## FITUEYES FT-S3601MB

# FITUEYES FT-S3601MB Universal Floor TV Stand Instruction Manual

Model: FT-S3601MB | Brand: FITUEYES

## 1. INTRODUCTION

This manual provides detailed instructions for the assembly, operation, and maintenance of your FITUEYES FT-S3601MB Universal Floor TV Stand. This stand is designed to accommodate most flat panel or curved screen televisions ranging from 32 to 75 inches. Key features include swivel and tilt functionality, height-adjustable shelves, and integrated cable management.

Please read this manual thoroughly before installation and use to ensure safe and correct operation.

## 2. SAFETY INFORMATION

---

- **Weight Capacity:** Do not exceed the maximum weight capacity for the TV mount and shelves. Refer to the specifications section for details.
- **TV Size:** Ensure your TV's size and VESA pattern are compatible with this stand.
- **Stability:** Always place the TV stand on a flat, stable, and level surface. Avoid placing it on uneven ground or near edges where it could be easily knocked over.
- **Assembly:** Follow all assembly instructions carefully. Incorrect assembly can lead to product failure or injury. It is recommended to have at least two people for assembly, especially when mounting the TV.
- **Children and Pets:** Keep children and pets away from the TV stand during assembly. Do not allow children to climb on or play with the TV stand or mounted TV.
- **Cable Management:** Properly route all cables to prevent tripping hazards and damage to equipment.
- **Inspection:** Periodically check all screws and connections to ensure they remain tight and secure.

## 3. PACKAGE CONTENTS

---

Before beginning assembly, verify that all parts listed below are present and undamaged. If any parts are missing or damaged, do not proceed with assembly. Contact customer support for assistance.

Video 3.1: FITUEYES FT-S1601MB Installation Video. This video demonstrates the assembly process and shows the various components included in the package.

The package typically includes:

- Base Plate
- Support Column
- TV Mounting Bracket (Horizontal Bar and Vertical Arms)
- Adjustable Shelves (Quantity may vary by model variant)
- Hardware Kit (Screws, washers, spacers, nuts, Allen wrench, open-end wrench)
- Cable Management Clips
- Instruction Manual

## 4. SETUP AND ASSEMBLY

---

Follow these steps to assemble your FITUEYES TV Stand. Refer to the included installation video (Video 3.1) for visual guidance.

### Step 1: Assemble the Base and Support Column

1. Attach the support column to the base plate using the provided screws and Allen wrench. Ensure the column is securely fastened.
2. Apply the protective foot pads to the bottom of the base plate to prevent scratching surfaces.

Image 4.1: Detail of the durable metal base construction.

### Step 2: Attach the TV Mounting Bracket

3. Secure the horizontal TV mounting bar to the support column using the designated screws.
4. Attach the vertical TV arms to the back of your television using the appropriate VESA screws, washers, and spacers from the hardware kit. Ensure the arms are centered and securely tightened.
5. Carefully lift the TV and hook the vertical arms onto the horizontal mounting bar. Engage the safety lock mechanism to prevent the TV from accidentally dislodging.

## **Sturdy Safety TV Lock**

*Protect your TV from dropping off*

## **Environmental Foot Pads**

*Considerable Tv Cabinet Surface Protection*

## **Wire Management**

*More Safe & Attractive Design  
Hide The Wires, Organization*

Image 4.2: Safety lock and cable management features.

### **Step 3: Install Adjustable Shelves**

6. Insert the shelf brackets into the desired height slots on the support column.
7. Place the shelves onto the installed brackets. Adjust the height as needed to accommodate your media devices.

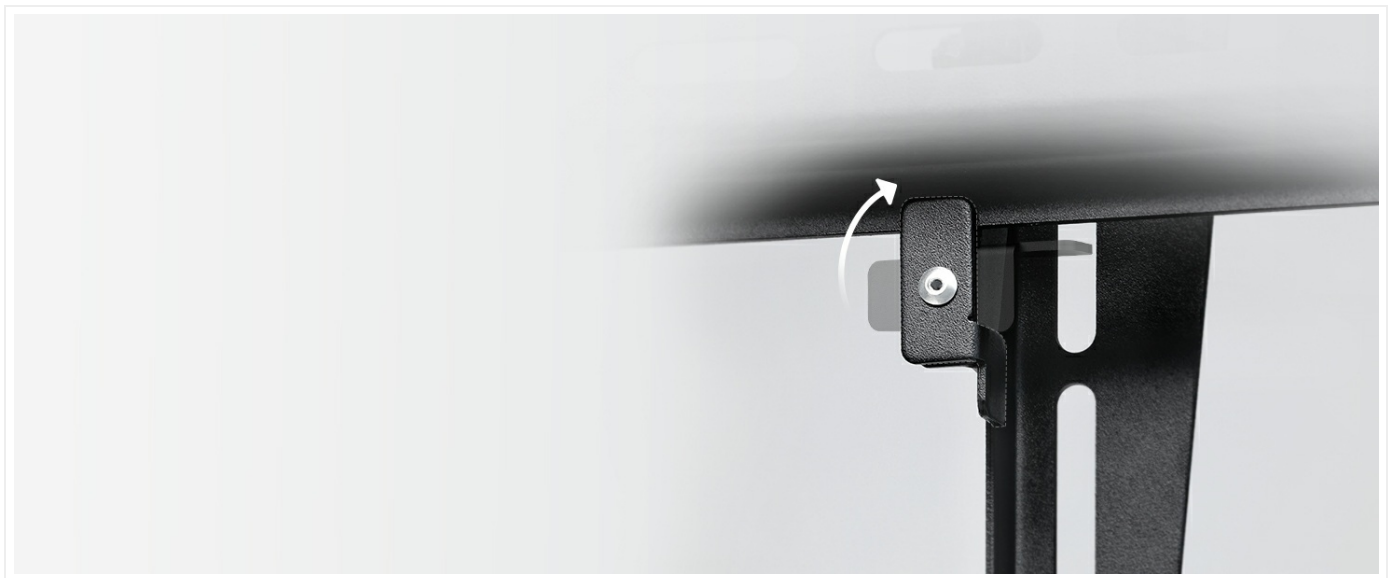

Image 4.3: Adjustable shelf mechanism.

