PHI VILLA B088815GJ9

PHI VILLA Patio Bar Table Instruction Manual

Model: B088815GJ9
Brand: PHI VILLA

1. Introduction

Thank you for choosing the PHI VILLA Patio Bar Table. This manual provides essential information for the safe assembly, operation, and maintenance of your new outdoor bar table. Please read this manual thoroughly before assembly and retain it for future reference.

Figure 1.1: PHI VILLA Patio Bar Table. This image shows the complete assembled bar table from an angled front view, highlighting its square wooden-like top and black metal frame with curved legs.

2. Safety Information

Please observe the following safety precautions to prevent injury and damage to the product:

- **CAUTION:** Always follow assembly instructions carefully.
- Keep hands and fingers away from pinch points during assembly.
- Do not use the table in thunderstorms or lightning conditions.
- Ensure the table is stable and properly anchored before use to prevent tipping.
- Do not overload the table. Refer to specifications for weight capacity.

- Keep children and pets away from the assembly area.

3. Product Features

The PHI VILLA Patio Bar Table is designed for outdoor use with several key features:

- **Bar Height Design:** Table dimensions are L27.5" x W27.5" x H39.4", making it suitable for standard bar stools.
- **Modern Aesthetic:** Features a stylish wood-look tabletop that complements various outdoor settings.
- **Durable Construction:** Made with a powder-coated steel frame for long-lasting outdoor use.
- **All-Weather Resistant:** Designed to withstand various weather elements and is easy to clean.
- **Easy Assembly:** Comes with all necessary tools and instructions for straightforward setup.

Figure 3.2: Close-up details of the PHI VILLA Patio Bar Table, showcasing the sturdy cambered metal legs, the wood-like tabletop texture, and the non-slip footcaps for stability.

4. Setup and Assembly

The PHI VILLA Patio Bar Table is designed for easy assembly. Please follow the included instructions and diagrams for a smooth setup process. It is recommended to assemble the table on a soft, clean surface to prevent scratches.

Assembly Steps:

1. Unpack all components and verify against the parts list provided in the packaging.
2. Attach the legs to the tabletop frame using the provided hardware. Ensure all bolts are finger-tightened initially.
3. Connect the cross-braces between the legs.
4. Once all components are in place, gradually tighten all bolts with the provided tools. Do not overtighten.
5. Place the table upright and check for stability. Adjust leg levelers if necessary.

Video 4.1: Overview of the PHI VILLA Patio Bar Table. This video demonstrates the table's features and shows it in various outdoor settings, providing a visual guide to its design and potential uses. It highlights the metal steel frame, wooden-like tabletop, and overall dimensions, suggesting ease of integration into a backyard space.

5. Operating Instructions

The PHI VILLA Patio Bar Table is designed for versatile outdoor use. It serves as an ideal surface for drinks, snacks, or decorative items in your patio, deck, or backyard area. Its bar height makes it a perfect companion for PHI VILLA swivel bar stools or similar outdoor bar seating.

Figure 5.1: The PHI VILLA Patio Bar Table set up on a patio with two matching bar stools, demonstrating its intended use for outdoor entertaining and relaxation.

6. Maintenance

To ensure the longevity and appearance of your PHI VILLA Patio Bar Table, regular maintenance is recommended:

- **Cleaning:** Wipe with a dry cloth to remove dust and debris. For tougher stains, use a mild soap and water solution, then rinse thoroughly and dry immediately.
- **Protection:** While weather-resistant, consider using a furniture cover during prolonged periods of harsh weather or when not in use to further protect the table.
- **Inspection:** Periodically check all bolts and connections to ensure they remain tight. Retighten if necessary.
- **Storage:** If storing indoors during off-season, ensure the table is clean and dry to prevent mold or mildew.

7. Troubleshooting

If you encounter any issues with your PHI VILLA Patio Bar Table, please refer to the following common troubleshooting tips:

Problem	Possible Cause	Solution
Table wobbles after assembly.	Uneven tightening of bolts or uneven surface.	Ensure all bolts are evenly tightened. Use leg levelers if available, or place shims under legs on uneven surfaces.
Difficulty assembling parts.	Misalignment or incorrect part orientation.	Refer to the assembly diagrams. Do not fully tighten bolts until all parts are loosely connected.
Surface appears dull or dirty.	Accumulation of dust, dirt, or environmental residue.	Clean the surface as per the maintenance instructions (Section 6).

If the issue persists, please contact customer support.

8. Specifications

Attribute	Detail
Brand	PHI VILLA
