Sembo Block 701114

Sembo Block Scooter Building Set Model 701114 Instruction Manual

Brand: Sembo Block | Model: 701114

INTRODUCTION

Welcome to the instruction manual for your Sembo Block Scooter Building Set, Model 701114. This manual provides detailed guidance on assembling your model, understanding its features, and ensuring its proper care. Please read all instructions carefully before beginning assembly.

Safety Warning:

This product contains small parts and is not suitable for children under 3 years due to choking hazards. Adult supervision is recommended during assembly.

PACKAGE CONTENTS

Before you begin, please verify that all components are present in your package. The Sembo Block Scooter Building Set Model 701114 includes:

- 256 building block pieces
- One instruction booklet

If any parts are missing or damaged, please refer to the Customer Support section for assistance.

model on the front.

ASSEMBLY INSTRUCTIONS

Follow these steps carefully to assemble your Sembo Block Scooter Model 701114. It is recommended to sort your pieces by color and type before starting.

1. Begin by constructing the base of the scooter, ensuring all connections are firm.
2. Proceed to build the main body and engine components, following the numbered steps in your instruction booklet.
3. Assemble the wheels and attach them to the main body. Ensure they can rotate freely.
4. Construct the handlebars and attach them to the front fork assembly.
5. Add decorative elements and smaller details to complete the model.

Image: This image displays three key assembly steps. The first shows the scooter body being lowered onto a black display base. The second illustrates the rotation of the handlebar assembly. The third highlights the articulation of the rear seat or storage compartment.

Always ensure pieces are securely connected to prevent the model from falling apart. If a piece does not fit, double-check its orientation and the previous steps.

MODEL FEATURES AND INTERACTION

Once assembled, your Sembo Block Scooter Model 701114 features several interactive elements:

- **Rotating Wheels:** The front and rear wheels are designed to rotate, allowing for display in various positions.
- **Movable Handlebars:** The handlebars can be turned left and right, simulating steering.
- **Articulated Seat/Storage:** The rear section, representing a seat or storage compartment, may have limited articulation as shown in the assembly steps.

CARE AND MAINTENANCE

To ensure the longevity and appearance of your Sembo Block Scooter Model 701114, follow these simple care guidelines:

- Cleaning:** Gently dust the model regularly with a soft, dry cloth or a soft brush. For more stubborn dirt, lightly dampen a cloth with water (no harsh chemicals) and wipe carefully.
- Storage:** Store the model in a cool, dry place away from direct sunlight to prevent discoloration and material degradation. Avoid extreme temperatures.
- Handling:** Handle the model with care to avoid accidental disassembly of smaller parts.

TROUBLESHOOTING COMMON ISSUES

If you encounter any issues during or after assembly, refer to the following common solutions:

- Missing or Damaged Pieces:** If you find any pieces missing or damaged upon opening the package, please contact customer support with your product model number and a description of the missing/damaged part.
- Difficulty Connecting Pieces:** Ensure the pieces are correctly oriented. Apply gentle, even pressure. Avoid forcing pieces, as this can cause damage.
- Model Instability:** Re-check all connections, especially those forming the base and structural supports. Loose connections can lead to instability.

PRODUCT SPECIFICATIONS

Specification	Detail
Brand	Sembo Block
Model Number	701114
Number of Pieces	256
Assembled Dimensions (L x W x H)	Approximately 10 x 10 x 10 cm
