› CC KITS Full-Size Conversion Kit Bed Rails for Big Oshi Stephanie Convertible Crib - Model BO-0050 Instruction Manual

CC KITS BO-0050

CC KITS Full-Size Conversion Kit Bed Rails

FOR BIG OSHI STEPHANIE CONVERTIBLE CRIB - MODEL BO-0050

Introduction

This manual provides instructions for the safe and proper installation, use, and maintenance of your CC KITS Full-Size Conversion Kit Bed Rails, Model BO-0050. This kit is designed to convert the Big Oshi Stephanie Convertible Crib into a full-size bed. Please read all instructions carefully before assembly and retain this manual for future reference.

Compatibility

This conversion kit is exclusively compatible with the **Big Oshi Stephanie Convertible Crib by Baby Time**. If your crib model or finish is not listed, please contact customer support for assistance.

Safety Information

- Always ensure all hardware is securely tightened before use.
- Do not use this conversion kit with cribs other than the specified Big Oshi Stephanie Convertible Crib.
- Keep small parts away from children during assembly.
- The finishes are water-based, non-toxic, and free from lead and phthalates.
- This kit supports up to 600 pounds when paired with additional slats (sold separately).

Package Contents

Please verify that all components are present before beginning assembly:

- Two (2) Wooden Bed Rails
- Four (4) Slats
- Hardware Pack
- Instruction Manual (this document)

Setup (Installation)

The conversion process typically takes 20-30 minutes. You will utilize the existing headboard and footboard from your Big Oshi Stephanie Convertible Crib.

1. **Prepare the Crib:** Disassemble the side rails of your Big Oshi Stephanie Convertible Crib, leaving the headboard and footboard intact.
2. **Attach Bed Rails:** Align one wooden bed rail with the pre-drilled holes on the headboard. Secure it using the provided hardware from the hardware pack. Repeat this step for the second wooden bed rail on the footboard side.
3. **Connect Rails to Headboard/Footboard:** Attach the other ends of the wooden bed rails to the remaining headboard/footboard. Ensure all connections are tight and secure.
4. **Install Slats:** Place the four provided slats evenly across the bed rails to support the mattress. Secure them to the bed rails using the appropriate hardware.
5. **Final Check:** Verify that all components are securely fastened and the bed frame is stable.

Image: The Big Oshi Stephanie Convertible Crib, which serves as the base for this conversion kit. The headboard and footboard will be reused.

Operating (Usage)

Once assembled, the conversion kit transforms your crib into a full-size bed. Place a standard full-size mattress on the installed slats. For enhanced support, especially for adult use or higher weight capacities, additional slats (sold separately) are recommended. Optional safety bed rail guards for toddlers can also be installed.

Maintenance

- **Cleaning:** Wipe the bed rails with a damp cloth. Avoid harsh chemicals or abrasive cleaners.
- **Regular Checks:** Periodically inspect all hardware connections to ensure they remain tight. Retighten if necessary.
- **Finish Care:** The water-based finish is durable, but avoid prolonged exposure to direct sunlight or extreme temperatures to prevent fading or damage.

Troubleshooting

Issue: Bed frame feels unstable.

Solution: Check all hardware connections. Ensure they are fully tightened. Verify that the headboard and footboard are properly seated with the bed rails.

Issue: Slats do not fit correctly.

Solution: Ensure the bed rails are installed correctly and are not reversed. Confirm you are using the correct number of slats and they are evenly spaced.

Issue: Missing hardware or damaged parts.

Solution: Contact CC KITS customer support immediately for replacement parts.

Specifications

- **Model Number:** BO-0050
- **Material:** 100% Solid Wood
- **Color:** Espresso
- **Product Dimensions:** Approximately 75 x 1 x 5 inches (each rail)
- **Item Weight:** Approximately 30 pounds (total kit)
- **Maximum Weight Recommendation:** 600 lbs (with additional slats, sold separately)
- **UPC:** 767528973642
- **Finish:** Water-based, non-toxic, lead and phthalate-free
