## 4. MAINTENANCE

---

To ensure the longevity and appearance of your TRU RED Wire Mesh File Organizer, follow these simple maintenance guidelines:

- **Cleaning:** Wipe the organizer with a soft, damp cloth to remove dust and debris. Avoid using abrasive cleaners or harsh chemicals, as these may damage the finish.
- **Drying:** Ensure the organizer is completely dry after cleaning to prevent rust or water spots.
- **Inspection:** Periodically check the mesh for any signs of damage or wear.

## 5. TROUBLESHOOTING

---

If you encounter any issues with your file organizer, refer to the following common solutions:

- **Organizer is unstable or wobbles:** Ensure the organizer is placed on a completely flat and even surface. Check for any debris underneath that might cause unevenness.
- **Scratches on desk surface:** The organizer is designed with features to prevent scratching. Verify that these protective elements are intact and that no sharp objects are trapped between the organizer and the desk.
- **Difficulty inserting hanging folders:** Ensure you are using standard letter-size hanging folders. Overfilling the organizer can also make insertion difficult.
