Giantex Buffet Sideboard (Model GT64005CF-WH) Instruction Manual

Your guide to assembly, operation, and maintenance.

1. INTRODUCTION

Thank you for choosing the Giantex Buffet Sideboard. This versatile piece of furniture is designed to provide ample storage and enhance the aesthetic of your living space. This manual provides essential information for safe assembly, proper use, and effective maintenance to ensure the longevity and functionality of your new sideboard.

2. SAFETY INFORMATION

WARNING: Do not exceed the maximum bearing capacity of 220 lbs (approximately 100 kg). Be cautious not to put excessive weight on the top, cabinets, or drawers, as they have individual weight limits. Always distribute weight evenly. Failure to follow these instructions may result in injury or product damage.

- Ensure all parts are present and undamaged before assembly.
- Assemble on a soft, clean surface to prevent scratches.
- Tighten all screws and fasteners securely, but do not overtighten.
- Keep small parts away from children during assembly.
- Place the sideboard on a level surface to prevent wobbling.

3. PRODUCT FEATURES

- **Ample Storage Space:** Designed with 2 drawers and 2 cabinets for classified storage. The top board and bottom shelf offer additional display and storage options for items like tableware, plants, or glassware.

6. OPERATING INSTRUCTIONS

- **Drawers:** Gently pull the metal handles to open the drawers. Push firmly to close. Avoid slamming to prevent damage to the runners.
- **Cabinets:** Use the metal handles to open the cabinet doors. Ensure they close completely to keep contents secure and dust-free. The internal shelves are adjustable to accommodate items of various heights.
- **Top Surface:** The top surface can be used for displaying decorative items, serving food, or as a coffee bar. Ensure heavy items are placed centrally and within the weight limit.
- **Bottom Shelf:** Utilize the open bottom shelf for additional storage or display, such as baskets, larger decor items, or small appliances.

7. MAINTENANCE

- **Cleaning:** Wipe the smooth, waterproof surface with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals that may damage the finish.
- **Spills:** Clean up spills immediately to prevent staining or water damage.
- **Protection:** Use coasters under drinks and placemats under hot dishes to protect the top surface.
- **Fasteners:** Periodically check all screws and fasteners to ensure they remain tight. Retighten if necessary to maintain stability.

- **Sunlight:** Avoid prolonged exposure to direct sunlight to prevent fading or discoloration of the wood finish.

8. TROUBLESHOOTING

- **Wobbly Sideboard:** Ensure the sideboard is placed on a level surface. Check and tighten all assembly screws.
- **Drawers Stick or Don't Close Smoothly:** Verify that the drawer runners are correctly installed and free of obstructions. Adjust the drawer slides if needed.
- **Cabinet Doors Misaligned:** Refer to the hinge adjustment guide in the Setup and Assembly section (Video 1) to correct door alignment.
- **Missing Parts:** If any parts are missing or damaged upon arrival, contact Giantex customer support for assistance.
