iClever BTH12 Kids Bluetooth Headphones

USER MANUAL

Introduction

Welcome to the iClever BTH12 Kids Bluetooth Headphones user manual. These headphones are designed with children in mind, offering a safe and enjoyable audio experience with features like volume limiting, colorful LED lights, and a durable build. This manual provides essential information on setup, operation, maintenance, and troubleshooting to ensure optimal use of your new headphones.

What's in the Box

Your iClever BTH12 Kids Bluetooth Headphones package includes the following items:

- iClever BTH12 Kids Bluetooth Headphones (Blue)
- USB-C Charging Cable
- Detachable 3.5mm Audio Cable

Key Features

- **4 Colorful Lighting Modes:** The headphones feature LED lights on both sides with four different effects (Revolving, Breathing, Quick Flash, Slow Flash) controlled by an independent button. These lights can be turned off to conserve battery.
- **Stereo Sound & Volume Limited:** Equipped with a 40mm speaker unit for rich bass and clear audio. Volume can be limited to 74 or 85 dBA using combination keys to protect children's hearing.
- **85H Playtime & USB C Charging:** Enjoy up to 85 hours of playtime on a full charge. A quick 10-minute charge provides 7 hours of listening. Features a USB-C port for fast charging.
- **Bluetooth 5.2 & Built-In Mic:** Utilizes Bluetooth 5.2 for a stable wireless connection. The built-in microphone allows for hands-free calls, ideal for studying or playtime.
- **Reinforced & Durable Material:** Constructed with reinforced ABS and leather materials to withstand drops, twists, and everyday use by children.
- **Over-Ear Soft Pads & Adjustable Headband:** Designed for comfort during extended wear, with soft ear pads and an adjustable headband to fit various head sizes.

Keep Loud Noises Out

Powerful dual 40mm drivers deliver rich, resonant notes.

The over-ear design brings sheer fun with nearly no noises.

Setup

Charging the Headphones

Before first use, fully charge your iClever BTH12 headphones. Connect the provided USB-C charging cable to the charging port on the headphone ear cup and the other end to a compatible USB power source (e.g.,

computer, wall adapter). The LED indicator will show charging status and turn off when fully charged.

Figure 3: USB-C Charging and 85-Hour Playtime

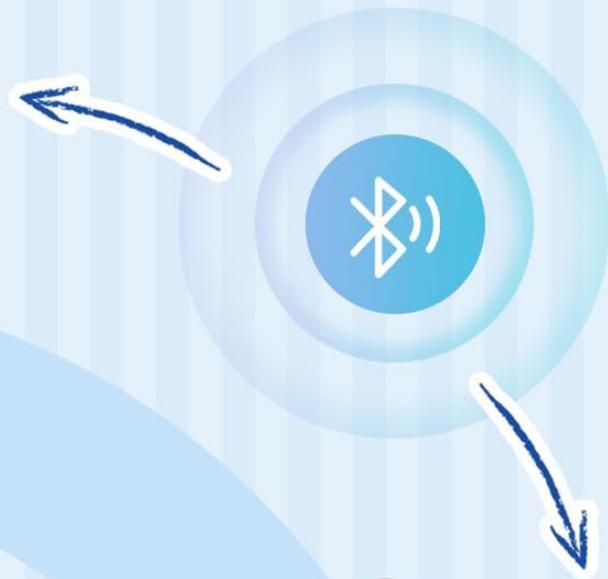

Bluetooth Pairing

1. Ensure the headphones are powered off.
2. Press and hold the power button until the LED indicator flashes blue and red, indicating pairing mode.
3. On your device (smartphone, tablet, laptop), enable Bluetooth and search for available devices.
4. Select "iClever-BTH12" from the list. Once connected, the LED indicator will turn solid blue.

Stable Bluetooth 5.2

Ensures stable bluetooth connection. Say goodbye to fade in and out problem

Connection Distance

33 FEET

Figure 4: Stable Bluetooth 5.2 Connection

Wired Connection (Optional)

If Bluetooth is not available or the battery is low, you can use the provided 3.5mm audio cable. Plug one end into the headphone's audio jack and the other end into your device's audio output.

Operating Instructions

Power On/Off

- To power on: Slide the power switch to the 'ON' position.
- To power off: Slide the power switch to the 'OFF' position.

Volume Control

The headphones feature volume control buttons on the ear cup:

- Press the '+' button to increase volume.
- Press the '-' button to decrease volume.

To switch between safe volume limits (74dBA or 85dBA), press the '+' and '-' buttons simultaneously. An audible prompt will confirm the selected volume limit.

Music Playback & Calls

Use the multi-function button for media control and calls:

- Press once to Play/Pause music.
- Press once to Answer/End phone calls.
- Press and hold to Reject an incoming call.
- Double-press to Redial the last number.

Super High Quality Microphone

iClever BTH12 has a built-in high-quality
Bluetooth microphone.
Bring the best call experience to children.

Maintenance

To ensure the longevity and optimal performance of your iClever BTH12 headphones, follow these maintenance guidelines:

- **Cleaning:** Use a soft, dry cloth to wipe the headphones. For stubborn dirt, a slightly damp cloth can be

used, but ensure no moisture enters the ports.

- **Storage:** When not in use, store the headphones in a cool, dry place. The foldable design allows for compact storage, protecting them from damage.
- **Avoid Extreme Conditions:** Do not expose the headphones to extreme temperatures, humidity, or direct sunlight.
- **Handle with Care:** While durable, avoid excessive force when adjusting the headband or folding the ear cups.
