Deep Silver 1051479

Deep Silver F1 2020 Standard Edition PlayStation 4 Instruction Manual

Model: 1051479

1. Introduction

Welcome to F1 2020, the official video game of the 2020 Formula One World Championship. This game offers a comprehensive racing experience, allowing players to immerse themselves in the world of Formula 1. For the first time in the series, you can create and manage your own F1 team, competing as the 11th team on the grid. The game features all official teams, drivers, and 22 circuits, including the new Hanoi Circuit and Circuit Zandvoort.
This manual provides essential information to help you set up, operate, and maintain your F1 2020 game on the PlayStation 4 platform.

2. Setup

2.1 System Requirements

- **Platform:** PlayStation 4
- **Storage:** Sufficient hard drive space for game installation and updates.
- **Internet Connection:** Required for initial game updates, downloading final 2020 team cars, F2 2020 Season content, and online multiplayer features.

2.2 Installation

1. Insert the F1 2020 game disc into your PlayStation 4 console.
2. Follow the on-screen prompts to install the game data onto your console's hard drive.
3. Once the installation is complete, the game may require an update. Ensure your PlayStation 4 is connected to the internet to download and install any available patches or content updates.
4. After all updates are applied, the game is ready to play.

3. Operating Instructions

3.1 Game Modes

- **My Team Mode:** Create your own F1 team, design your driver, choose sponsors and engine suppliers, hire a teammate, and compete as the 11th team. Develop facilities and guide your team to success over a 10-year career.
- **Career Mode:** Customize your 10-year career, with options for F2 Championship introduction and adjustable season lengths.
- **Split-Screen Racing:** Enjoy local multiplayer racing with a friend on the same screen.
- **Casual Race Options:** For players seeking a more relaxed racing experience, new casual race options are available.
- **Grand Prix:** Participate in single race weekends or full championships.
- **Time Trial:** Test your skills against the clock on any circuit.
- **Online Multiplayer:** Compete against other players globally (requires PlayStation Plus subscription and internet connection).

3.2 Basic Controls (PlayStation 4 Controller)

While specific control schemes can be customized within the game, the standard PlayStation 4 controller layout is as follows:

- **R2:** Accelerate
- **L2:** Brake/Reverse
- **Left Analog Stick:** Steer
- **Right Analog Stick:** Camera Control
- **X Button:** Confirm/Action
- **Circle Button:** Cancel/Back
- **Square Button:** Flashback (during race)
- **Triangle Button:** DRS (Drag Reduction System) activation (when available)
- **Directional Pad:** Menu navigation, MFD (Multi-Function Display) adjustments
- **Options Button:** Pause Menu
- **Touchpad:** View Race Director/Telemetry (context-dependent)

The game includes a new steering assist feature and other accessibility options to cater to various skill levels.

3.3 Gameplay Visuals

Image 1: Multiple F1 cars lined up at the start of a race, showcasing the detailed car models and track environment.

Image 2: A red F1 car navigating a corner on a city circuit, highlighting the game's graphics and track design.

Image 3: Two F1 cars in close competition within a tunnel section of a race track, demonstrating dynamic racing action.

Image 4: A red F1 car on track, with detailed background elements like grandstands and construction cranes, indicating a vibrant race environment.

Image 5: A wide shot of the starting grid with numerous F1 cars, featuring an orange McLaren prominently in the foreground.

Image 6: A red F1 car on the track, with the pit lane and grandstands visible in the background, illustrating a race weekend setting.

