## 2. PACKAGE CONTENTS

Verify that all components listed below are present in your package:

Image 2.1: All 10 pieces of the SWAT Role Play Set laid out, including helmet, night vision monocular, submachine gun, interphone (walkie-talkie), pistol, baton, military vest, police badge, grenade, and handcuffs.

- 1 x Adjustable Combat Helmet
- 1 x Mountable Night Vision Monocular
- 1 x Pair of Mesh Goggles
- 1 x Zippered SWAT Vest
- 1 x Toy Machine Gun
- 1 x Toy Pistol
- 1 x Grenade (toy)
- 1 x Walkie-Talkie (toy)
- 1 x Officer Badge

- 1 x Pair of Handcuffs with 2 Keys
- 1 x Baton (toy)

### 3. SETUP AND ASSEMBLY

---

Follow these steps to prepare the role play set for use:

#### 3.1. Wearing the Vest

The SWAT vest is designed with adjustable straps to fit various child sizes. Put on the vest and adjust the side straps for a comfortable and secure fit. The vest features a durable zipper for easy wearing and removal.

Image 3.1: Close-up of the SWAT vest highlighting its adjustable features and pockets.

#### 3.2. Helmet and Monocular Assembly

1. Place the combat helmet on the child's head. Adjust the internal straps for a snug and comfortable fit.
2. Attach the night vision monocular to the designated mount on the front of the helmet. Ensure it clicks securely into place.
3. The mesh goggles can be worn separately or with the helmet for added role-play realism.

# GEAR UP LIKE A REAL SWAT HERO!

## 4. OPERATING INSTRUCTIONS

---

This section details how to interact with the various components of the SWAT Role Play Set.

### 4.1. Night Vision Monocular

The monocular features a light-up scope for enhanced play. Activate the light by pressing the button located on the side of the unit. This simulates night vision capabilities.

### 4.2. Toy Firearms (Machine Gun and Pistol)

Both the toy machine gun and pistol are designed for safe pretend play. They feature pull-back mechanisms that produce shooting sounds when the trigger is pressed, adding to the realism of the play experience.

### 4.3. Toy Grenade

The toy grenade is equipped with a pull-pin mechanism. Pulling the pin and releasing it simulates a "boom" sound effect, suitable for imaginative scenarios.

### 4.4. Walkie-Talkie

The toy walkie-talkie includes sound effects and pre-recorded voice snippets to simulate communication. Press the button on the side to activate these sounds.

