ZURURU ID115Plus HR

ZURURU Veryfitpro ID115Plus HR Replacement Bands User Manual

Model: ID115Plus HR

1. INTRODUCTION

Thank you for choosing ZURURU replacement bands for your Veryfitpro ID115Plus HR fitness tracker. These bands are designed to provide a comfortable, durable, and secure fit for your device. This manual will guide you through the installation process, ensure compatibility, and provide essential care instructions.

2. COMPATIBILITY

These replacement bands are specifically designed for the **Veryfitpro ID115Plus HR** and **Veryfitpro ID115Plus Color HR** fitness trackers. They are **not compatible** with other models such as ID130Plus HR or ID115U HR.

2.1 How to Check Your Device Model

To ensure proper fit, verify your fitness tracker's model name using the VeryfitPro application:

1. Open the **"VeryfitPro"** app on your smartphone.
2. Tap on **"Device"**.
3. Locate the model name, which should be **"ID115Plus HR"**.

4. INSTALLATION

Follow these steps to replace the bands on your Veryfitpro ID115Plus HR fitness tracker:

4.1 Removing the Old Bands

1. Hold the fitness tracker firmly.
2. Gently pull the existing band off the tracker body in the direction indicated by the arrow (away from the tracker's main unit).
3. Repeat for the other side.

Disassemble

Gently pull the bands off the tracker body following the direction of the arrow.

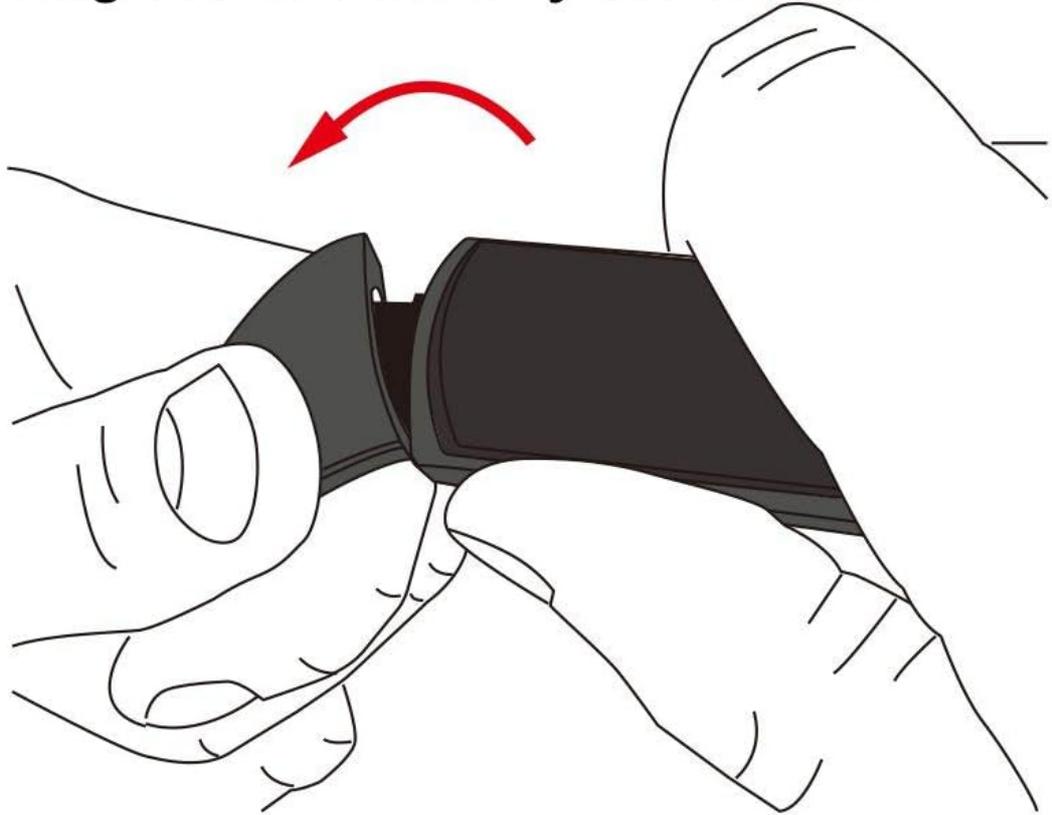

Image: Instructions for disassembling the band from the tracker.

4.2 Attaching the New Bands

1. Align the new replacement band with the tracker's connection point.
2. Push the band firmly into place until you hear or feel a click, indicating it is securely attached.
3. Gently tug on the band to ensure it is locked and will not detach easily.
4. Repeat for the second band.

5. USAGE AND ADJUSTMENT

The ZURURU replacement bands feature an adjustable strap designed to fit a wide range of wrist sizes. The stainless steel buckle and band holder ensure a stable and secure fit during daily activities and exercise.

- **Adjustable Fit:** The strap is designed to fit wrists from 13.7 cm (5.4 inches) to 19.3 cm (7.6 inches).
- **Secure Buckle:** Use the stainless steel buckle to fasten the band securely around your wrist. The additional band holder helps keep the excess strap in place.

6. MAINTENANCE

To prolong the life and maintain the appearance of your replacement bands, follow these simple maintenance guidelines:

- **Cleaning:** Wipe the bands regularly with a soft, damp cloth to remove sweat, dirt, and oils. For deeper cleaning, use mild soap and water, then rinse thoroughly and dry completely before reattaching to your tracker.
- **Avoid Harsh Chemicals:** Do not use abrasive cleaners, solvents, or strong detergents, as these can damage

the silicone material.

- **Storage:** Store the bands in a cool, dry place away from direct sunlight when not in use.

7. TROUBLESHOOTING

- **Band does not fit:** Double-check the compatibility section (Section 2) to ensure your fitness tracker is a Veryfitpro ID115Plus HR or ID115Plus Color HR model.
- **Band feels loose after installation:** Ensure both ends of the band are fully inserted and clicked into place on the tracker body. Gently tug to confirm security.
