. **Inspect for Damage:** Before assembly, check all components for any signs of damage. If any parts are damaged, do not proceed with assembly and contact customer support.
3. **Assemble Bowls and Stands:** Place each ceramic bowl securely onto its corresponding wooden stand. The bowls are designed to fit snugly into the recessed area of the stands.
4. **Positioning:** Choose a stable, flat surface for the pet bowls, away from high-traffic areas to prevent accidental spills.

MODERN DESIGN

Each ceramic cat bowl sits in its own stylish oak stand, raising the dish closer to your pet for more comfortable eating

OPERATING INSTRUCTIONS

Using your Navaris pet bowls is straightforward:

1. **Fill Bowls:** Fill one ceramic bowl with fresh water and the other with your pet's dry food, wet food, or treats.
2. **Monitor Consumption:** Regularly check the bowls and refill as needed to ensure your pet always has access to food and water.
3. **Observe Pet:** Ensure your pet is comfortable using the elevated bowls. The design is intended to improve eating posture.

MAINTENANCE AND CLEANING

Proper maintenance ensures the longevity and hygiene of your pet bowls:

- **Ceramic Bowls:** We recommend washing the ceramic dishes by hand using warm water and mild dish soap. Rinse thoroughly to remove all soap residue. Allow to air dry or dry with a clean cloth. The ceramic bowls are not suitable for dishwashers.
- **Wooden Stands:** The wooden stands are not dishwasher safe. Clean them with a damp cloth and mild soap if necessary. Wipe dry immediately to prevent water damage or warping. Do not soak the wooden stands in water.
- **Regular Cleaning:** Clean the bowls daily, especially if used for wet food, to prevent bacterial growth and maintain hygiene.

TROUBLESHOOTING

Here are some common issues and solutions:

- **Pet Hesitation:** If your pet is hesitant to use the new elevated bowls, try placing a small amount of their favorite food or treats in them to encourage use. Allow them time to adjust to the new feeding height.
- **Bowls Sliding:** Ensure the bowls are properly seated in the wooden stands. The stands themselves are designed to be stable on flat surfaces. If sliding occurs on very smooth floors, consider placing a non-slip mat underneath the stands.
- **Water Spills:** Some pets may be messy drinkers. Consider placing a waterproof mat under the bowls to catch any spills and protect your floor.
