KAWADA NBC-327

KAWADA nanoblock Giraffe (NBC-327) Building Kit Instruction Manual

Model: NBC-327

1. Introduction

This instruction manual provides guidance for assembling and maintaining your KAWADA nanoblock Giraffe building kit (Model NBC-327). This kit allows you to construct a detailed miniature giraffe model using micro-sized building blocks.

The nanoblock Giraffe model stands approximately 4.5 inches tall and consists of 220 individual pieces. It is designed for builders aged 8 and above, with a difficulty rating of Level 2 (on a scale of 1 to 5, where 1 is easiest).

2. Safety Information

WARNING: CHOKING HAZARD - Small Parts. Not for children under 3 years.

- This product contains very small building blocks that can pose a choking hazard if swallowed. Keep all pieces out of reach of young children.
- Recommended age for assembly is 8 years and older. Adult supervision is advised for younger builders.
- Always build in a well-lit area and on a stable surface to prevent loss of small pieces.

3. Setup and Assembly

Before beginning assembly, ensure all components are present and accounted for. The kit includes all necessary nanoblock pieces and a detailed step-by-step instruction sheet.

3.1 Unpacking and Preparation

- Carefully open the product packaging and remove all contents.
- Spread the nanoblock pieces onto a clean, flat surface. Sorting pieces by color or size can assist in the building process.
- Refer to the included instruction sheet for a visual guide to the building steps.

3.2 Building Process

Follow the numbered steps provided in the instruction sheet. Each step illustrates which blocks to use and where to place them. Due to the micro size of the blocks, precision is key.

Image 2: A nanoblock model held in a hand, illustrating the small scale of the building blocks.

- **Small Blocks:** Nanoblocks are significantly smaller than standard building blocks. Use tweezers (not included) if you find it difficult to handle the tiny pieces.
- **Connecting Blocks:** Ensure blocks are firmly pressed together to create a stable structure.
- **Step-by-Step:** Do not skip steps. Each step builds upon the previous one.

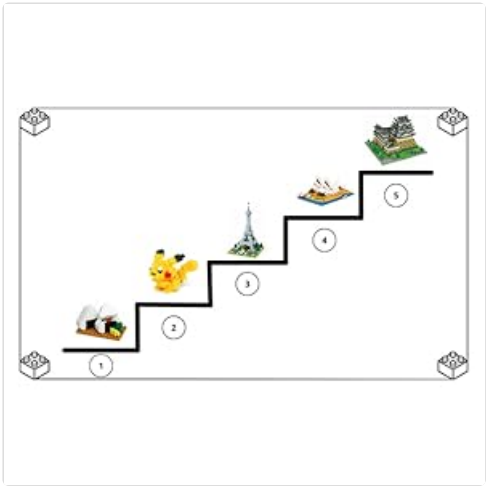

Image 3: A chart illustrating the nanoblock difficulty levels, with the Giraffe model rated at Level 2.

4. Operating (Display and Interaction)

Once assembled, your nanoblock Giraffe model is ready for display. It is designed as a static model for collection and decorative purposes.

- **Display:** Place your completed Giraffe model on a stable, flat surface away from direct sunlight or extreme temperatures to prevent potential damage or discoloration.
- **Interaction:** While durable, the model is not intended for rough play. Handle with care to avoid pieces

detaching.

Image 4: The completed nanoblock Giraffe model displayed alongside other nanoblock animal figures on a windowsill.

5. Maintenance

Proper care will help preserve the appearance of your nanoblock model.

- **Cleaning:** To remove dust, gently wipe the model with a soft, dry cloth or use a soft brush. Avoid using water or cleaning solutions, as these may damage the plastic or cause discoloration.
- **Storage:** If disassembling for storage, keep all pieces in a sealed container to prevent loss and protect them from dust.

6. Troubleshooting

Should you encounter any issues during assembly or with your completed model, refer to the following common solutions:

- **Missing Pieces:** Double-check the packaging and your building area. If pieces are genuinely missing, contact KAWADA customer support for assistance.
- **Difficulty Connecting Blocks:** Ensure blocks are correctly oriented and aligned before pressing them together. Apply firm, even pressure.
- **Model Instability:** Review the instruction steps to confirm all blocks are placed correctly and securely. Loose connections can lead to instability.

7. Specifications

Feature	Detail
Brand	KAWADA
Model Name	Giraffe [Animals], Collection Series
Model Number	NBC-327
Number of Pieces	220
Approximate Dimensions (L x W x H)	3.93 x 0.94 x 4.56 inches
Material Type	Plastic
Recommended Age	8 years and up (Manufacturer Minimum Age: 180 months)
Difficulty Level	2 (out of 5)
Educational Objective	Creativity, Problem-Solving, Spatial Reasoning, Fine Motor Skills

8. Warranty and Support

This KAWADA nanoblock product comes with a manufacturer's warranty. For specific details regarding warranty coverage, duration, and terms, please refer to the documentation included with your purchase or visit the official KAWADA website.

For product support, including inquiries about missing parts or assembly assistance, please contact KAWADA customer service through their official channels. Contact information can typically be found on the product packaging or the manufacturer's website.

Note: Only items shipped from authorized U.S. Retailers with a Bluefin warning label are guaranteed official licensed Kawada products with product support assistance within the United States.
