Logitech M510

Logitech M510 Wireless Mouse Instruction Manual

Model: M510 | Brand: Logitech

PRODUCT OVERVIEW

The full-size Logitech Wireless Mouse M510 provides enhanced control and comfort for laptop and PC users. Its ergonomic design with contoured shape and soft rubber grips ensures support for extended use. This mouse features three standard buttons, plus programmable Back/Forward buttons for efficient application switching and full-screen navigation. Side-to-side scrolling and zoom functionality allow for versatile horizontal and vertical navigation through various content types.

Key Features

- **Extended Battery Life:** Up to 2 years of battery life, with an On/Off switch and smart sleep mode to conserve power.

- **Logitech Unifying Receiver:** A tiny USB receiver that stays in your laptop, allowing easy addition of compatible wireless mice or keyboards.

- **Battery Indicator Light:** Top-mounted indicator to prevent unexpected power loss.

- **Ergonomic Comfort:** Contoured shape with soft rubber grips, gently curved sides, and a broad palm area for all-day support.

- **Programmable Controls:** Three standard buttons plus customizable Back/Forward buttons for enhanced productivity, including application switching and full-screen mode.

- **Versatile Scrolling:** Side-to-side scrolling and zoom for horizontal and vertical navigation.

- **Broad Compatibility:** Compatible with Windows 10, 11 or later, Linux, and Chrome OS.

The Logitech M510 Wireless Mouse with its compact Unifying Receiver.

SETUP

Package Contents

- Logitech Unifying receiver
- 2 AA batteries

Battery Installation

The Logitech M510 mouse comes with two AA batteries included. To install or replace batteries:

1. Flip the mouse over to reveal the battery compartment on the underside.

2. Slide the battery compartment cover off.

3. Insert the two AA batteries, ensuring correct polarity (+/-).

4. Replace the battery compartment cover.

OPERATING YOUR LOGITECH M510 MOUSE

Ergonomic Design

The Logitech M510 is designed for comfort, allowing your hand to relax hour after hour. Its contoured shape with soft rubber grips and gently curved sides provides excellent support.

FULL-SIZE COMFORT

The ergonomic design ensures comfortable use for extended periods.

Button Functions

The M510 features multiple buttons for enhanced control:

- **Left/Right Click:** Standard mouse functions.
- **Scroll Wheel:** For vertical scrolling.
- **Programmable Back/Forward Buttons:** Located on the side, these buttons can be customized to switch applications, go full screen, or perform other functions.

CONTROLS THAT DO MORE

The M510 offers customizable controls for increased productivity.

Side-to-Side Scrolling and Zoom

The scroll wheel also supports side-to-side scrolling and zoom functionality, allowing you to navigate horizontally through documents, web pages, and images with ease.

SOFT RUBBER GRIPS & WHEEL

Soft rubber grips and a versatile scroll wheel enhance usability.
