nanoblock Sonic The Hedgehog Character Collection Series Building Kit Instruction Manual

Brand: nanoblock | Model: NBCC081

1. INTRODUCTION

This manual provides instructions for assembling the nanoblock Sonic The Hedgehog Character Collection Series Building Kit (Model NBCC081). This kit allows you to construct a detailed micro-sized model of Sonic, standing approximately 2.5 inches tall, using 150 miniature building blocks. It is designed for ages 8 and up, offering an engaging and rewarding building experience.

2. SAFETY INFORMATION

WARNING: This product contains small parts which may pose a choking hazard. Not suitable for children under 3 years of age. Adult supervision is recommended during assembly, especially for younger users.

- Keep all small parts away from infants and young children.
- Dispose of packaging materials properly.

3. SETUP AND ASSEMBLY

The nanoblock Sonic kit is designed for a Level 2 difficulty, making it an entry-level kit suitable for ages 8 and up. The kit includes 150 pieces, with individual blocks as small as 4mm x 4mm x 5mm.

3.1 Unpacking the Kit

1. Carefully open the product packaging.
2. Remove all bags containing nanoblocks and the instruction sheet.
3. Verify that all pieces are present by comparing them with the parts list provided in the instruction manual.

3.2 Assembly Instructions

Refer to the detailed step-by-step instructions included in your nanoblock kit for precise assembly. The instructions will guide you through connecting each miniature block to form the Sonic figure. Pay close attention to the diagrams and piece counts for each step.

- Work on a clean, well-lit surface to prevent loss of small pieces.
- Use tweezers (not included) for easier handling of the small blocks, if desired.
- Ensure each block is firmly connected to create a stable structure.
- The product box includes a Bandai Namco warning label, indicating an officially licensed Kawada product.

4. DISPLAY AND CARE

Once assembled, your nanoblock Sonic figure is designed for display. Due to the small size of the blocks and the intricate design, the model may be delicate. It is recommended to handle it with care.

- Place the model on a stable, flat surface to prevent accidental falls.
- Avoid exposing the model to direct sunlight or extreme temperatures, which could affect the plastic.

5. MAINTENANCE

To keep your nanoblock Sonic model clean, gently dust it with a soft brush or a dry cloth. Avoid using harsh chemicals or abrasive materials, as these may damage the blocks.

6. TROUBLESHOOTING

6.1 Missing Pieces

If you find that your kit is missing any pieces, please contact the manufacturer's customer support. The product box will have a Bluefin / Bandai Namco warning label, which is proof that you are purchasing an officially licensed Kawada product, distributed by its sole and authorized distributor (Bluefin) for the U.S. Markets. This label also entitles the purchaser to product support assistance within the United States.

6.2 Difficulty with Assembly

The small size of nanoblocks can make assembly challenging. If you encounter difficulties, review the instruction manual carefully. Ensure you are using the correct pieces for each step. Patience is key when building nanoblock models.
