

P PURLOVE B087X6BHP3

P PURLOVE Twin Size Daybed with Trundle Instruction Manual

Model: B087X6BHP3

INTRODUCTION

This manual provides detailed instructions for the assembly, operation, and maintenance of your P PURLOVE Twin Size Daybed with Trundle. Please read all instructions carefully before beginning assembly and retain this manual for future reference. This daybed is designed to offer a versatile sleeping and seating solution, featuring a main twin bed and a pull-out trundle bed for additional sleeping space.

SAFETY INFORMATION

Failure to follow these safety instructions could result in serious injury or property damage.

- Do not allow children to play on or around the daybed without adult supervision.
- Remove all bedding and soft objects from the sleeping area when not in use to prevent entrapment and suffocation hazards, especially for young children.
- Do not exceed the maximum weight limit of **250 pounds** for both the daybed and the trundle bed.
- Always follow the assembly instructions carefully to ensure the daybed is properly constructed and stable.
- Regularly check all bolts and fasteners to ensure they are tight. Retighten as necessary.
- Do not use this product if any parts are missing, damaged, or broken. Contact customer support for replacement parts.

PACKAGE CONTENTS

Verify that all components are present before beginning assembly. If any parts are missing or damaged, do not proceed with assembly. Contact customer support immediately.

- Daybed Frame Components (Headboard, Footboard, Side Rails)
- Trundle Bed Frame Components
- Wood Slats for Daybed and Trundle
- Hardware Pack (Bolts, Screws, Washers, Allen Wrench)
- Instruction Manual

SETUP AND ASSEMBLY

Before You Begin

- Clear a spacious area for assembly.
- Ensure you have the included Allen wrench and a Phillips head screwdriver (not included).
- Keep all hardware out of reach of small children.
- It is recommended that two adults assemble this product.

Assembly Steps

1. **Unpack and Identify Parts:** Carefully remove all components from the packaging. Lay them out on a soft, clean surface to prevent scratches. Identify each part using the provided parts list in your separate assembly guide.
2. **Assemble Daybed Sides:** Attach the side rails to the headboard and footboard using the provided bolts and Allen wrench. Do not fully tighten bolts until all components are aligned.
3. **Install Daybed Slats:** Place the wood slats across the daybed frame. Secure them in place according to the assembly guide. Ensure even spacing for proper mattress support.
4. **Assemble Trundle Frame:** Construct the trundle bed frame following the specific instructions in your assembly guide. This typically involves attaching the trundle sides and ends.
5. **Install Trundle Slats:** Secure the wood slats onto the trundle frame, ensuring they are evenly spaced and firmly attached.
6. **Attach Trundle Wheels:** Fasten the wheels to the bottom of the trundle frame. Ensure they are securely attached for smooth operation.
7. **Final Tightening:** Once all parts are assembled and aligned, fully tighten all bolts and screws. Do not overtighten.

Figure 3: Detail of the trundle bed's caster wheel, designed for easy pull-out and retraction.

OPERATING INSTRUCTIONS

Using the Daybed

The main daybed functions as a standard twin-size bed or a comfortable sofa. Place a twin-size mattress (not included) directly onto the wooden slats. Ensure the mattress fits securely within the frame.

Using the Trundle Bed

The trundle bed provides an additional sleeping surface. To use the trundle:

1. Gently pull the trundle frame out from under the main daybed. The wheels will facilitate smooth movement.
2. Place a twin-size mattress (not included) onto the trundle's wooden slats. Note that the trundle typically accommodates a thinner mattress than the main daybed.
3. To retract, remove the mattress if necessary, and push the trundle back under the daybed until it is fully stored.

Figure 4: Daybed with the trundle bed fully extended, ready for use.

Figure 5: Daybed with the trundle bed retracted, optimizing room space.

MAINTENANCE

Proper care will extend the life of your daybed.

- **Cleaning:** For general cleaning, wipe the wood surfaces with a soft, dry cloth. For deeper cleaning, use a slightly damp cloth and mild soap, then dry immediately. Avoid harsh chemicals or abrasive cleaners.
- **Product Care Instructions:** The manufacturer recommends *Dry Clean Only* for any fabric components, though this product is primarily wood. For the wood frame, follow the cleaning instructions above.
- **Hardware Check:** Periodically inspect all bolts, screws, and connections to ensure they remain tight. Retighten as needed to maintain stability and safety.
- **Avoid Excessive Moisture:** Protect the wood from prolonged exposure to moisture or direct sunlight to prevent warping or fading.

TROUBLESHOOTING

If you encounter any issues with your daybed, refer to the following common problems and solutions:

- **Squeaking Noises:** Tighten all bolts and screws. Ensure the slats are properly seated and secured.
- **Trundle Not Sliding Smoothly:** Check the trundle wheels for any obstructions or damage. Ensure the wheels are clean and free of debris. Verify that the trundle frame is properly aligned.
- **Instability/Wobbling:** Ensure all assembly steps were followed correctly and all hardware is fully tightened. Check that the daybed is placed on a flat, even surface.
- **Missing Parts:** If you discover missing parts during assembly, do not attempt to substitute them. Contact customer support for replacements.

SPECIFICATIONS

Figure 6: Approximate dimensions of the daybed and trundle.

Feature	Detail
Model Number	B087X6BHP3
Size	Twin
