## LITFAD LT576565G

# LITFAD 21.5" Modern Dimmable LED Ceiling Fan with Remote Control

Model: LT576565G

## IMPORTANT SAFETY INSTRUCTIONS

---

Please read all instructions carefully before installation and use. Keep this manual for future reference.

- For safe and secure installation, ensure the electrical box to which this fixture will be mounted is properly attached to a structural member of the building.
- All wires are connected. When unpacking, be careful not to pull with wires as a bad connection may result.
- Do not connect electricity until your fixture is fully assembled.
- To reduce the risk of fire, electrical shock, or personal injury, always turn off and unplug the fixture and allow it to cool prior to replacing the light bulb or performing maintenance.
- Do not touch the bulb when the fixture is turned on or look directly at the lit bulb. Keep flammable materials away from the lit bulb.
- This fan is designed for indoor use only.

## PACKAGE CONTENTS

---

Verify that all components are present and undamaged before beginning installation.

- LITFAD 21.5" Ceiling Fan with LED Light Unit
- Remote Control
- Mounting Hardware Kit
- User Manual

## PRODUCT OVERVIEW

---

The LITFAD 21.5" Modern Dimmable LED Ceiling Fan combines a ceiling light and a fan in a compact, flush-mounted design. It features hidden blades for safety and a remote control for convenient operation.

Image: The LITFAD 21.5 inch Modern Dimmable LED Ceiling Fan with Light, shown installed on a ceiling. The fan features a white, round design with a decorative outer ring and a central grille covering the hidden fan blades.

