Marantz PM-25

Marantz PM-25 Stereo Amplifier User Manual

Model: PM-25

INTRODUCTION

The Marantz PM-25 is a powerful and high-fidelity stereo amplifier designed to deliver exceptional audio performance. This manual provides essential information for setting up, operating, and maintaining your PM-25 amplifier to ensure optimal performance and longevity.

Front view of the Marantz PM-25 Stereo Amplifier, showcasing its controls including Bass, Treble, Volume, Input Selector, and Power button. The unit features a black finish with gold lettering.

SETUP

Unpacking and Placement

- Carefully remove the amplifier from its packaging.
- Place the amplifier on a stable, level surface with adequate ventilation. Avoid placing it near heat sources or in direct sunlight.
- Ensure there is sufficient space around the unit for proper airflow.

Connecting Speakers

The PM-25 supports connection for one pair of speakers.

1. Connect the positive (+) terminal of your speaker to the positive (+) speaker output terminal on the amplifier.
2. Connect the negative (-) terminal of your speaker to the negative (-) speaker output terminal on the amplifier.
3. Ensure all connections are secure to prevent short circuits.

Connecting Audio Sources

The amplifier provides multiple input options:

- **Phono:** For connecting a turntable.
- **CD:** For connecting a CD player.
- **Tuner:** For connecting a radio tuner.
- **TV/AUX:** For connecting a television or other auxiliary audio devices.
- **DAT/Tape Monitor:** For connecting a DAT recorder or tape deck for recording and monitoring.
- **DAT/Tape:** For connecting a second DAT recorder or tape deck.

Use appropriate RCA cables to connect your audio sources to the corresponding input jacks on the rear panel of the amplifier.

Power Connection

Once all audio and speaker connections are made, connect the power cord to the amplifier and then to a suitable AC power outlet.

OPERATING INSTRUCTIONS

Front Panel Controls

- **Power Button:** Located on the front left, press to turn the amplifier on or off.
- **Phones Jack:** A 3.5 mm jack for connecting headphones. When headphones are connected, speaker output is typically muted.
- **Bass Control:** Adjusts the low-frequency response. Turn clockwise to increase bass, counter-clockwise to decrease.
- **Treble Control:** Adjusts the high-frequency response. Turn clockwise to increase treble, counter-clockwise to decrease.
- **Tone Control:** This section includes Bass and Treble controls.
- **Tone Defeat Button:** Bypasses the Bass and Treble tone control circuits for a flatter, more direct audio path. Press to activate/deactivate.
- **Selector Knob:** Used to select the desired audio input source (Phono, CD, Tuner, TV/AUX, DAT/Tape).
- **Volume Knob:** Adjusts the overall output volume level. Turn clockwise to increase volume, counter-clockwise to decrease.
- **Balance Knob:** Adjusts the relative volume between the left and right channels. Turn left to increase left channel volume, right to increase right channel volume.
- **CD Direct Button:** Provides a direct signal path from the CD input, bypassing certain processing circuits for purer audio quality.
- **DAT/Tape Monitor Button:** Engages the monitor function for the connected DAT or tape deck, allowing you to listen to the source being recorded.

Basic Operation Sequence

1. Ensure all connections are secure.
2. Turn the Volume knob to its minimum setting.

3. Press the **Power** button to turn on the amplifier.
4. Use the **Selector** knob to choose your desired audio source (e.g., CD, Tuner).
5. Start playback on your selected audio source.
6. Slowly turn the **Volume** knob clockwise to achieve the desired listening level.
7. Adjust **Bass**, **Treble**, and **Balance** as needed for your preferred sound.

MAINTENANCE

Cleaning

- Disconnect the power cord before cleaning.
- Wipe the exterior surfaces with a soft, dry cloth.
- For stubborn marks, use a slightly damp cloth with a mild, non-abrasive cleaner, then wipe dry immediately.
- Do not use harsh chemicals, solvents, or abrasive cleaning pads.

Ventilation

Ensure that the ventilation openings on the amplifier are not blocked. Proper airflow is crucial to prevent overheating and ensure long-term reliability.

Storage

If storing the amplifier for an extended period, disconnect it from power, clean it, and store it in a cool, dry place away from direct sunlight and extreme temperatures.

TROUBLESHOOTING

Problem	Possible Cause	Solution
No power	Power cord not connected; Power outlet faulty; Amplifier fuse blown.	Check power cord connection; Try a different outlet; Consult a qualified technician for fuse replacement.
No sound	Incorrect input selected; Volume too low; Speaker cables disconnected/incorrectly wired; Headphones connected.	Select correct input with Selector knob; Increase Volume; Check speaker connections; Disconnect headphones.
Distorted sound	Volume too high; Speaker impedance mismatch; Damaged speaker cables.	Reduce Volume; Ensure speakers match amplifier impedance; Inspect and replace damaged cables.
Humming or buzzing noise	Ground loop; Loose connections; Interference from other electronics.	Ensure proper grounding; Check all cable connections; Move amplifier away from other electronic devices.

If the problem persists after attempting these solutions, please contact Marantz customer support or a qualified service technician.

SPECIFICATIONS

- **Model:** PM-25
- **Brand:** Marantz

- **Item Weight:** 8 Kilograms
- **Connectivity Technology:** Auxiliary
- **Controller Type:** Push Button
- **Compatible Devices:** Televisions, Speakers
- **Connector Type:** 3.5 mm Jack (for headphones)
- **Audio Output Mode:** Stereo
- **Surround Sound Channel Configuration:** 2.0
- **Color:** Black
- **Number of Channels:** 2
- **Audio Output Mode:** Headphones, Speakers
- **Input Options:** Phono, CD, Tuner, TV/AUX, DAT/Tape Monitor, DAT/Tape

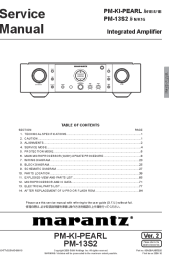

WARRANTY AND SUPPORT

For information regarding warranty coverage, service, or technical support for your Marantz PM-25 amplifier, please refer to the warranty card included with your product or visit the official Marantz website. Keep your proof of purchase for warranty claims.