#### **Step 4: Cable Management**

8. Route all TV and device cables through the integrated cable management system on the back of the support column. Use the provided clips to keep cables neat and organized.

### **5. OPERATING INSTRUCTIONS**

---

#### **5.1. Swivel Function**

The TV mount allows for a horizontal swivel of up to  $\pm 30$  degrees (left or right). Gently push the sides of the TV to adjust the viewing angle as desired.

Image 5.1: TV swivel functionality.

## 5.2. Tilt Function

The TV mount can be tilted from 5 degrees upwards to -15 degrees downwards. This allows for optimal viewing and glare reduction. Loosen the tilt adjustment knobs on the side of the mounting bracket, adjust the TV to the desired angle, and then securely tighten the knobs.

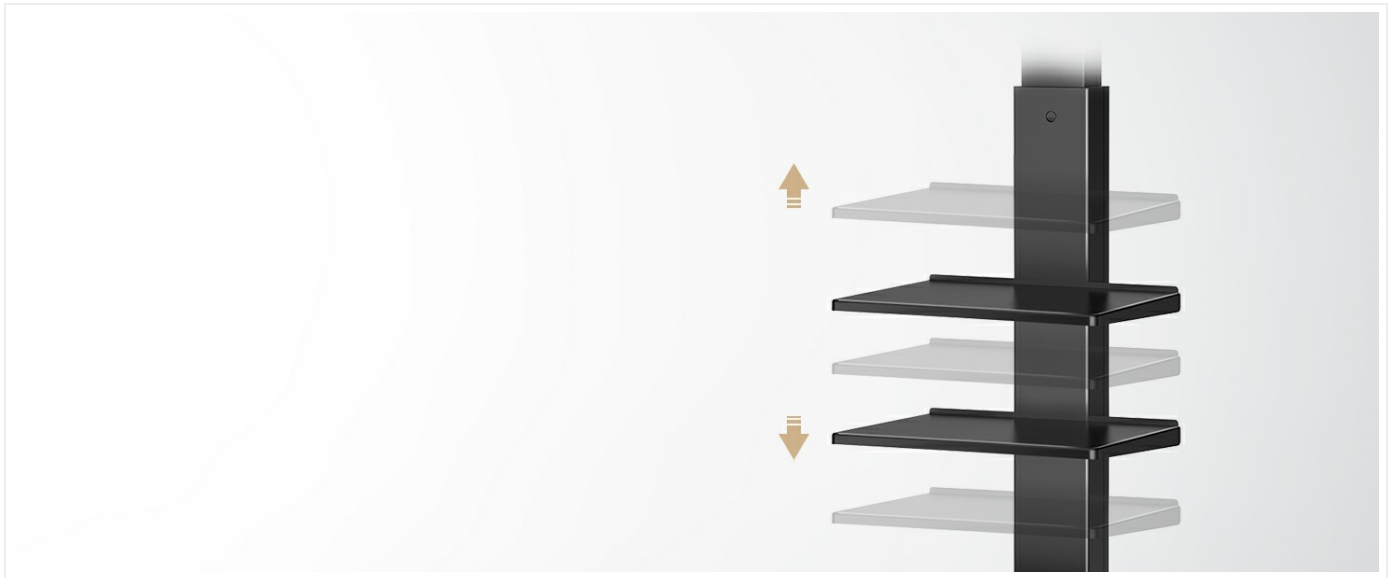

Image 5.2: TV tilt adjustment.

### 5.3. Height Adjustment

The TV mounting bracket and shelves offer multiple height adjustment levels. To adjust the TV height, carefully remove the TV from the mount (if already installed), reposition the horizontal mounting bar to a different set of holes on the support column, and re-secure. For shelves, simply move the shelf brackets to the desired height slots.

## 4 LEVELS HEIGHT ADJUSTMENT

*Use the most comfortable height to enjoy the audio-visual feast*

Image 5.3: Four levels of height adjustment for the TV and shelves.

## 6. MAINTENANCE

- **Cleaning:** Use a soft, dry cloth to clean the stand. Avoid abrasive cleaners or solvents that could damage the finish.
- **Hardware Check:** Periodically inspect all screws, bolts, and connections to ensure they are tight. Re-tighten if necessary.
- **Cable Management:** Ensure cables remain neatly organized and are not pinched or stressed.

## 7. TROUBLESHOOTING

If you encounter any issues with your TV stand, refer to the following common problems and solutions:

- **Stand is Wobbly:**
  - Ensure all screws are securely tightened.
  - Verify the stand is on a flat, level surface.
  - Check that the TV's weight does not exceed the stand's capacity.
- **TV Not Level:**
  - Adjust the vertical TV arms to ensure they are at the same height.

- Check the horizontal mounting bar for proper installation.

- **Missing Parts:**

- Refer to the "Package Contents" section and contact customer support if parts are missing.

## 8. SPECIFICATIONS
