2. Package Contents

Please check the package for the following items:

- LORELEI X6 Over-Ear Headphones
- Integrated 3.5mm Audio Cable with In-line Microphone

3. Product Features

- **High-Fidelity Audio:** Equipped with 40mm high-definition drivers for clear sound, full dynamic range, rich bass, and crisp mid-tones.
- **Comfort-Oriented Design:** Features ultra-soft ear pads and a padded headband for extended listening comfort. The adjustable slider ensures a perfect fit.
- **Durable and Portable:** Constructed from strong, robust plastic with a premium 1.5m (4.8 ft) nylon braided cable that resists tangling. The lightweight and foldable design allows for easy storage and transport.
- **In-line Microphone and Control:** A user-friendly in-line microphone for hands-free calls and a control button for managing music playback (play/pause, next/previous track).
- **Universal Compatibility:** Connects via a standard 3.5mm audio jack, compatible with smartphones, tablets, MP3/MP4 players, computers, and other audio devices.

4. Setup

The LORELEI X6 headphones are designed for simple plug-and-play operation.

1. **Connect to Audio Source:** Insert the 3.5mm audio jack of the headphone cable into the corresponding audio output port on your smartphone, tablet, MP3 player, computer, or other compatible device.
2. **Adjust Headband:** Place the headphones on your head and adjust the headband sliders on both sides until the earcups comfortably cover your ears.
3. **Position Microphone:** Ensure the in-line microphone is positioned appropriately for clear voice pickup during calls.

5. Operating Instructions

The in-line control button allows for easy management of audio playback and calls.

