Brabantia Ironing Board C (Model 134609) User Manual

INTRODUCTION

This manual provides essential information for the safe and efficient use of your Brabantia Ironing Board C, Model 134609. Please read these instructions carefully before first use and retain them for future reference.

PRODUCT FEATURES

- Extra-large ironing surface (49 x 18 inches) for efficient ironing.
- Flexible steam iron rest, suitable for left and right-handed use, accommodating irons up to 5.91 inches.
- Adjustable working height (29.5 - 38.6 inches) for ergonomic comfort.
- Child lock mechanism to prevent accidental closing.
- Transport lock for secure folding and easy movement.
- Robust protective non-slip caps on feet for stability.
- Cover made of fairtrade cotton.

SETUP

Follow these steps to set up your ironing board:

1. **Unfolding the Board:** Place the ironing board on a flat, stable surface. Release the transport lock mechanism, typically located underneath the board. Gently pull the legs apart until they lock into place.
2. **Adjusting Height:** Locate the height adjustment lever or button, usually found on one of the legs. Press or pull the mechanism and raise or lower the board to your desired working height. Ensure the board locks securely at the chosen height before use.
3. **Positioning the Iron Rest:** The flexible steam iron rest can be positioned for either left or right-handed use. Ensure it is securely attached and stable before placing your iron on it.

OPERATING INSTRUCTIONS

For optimal ironing results and safety:

- Always ensure the ironing board is stable and locked at the desired height before beginning to iron.
- Place your iron on the flexible iron rest when not actively ironing to prevent accidental burns or damage to the ironing surface.
- Distribute the garment evenly across the large ironing surface to minimize repositioning and achieve smooth results.
- When finished, allow the iron to cool completely before storing it.

MAINTENANCE

Proper maintenance ensures the longevity of your ironing board:

- **Cleaning the Cover:** The fairtrade cotton cover can be removed and cleaned according to its care label. For general cleaning, wipe the cover with a damp cloth.
- **Frame Care:** Wipe the alloy steel frame with a damp cloth to remove dust or spills. Avoid abrasive cleaners.
- **Storage:** When not in use, fold the ironing board and engage the transport lock. Store it in a dry place to prevent rust or damage.

TROUBLESHOOTING

If you encounter issues with your ironing board, consider the following:

- **Instability:** Ensure all legs are fully extended and locked into place. Check that the non-slip caps are intact and making full contact with the floor. Uneven flooring can also cause instability.
- **Difficulty Folding/Unfolding:** Verify that the height adjustment mechanism is fully disengaged before attempting to fold or unfold the board. Ensure no obstructions are preventing the legs from moving freely.
- **Warping of Ironing Surface:** While rare, prolonged exposure to excessive heat or uneven pressure can affect the ironing surface. Ensure your iron is not left unattended on the board for extended periods.