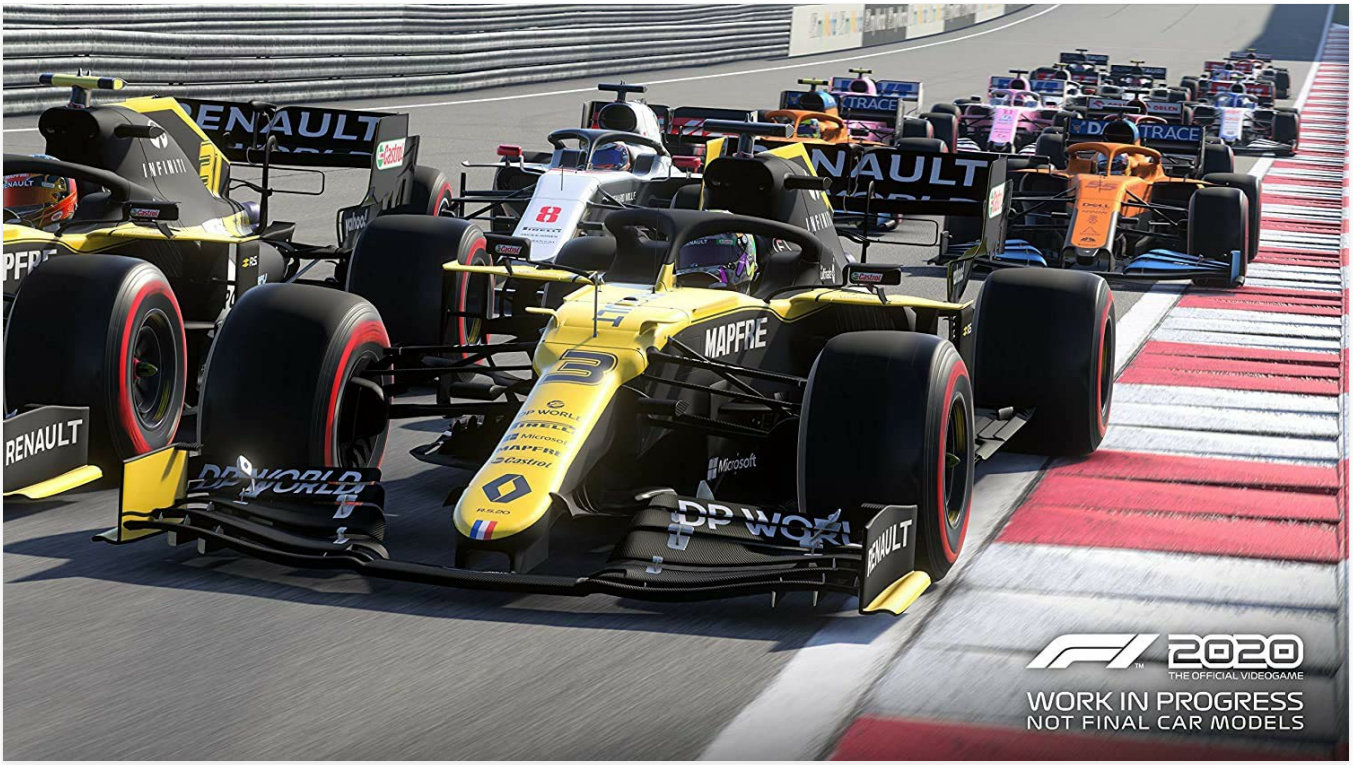

Image 7: A dynamic shot of several F1 cars racing in close proximity, emphasizing the competitive nature of the game.

Image 8: An AlphaTauri F1 car taking a corner, showcasing the car's design and the track's environment.

Image 9: A Williams F1 car on the track, demonstrating another official team's car model in the game.