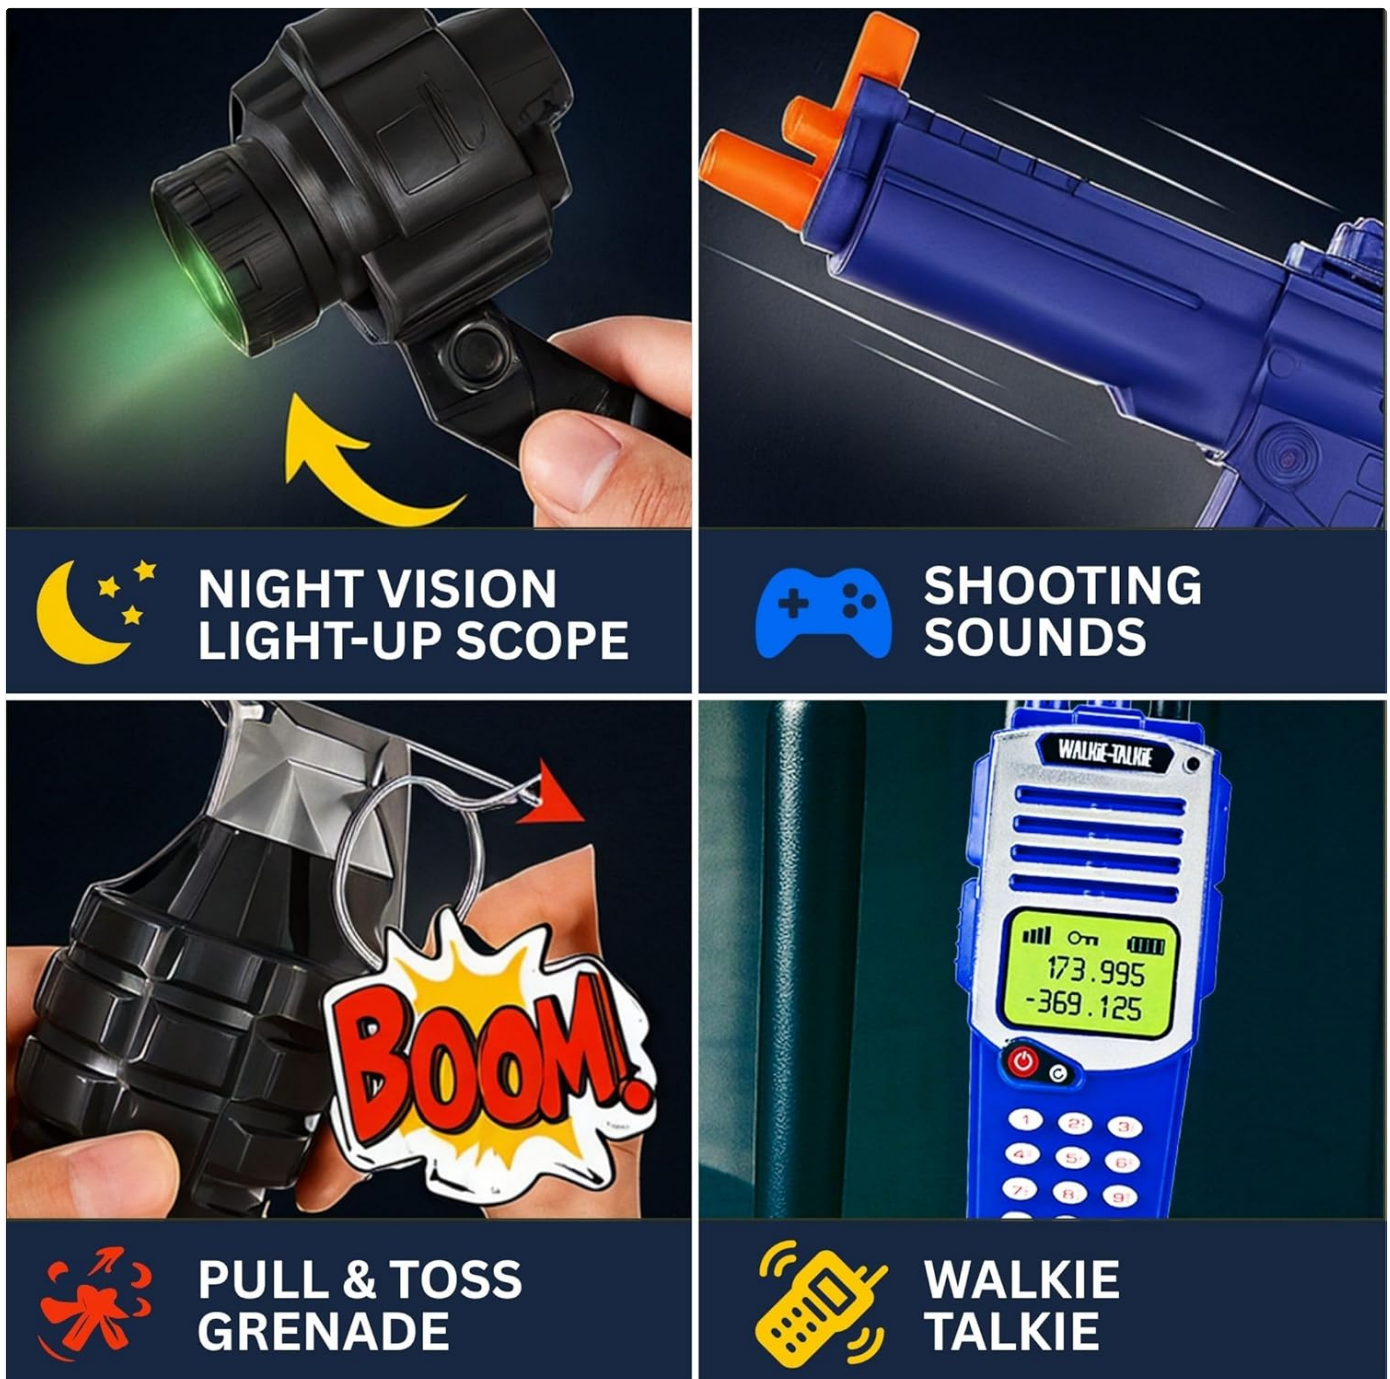

Image 4.1: Visual guide to the interactive features of the monocular, toy guns, grenade, and walkie-talkie.

#### 4.5. Handcuffs

The plastic handcuffs come with two keys for unlocking. They also feature a safety release latch, allowing them to be opened without a key if needed. This ensures safe play and prevents accidental locking.

### 5. MAINTENANCE AND CARE

---

- **Vest:** The vest is made of polyester. For cleaning, use a damp sponge with mild soap and water. Do not machine wash or tumble dry.
- **Plastic Accessories:** Wipe plastic items (helmet, monocular, guns, handcuffs, etc.) with a damp cloth to remove dust and dirt. Avoid harsh chemicals.
- **Storage:** Store all components in a dry, cool place away from direct sunlight to prevent material degradation.

### 6. SAFETY INFORMATION

---

- **Age Recommendation:** This set is suitable for children aged 3 to 6 years.
- **Choking Hazard:** Small parts may be present. Not suitable for children under 3 years due to potential choking hazards.
- **Handcuff Safety:** The handcuffs include a safety release latch. Instruct children on how to use this feature to prevent prolonged restraint.
- **Toy Weapons:** These are toys and should not be used to strike people or animals. Emphasize responsible play.
- **Product Standards:** This product has been tested to meet applicable U.S. children's product safety standards.

## 7. SPECIFICATIONS

Feature	Detail
Model Number	B088VL8MJG
Brand	Liberty Imports
Recommended Age	3 - 6 Years
Vest Material	Polyester
Care Instructions	Sponge Wash Only (Vest)
Department	Unisex-Child

## 8. TROUBLESHOOTING

This section addresses common questions and minor issues you might encounter.

- **Issue:** The helmet feels too loose or too tight.  
**Solution:** Adjust the internal straps of the helmet for a more comfortable and secure fit.
- **Issue:** The night vision monocular light does not turn on.  
**Solution:** Check if the batteries are correctly inserted or need replacement.
- **Issue:** Handcuffs are stuck or keys are lost.  
**Solution:** Use the safety release latch located on the side of the handcuffs to open them.
- **Issue:** The walkie-talkie or toy guns are not making sounds.  
**Solution:** Ensure batteries are installed and functional.
