Bloomsdays 33002

Fruity Booty Intimate Odor Neutralizing Balm

Brand: Bloomsdays | Model: 33002

INTRODUCTION

The Fruity Booty Intimate Odor Neutralizing Balm is a natural leave-on formula designed to provide immediate smell protection for intimate areas. Formulated with aloe and fruit essences, this balm works by absorbing moisture that bacteria need to grow, effectively neutralizing odors without harsh chemicals. It is suitable for daily use to maintain freshness and confidence.

SAFETY INFORMATION

- For external use only. Do not ingest.
- Avoid contact with eyes. In case of contact, rinse thoroughly with water.
- Discontinue use if irritation, redness, or discomfort occurs. Consult a healthcare professional if symptoms persist.
- Keep out of reach of children.
- Store in a cool, dry place away from direct sunlight.

INITIAL SETUP

The Fruity Booty balm comes ready for use. No assembly or complex setup is required. Simply ensure the product is at room temperature for optimal consistency.

OPERATING INSTRUCTIONS

Application

To use the Fruity Booty balm, follow these steps:

1. Ensure the applicable area is clean and dry before application. This can be done after showering or using a bidet/wet wipe.
2. Scoop a small amount of balm using a clean fingertip. The balm has a firm, wax-like consistency that softens upon contact with skin.
3. Apply the balm topically to the desired intimate areas, such as the butt, bikini zone, or balls.
4. Gently massage the balm into the skin until it is absorbed. The clear, no-residue formula will leave the skin feeling fresh.
5. Reapply as needed throughout the day for continuous freshness.

Underwear Care

Fruity Booty balm can also be applied to underwear to help keep odor and discoloration at bay. Apply a small amount to areas that come into contact with the skin, such as the underwire of a bra or the bottom of a thong.

Figure 2: Various Fruity Booty Balm Scents. This image displays four different scents of Fruity Booty balm: Peach Buzz, Passionfruit Frenzy, Red Apple Bottoms, and Mango Tango, showcasing the variety available.

CARE AND MAINTENANCE

- **Storage:** Store the balm in its original container with the lid tightly closed. Keep it in a cool, dry place, away from direct sunlight and extreme temperatures, to maintain its consistency and efficacy.
- **Hygiene:** Always use clean hands or an applicator when scooping the balm to prevent contamination.
- **Cleaning:** The container can be wiped clean with a damp cloth if needed. Ensure it is dry before closing.

TROUBLESHOOTING

Issue	Possible Cause	Solution
-------	----------------	----------

Issue	Possible Cause	Solution
Balm feels too firm/hard to scoop.	Product stored in a very cold environment.	Allow the balm to warm up to room temperature. A small amount will soften with body heat upon application.
Odor protection does not last long.	Insufficient application or area not thoroughly clean before use.	Ensure the area is completely clean and dry before applying. Apply a slightly larger amount or reapply more frequently as needed.
Skin irritation occurs.	Individual sensitivity to ingredients.	Discontinue use immediately. If irritation persists, consult a healthcare professional.

PRODUCT SPECIFICATIONS

Feature	Detail
