Wildgame Innovations PIONVHL

Wildgame Innovations ZeroTrace Vehicle Scent Eliminator User Manual

Brand: Wildgame Innovations | Model: PIONVHL

1. INTRODUCTION AND OVERVIEW

The Wildgame Innovations ZeroTrace Vehicle Scent Eliminator is designed to neutralize unwanted odors in your vehicle using PureION technology. This compact device plugs into a standard 12-volt power outlet and operates quietly to provide an ozone-free solution for maintaining a fresh vehicle interior. It is safe for use around people and pets.

Key Features:

- Safe, ozone-free scent elimination.
- Utilizes PureION technology for effective odor neutralization.
- Ultra-quiet fan for even ion particle flow.
- Plugs into a standard 12-volt vehicle cigarette lighter outlet.
- Will not damage clothing or gear.

2. SETUP

Setting up your ZeroTrace Vehicle Scent Eliminator is a straightforward process:

1. Locate an available 12-volt power outlet (cigarette lighter socket) in your vehicle.
2. Ensure the vehicle is unoccupied before activating the device.
3. Firmly insert the ZeroTrace unit into the 12-volt power outlet.
4. Press the power button on the unit to activate it. A green LED indicator will illuminate, confirming operation.

3. OPERATING INSTRUCTIONS

The ZeroTrace Vehicle Scent Eliminator operates on a timed cycle:

1. Once plugged in and activated, the unit will run for approximately 20 minutes.
2. After the 20-minute cycle, the unit will automatically shut off.
3. To initiate another cleaning cycle, simply unplug the unit from the 12-volt outlet and then re-insert it. This action resets the timer and starts a new 20-minute cycle.

Important: For optimal performance and safety, ensure the vehicle is unoccupied during operation.

4. MAINTENANCE

The Wildgame Innovations ZeroTrace Vehicle Scent Eliminator requires minimal maintenance. Keep the unit clean by wiping its exterior with a dry, soft cloth. Do not use harsh chemicals or abrasive cleaners. Ensure the air inlet and outlet grilles are free from obstructions to maintain optimal airflow.

5. TROUBLESHOOTING

If you encounter issues with your ZeroTrace Vehicle Scent Eliminator, consider the following:

- **Unit not turning on:** Ensure the unit is firmly seated in the 12-volt power outlet. Check if the vehicle's 12-volt outlet is receiving power (e.g., by testing with another device).
- **No green LED:** If the green LED does not illuminate after pressing the power button, re-insert the unit

or try a different 12-volt outlet.

- **Odor persists:** For stubborn odors, multiple 20-minute cycles may be required. Ensure the vehicle is closed during operation to allow the PureION technology to work effectively.

If problems persist, please refer to the Warranty & Support section for assistance.

6. SPECIFICATIONS

Feature	Detail
Manufacturer	Wildgame Innovations
Part Number	WGIPG0005
Item Weight	3.2 ounces
Product Dimensions	1 x 1 x 1 inches
Item Model Number	PIONVHL
Size	1 Count (Pack of 1)
Color	Gray
Style	Vehicle Unit
Finish	Brushed
Material	Blend
Pattern	Solid
Shape	Rectangular
Power Source	Electric
Item Package Quantity	1
Included Components	Scent Elimination Trunk
Batteries Included?	No
Batteries Required?	No
Scent	Unscented
