SAFETY INFORMATION

Always assemble the desk on a stable, level surface. Ensure all parts are securely fastened and use appropriate hardware for anchoring to the wall or floor to prevent tipping. Do not place heavy objects on the desk that could cause it to tip over. Always follow the assembly instructions carefully to ensure the safety and stability of the desk.

ASSEMBLY INSTRUCTIONS

Assembly of this desk requires careful attention to detail. It is recommended to have a second person assist with certain steps, especially when handling larger components. All necessary materials, hardware, and detailed assembly instructions are included with your product. Please sort all parts before beginning.

Identifying Drawer Rails

Before installing drawers, it is important to correctly identify the different types of rails. Refer to the video below for guidance on distinguishing between cabinet and drawer rails, and left and right orientations.

Assembling Cam and Dowel Connections

The desk utilizes cam and dowel fasteners for secure connections. Ensure the cam dowels are fully inserted and the hidden cams are aligned correctly before tightening. Turn the cam 210 degrees to lock the connection firmly.

Drawer Slide Separation and Insertion

To install the drawers, you must first separate the slides from the extension rails. Once separated, the inner cartridge can be clicked into place against the black tab. The video below demonstrates this process for both insertion and removal of drawers.

OPERATING INSTRUCTIONS

The Sauder Edge Water L-Shaped Corner Desk is designed for efficient daily use.

- **Drawers:** The desk includes a small storage drawer and a file drawer with full extension slides. These drawers operate smoothly for easy access to your items. The file drawer is designed to hold letter or European size hanging files.
- **Open Shelf:** A lower open shelf provides additional storage space for books, decorative items, or other office essentials.
- **Cord Management:** Desktop grommets are integrated into the design to help manage and conceal cables, keeping your workspace tidy.

MAINTENANCE

To maintain the appearance and longevity of your desk, regular cleaning is recommended.

- **Cleaning:** Dust the desk regularly with a soft, dry cloth. For spills or stains, use a gentle cleaner specifically designed for furniture surfaces and wipe immediately with a clean cloth. Avoid abrasive cleaners or harsh chemicals.
- **Hardware Check:** Periodically check all screws and fasteners to ensure they remain tight. Tighten any loose hardware to maintain the desk's stability.
- **Avoid Excessive Weight:** Do not exceed the maximum weight recommendation of 55 pounds on the desk surface or in the drawers to prevent damage.

TROUBLESHOOTING

If you encounter issues during assembly or use, consider the following:

- **Assembly Difficulty:** If assembly seems challenging, re-read the instructions carefully and review the assembly videos. Ensure all parts are correctly identified and oriented. Having a second person assist can significantly ease the process.
- **Loose Connections:** If any part feels wobbly after assembly, check that all cam locks are turned 210 degrees to their locked position and all screws are tightened.
- **Drawer Issues:** If drawers do not slide smoothly, ensure the drawer slides are correctly separated from the extension rails and properly installed. Refer to the drawer slide video for detailed guidance.
- **Missing Parts:** If any parts are missing or damaged, contact Sauder customer support for replacement parts.