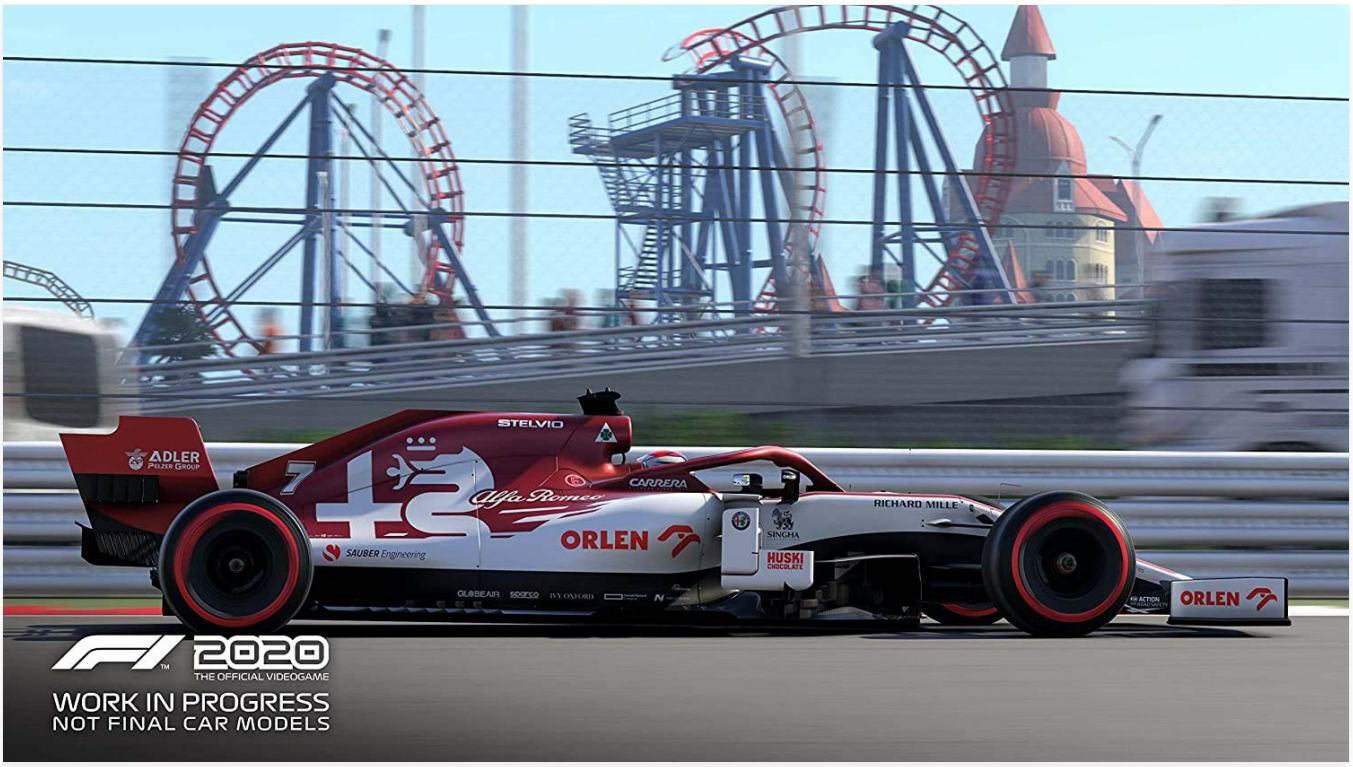

Image 10: An Alfa Romeo F1 car on a track, with a distinctive roller coaster in the background, indicating a unique circuit location.

Image 11: A pink Racing Point F1 car on the track, showcasing the vibrant liveries of the F1 teams.

Image 12: A Haas F1 car on the track, demonstrating another official team's car model in the game.

Image 13: A Red Bull Racing F1 car on the track, highlighting the detailed car design and track textures.

Image 14: A Mercedes-AMG Petronas F1 car on the track, showcasing the game's realistic portrayal of F1 cars.

4. Maintenance

4.1 Game Updates

To ensure optimal performance and access to the latest content, regularly check for and install game updates. Your PlayStation 4 console typically downloads updates automatically when connected to the internet. Manual checks can be performed via the game's options menu on the PlayStation 4 dashboard.

4.2 Disc Care

- Handle the game disc by its edges to avoid fingerprints and scratches.
- Store the disc in its original case when not in use.
- Clean the disc with a soft, lint-free cloth, wiping from the center outwards if necessary. Do not use abrasive cleaners.

5. Troubleshooting

- **Game Not Starting/Freezing:**
  - Ensure the game disc is clean and free of scratches.
  - Restart your PlayStation 4 console.
  - Check for and install any pending game or system software updates.
  - If the issue persists, try reinstalling the game.
- **Controller/Steering Wheel Issues:**
  - Ensure your controller or steering wheel is properly connected and charged.
  - For third-party peripherals like the Logitech G29, ensure the game is fully updated, as compatibility improvements are often included in patches.
  - Check the in-game control settings to ensure the correct device is selected and configured.
- **Online Connectivity Problems:**
  - Verify your PlayStation 4 has an active internet connection.
  - Check the PlayStation Network (PSN) status for any service outages.
  - Ensure your PlayStation Plus subscription is active for online multiplayer.
  - Restart your router/modem and PlayStation 4.
- **Missing Content (e.g., 2020 cars, F2 Season):**
  - An online connection is required to download the final 2020 team cars and F2 2020 Season content. Ensure your console is connected to the internet and the game is fully updated.

6. Specifications

Feature	Detail
Product Title	F1 2020 Standard Edition - PlayStation 4 Standard Edition
Brand	Deep Silver
Model Number	1051479
Platform	PlayStation 4
Compatible Consoles	Sony PlayStation 4
UPC	816819017722
Release Date	July 10, 2020
Product Dimensions	6.1 x 0.59 x 6.89 inches
Item Weight	3.2 ounces

ESRB Rating	Everyone
Manufacturer	Deep Silver

7. Warranty Information

Specific warranty information for the F1 2020 game is typically provided within the game packaging or through the publisher's official website. Please refer to the documentation included with your purchase or visit the Deep Silver website for details regarding warranty coverage and terms.
