## FITUEYES FT-S1602MB

# FITUEYES FT-S1602MB Universal Floor TV Stand Instruction Manual

Model: FT-S1602MB

Brand: FITUEYES

## 1. INTRODUCTION

This manual provides detailed instructions for the assembly, operation, and maintenance of your FITUEYES FT-S1602MB Universal Floor TV Stand. Please read this manual thoroughly before installation and retain it for future reference. This TV stand is designed to securely hold flat panel or curved screens ranging from 32 to 75 inches, with VESA mounting patterns between 100x100mm and 600x400mm.

## 2. SAFETY INFORMATION

- Weight Capacity:** Do not exceed the maximum weight capacity of 88 lbs (40 kg). Ensure your TV's weight is within this limit.
- TV Size Compatibility:** This stand is suitable for TVs from 32 to 75 inches. Verify your TV's VESA mounting pattern (distance between mounting holes on the back of the TV) is compatible (100x100mm to 600x400mm).
- Stable Placement:** Always place the TV stand on a flat, stable, and level surface to prevent tipping.
- Assembly:** Follow all assembly instructions carefully. Incorrect assembly can lead to product failure or injury. If you encounter any difficulties, contact customer support.
- Children and Pets:** Keep children and pets away from the TV stand during assembly. Do not allow children to climb on or play with the TV stand.
- Cable Management:** Utilize the integrated cable management system to prevent tripping hazards and ensure cables are not pinched.
- Moving the Stand:** When moving the stand with a TV mounted, always do so carefully and with assistance to prevent accidental tipping or damage.

## 3. PACKAGE CONTENTS

Before beginning assembly, ensure all parts are present and undamaged. Refer to the parts list in your included printed manual for specific component identification. The following image illustrates the typical components included:

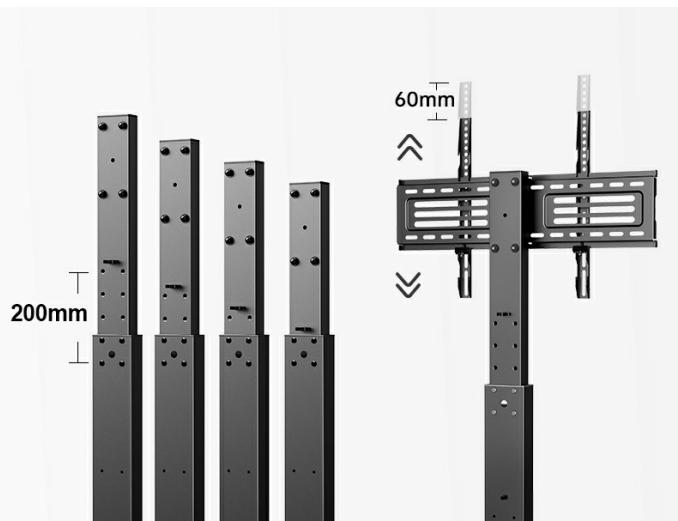

Image: All components of the FITUEYES FT-S1602MB TV stand, including the base, vertical support pole, TV mounting plate, and hardware kits, are laid out on a wooden floor.

## 4. SETUP AND ASSEMBLY

Follow these steps for proper assembly of your TV stand. It is recommended to have assistance when mounting the TV to the stand.

### 4.1. Assembly Video Guide

For a visual guide, please refer to the official installation video:

### 4.2. Step-by-Step Assembly

- 1. Attach the Vertical Pole to the Base:** Secure the vertical support pole to the iron base using the provided screws and tools. Ensure all connections are tight and stable.
- 2. Install TV Mounting Brackets:** Attach the vertical TV mounting brackets to the back of your television using the appropriate screws and spacers for your TV's VESA pattern. Refer to your TV's manual for specific VESA hole locations.
- 3. Mount TV to Stand:** Carefully lift the television with the attached brackets and hook them onto the horizontal mounting plate on the stand. Secure the TV using the safety locks or screws as indicated in the manual.
- 4. Adjust Height:** The stand offers 4 levels of height adjustment. Loosen the adjustment screws on the vertical pole, set the desired height, and re-tighten the screws securely.
- 5. Cable Management:** Route all cables through the integrated cable management clips or channels along the back of the vertical pole to maintain a tidy appearance and prevent tangles.

The following images illustrate key features and components during assembly:

## 5. OPERATING INSTRUCTIONS

Once assembled, your FITUEYES FT-S1602MB TV Stand offers several features for an optimized viewing experience.

### 5.1. Height Adjustment

The TV stand allows for 4 levels of height adjustment. To adjust the height, loosen the securing bolts on the vertical pole, carefully slide the TV to the desired height, and then firmly re-tighten all bolts. Ensure the TV is level and secure after adjustment.

## 4 LEVELS HEIGHT ADJUSTMENT

*Use the most comfortable height to enjoy the audio-visual feast*

### 5.2. Swivel Function

The swivel mount allows you to rotate your television up to  $\pm 30$  degrees left or right. This feature provides flexible viewing angles from various positions in your room. Gently push the sides of the TV to adjust its angle.

Image: The TV stand's swivel feature, allowing the television to rotate 30 degrees left or right for optimal viewing.

### 5.3. Wire Management

To maintain a clean and organized setup, utilize the integrated wire management system. Cables can be routed along the back of the vertical pole and secured with the provided clips or ties. This helps to hide wires and prevent clutter.

## 6. MAINTENANCE

Regular maintenance ensures the longevity and optimal performance of your TV stand.

- **Cleaning:** Wipe the stand with a soft, dry cloth. For stubborn marks, a slightly damp cloth with mild soap can be used, followed by drying thoroughly. Avoid abrasive cleaners or solvents.
- **Hardware Check:** Periodically check all screws and bolts to ensure they remain tight. Re-tighten if necessary to maintain stability.

- **Inspection:** Inspect the stand for any signs of wear, damage, or loose parts. If any issues are found, discontinue use and contact customer support.

## 7. TROUBLESHOOTING

If you encounter any issues with your TV stand, refer to the following common problems and solutions:

Problem	Possible Cause	Solution
TV stand is wobbly.	Loose connections; uneven floor.	Ensure all assembly bolts are securely tightened. Move the stand to a level surface or use shims if necessary.
TV cannot be adjusted for height.	Securing bolts are too tight or misaligned.	Loosen the height adjustment bolts sufficiently before attempting to slide the TV. Check for any obstructions in the adjustment mechanism.
TV does not swivel smoothly.	Friction in the swivel mechanism.	Ensure the swivel mechanism is clean and free of debris. Apply a small amount of silicone-based lubricant if needed (avoid oil-based lubricants).
Cables are visible and messy.	Cable management not utilized.	Route cables through the designated channels or use the provided cable clips along the vertical pole.

If the problem persists after attempting these solutions, please contact FITUEYES customer support for further assistance.

## 8. SPECIFICATIONS

- **Model Number:** FT-S1602MB
- **Brand:** FITUEYES
- **Material:** Metal
- **Color:** Black
- **Compatible TV Sizes:** 32-75 inches
- **VESA Compatibility:** 100x100mm to 600x400mm
- **Movement Type:** Swivel ( $\pm 30$  degrees)
- **Height Adjustment:** 4 levels
