3. Setup

The Fila Panache Sneakers are ready for use directly out of the packaging.

Initial Fit Check:

1. Unlace the sneakers sufficiently to allow your foot to slide in comfortably.
2. Insert your foot, ensuring your heel is seated firmly against the back of the shoe.
3. Adjust the laces to achieve a snug, yet comfortable fit. Ensure the laces are not too tight, which could restrict circulation, or too loose, which could cause the foot to slide.

4. Walk a few steps to confirm comfort and proper fit. Your toes should have a small amount of space at the front of the shoe.

4. Operating Instructions

These sneakers are designed for casual wear and light activity.

Usage Guidelines:

- Wear appropriate socks to enhance comfort and manage moisture.
- Avoid prolonged exposure to extreme weather conditions (e.g., heavy rain, snow) as the sneakers are not water resistant.
- For optimal comfort and longevity, rotate your footwear, allowing shoes to air out between uses.

5. Maintenance

Proper care will extend the life and appearance of your Fila Panache Sneakers.

Cleaning:

- For general cleaning, wipe the surface with a damp cloth and mild soap.
- For stubborn dirt on the rubber sole, a soft brush can be used.
- Allow sneakers to air dry completely at room temperature, away from direct heat or sunlight.
- Do not machine wash or tumble dry.

Storage:

- Store sneakers in a cool, dry place away from direct sunlight.
- If storing for extended periods, consider using shoe trees to maintain shape.