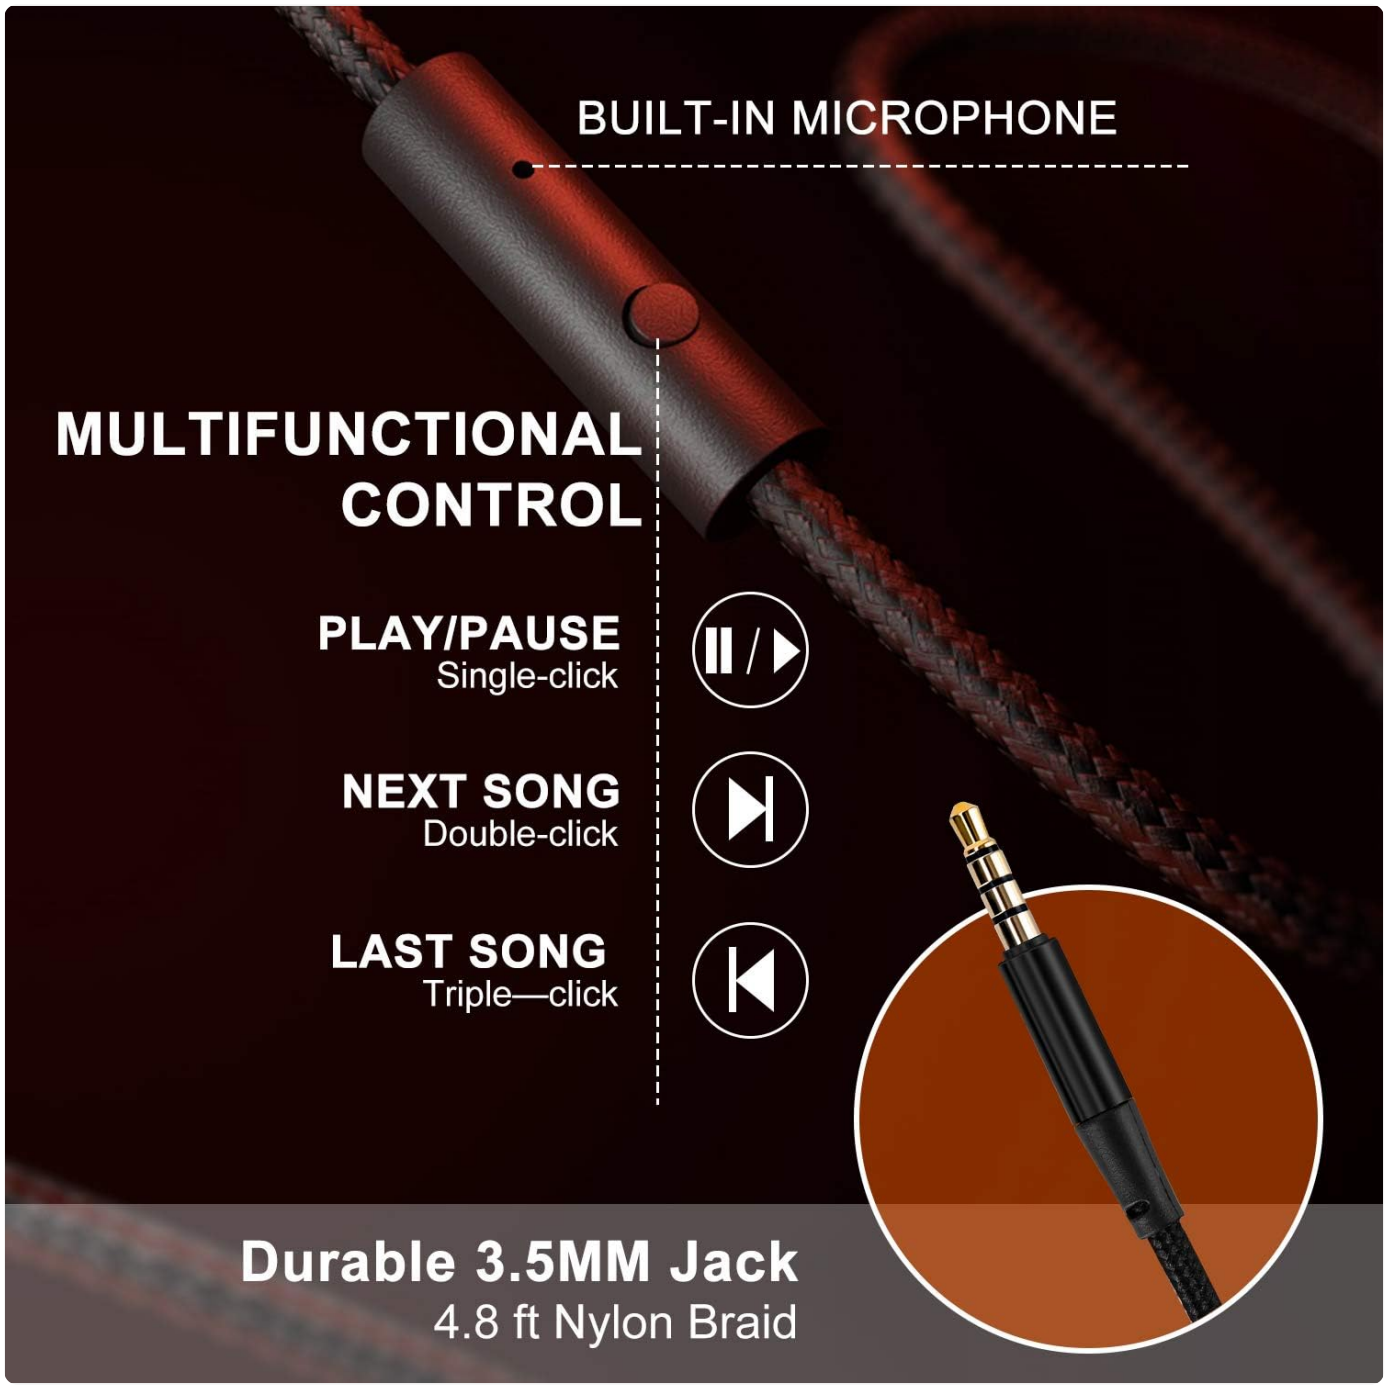

Image 5: A visual guide to the multifunctional in-line control, detailing single-click for play/pause, double-click for next song, and triple-click for previous song, along with the durable 3.5mm jack.

- **Play/Pause Music:** Press the control button once to play or pause the current track.
- **Next Song:** Double-click the control button to skip to the next song.
- **Previous Song:** Triple-click the control button to go back to the previous song.
- **Answer/End Call:** Press the control button once to answer an incoming call or end an ongoing call.
- **Reject Call:** Press and hold the control button for approximately 2 seconds to reject an incoming call.

Note: Volume control is managed directly from your connected audio device.

6. Maintenance

To ensure the longevity and optimal performance of your LORELEI X6 headphones, follow these maintenance guidelines:

- **Cleaning:** Use a soft, dry cloth to wipe the earcups and headband. Avoid using harsh chemicals or abrasive materials.
- **Storage:** When not in use, fold the headphones and store them in a clean, dry place away from extreme temperatures and direct sunlight.
- **Cable Care:** Avoid sharply bending or twisting the cable. The braided design helps prevent tangles, but proper handling extends its life.
- **Moisture:** These headphones are not waterproof. Avoid exposure to water or excessive moisture.

7. Troubleshooting

Problem	Possible Solution
No sound from headphones.	◦ Ensure the 3.5mm jack is fully inserted into the audio source. ◦ Check the volume level on your audio device. ◦ Test the headphones with a different audio source to rule out device issues.
Microphone not working.	◦ Ensure the 3.5mm jack is fully inserted. Some devices require a TRRS jack for microphone functionality. ◦ Check microphone settings on your connected device. ◦ Test with another device to confirm microphone functionality.
Sound quality is poor or distorted.	◦ Ensure the audio jack is clean and free of debris. ◦ Try a different audio source or audio file. ◦ Adjust the volume on your device; very high volumes can cause distortion.