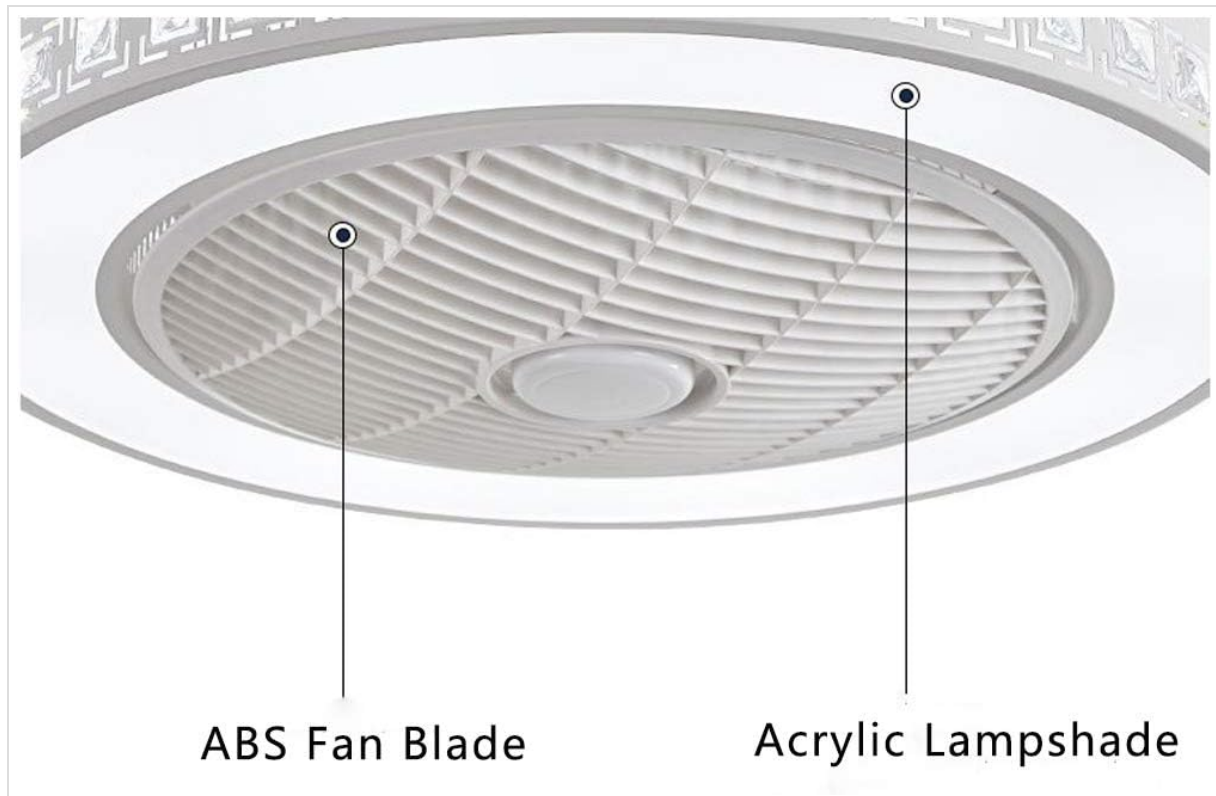

Image: A close-up view of the underside of the LITFAD ceiling fan, highlighting its main components. Labels point to the 'ABS Fan Blade' (the internal fan structure) and the 'Acrylic Lampshade' (the outer light-diffusing ring).

## INSTALLATION INSTRUCTIONS

Professional installation is recommended. Ensure power is turned off at the circuit breaker before proceeding.

1. **Prepare the Mounting Location:** Ensure the electrical box is securely mounted to a structural ceiling member and can support the fan's weight (approximately 6 kg).
2. **Wiring:** Connect the fan's electrical wires to the household wiring according to local electrical codes. Ensure all connections are secure and properly insulated. Do not pull on wires during unpacking or installation to avoid damage.
3. **Mount the Fixture:** Securely attach the fan unit to the electrical box using the provided mounting hardware. Ensure the fixture is flush with the ceiling.
4. **Final Assembly:** Confirm all components are properly assembled and secured before restoring power.
5. **Restore Power:** Turn on the power at the circuit breaker.

## OPERATING INSTRUCTIONS

This ceiling fan and light are operated using the included remote control.

- **Power On/Off:** Press the power button on the remote to turn the fan and light on or off.
- **Light Control:**
  - **Color Temperature Adjustment:** Cycle through warm white, natural white, and cool white light settings.
  - **Dimming:** Adjust the brightness level of the LED light.
- **Fan Speed Control:** Adjust the fan's wind speed to your desired level.

## MAINTENANCE

---

Regular maintenance ensures optimal performance and longevity of your ceiling fan.

- **Cleaning:** Always turn off the power at the circuit breaker before cleaning. Use a soft, damp cloth to wipe down the fan and light fixture. Do not use abrasive cleaners or solvents.
- **Bulb Replacement:** The LED light source is integrated. If replacement is needed, contact customer support.
- **Tighten Fasteners:** Periodically check and tighten all screws and fasteners to ensure secure operation.

## TROUBLESHOOTING

---

If you encounter issues, refer to the following common problems and solutions.

| Problem                       | Possible Cause   | Solution   |
|-------------------------------|--|--|
| Fan or Light does not turn on | No power supply; Loose wiring; Remote control battery depleted                               | Check circuit breaker; Verify wiring connections; Replace remote control battery.                                  |
| Remote control not working    | Battery depleted; Remote not paired (if applicable); Obstruction between remote and receiver | Replace remote battery; Ensure clear line of sight; Refer to remote pairing instructions (if provided separately). |
| Fan makes unusual noise       | Loose mounting screws; Internal component issue  | Ensure all mounting screws are tight; If noise persists, discontinue use and contact support.                      |

If the problem persists after attempting these solutions, please contact customer support.

## SPECIFICATIONS

---

| Feature        | Detail                     |
|----------------|----------------------------|
| Model Number   | LT576565G                  |
| Brand          | LITFAD                     |
| Fixture Width  | 21.5" (55 cm)              |
| Fixture Height | 8" (20 cm)                 |
| Material       | Acrylic, Metal             |
| Light Source   | Integrated LED             |
| Light Wattage  | 72 Watts                   |
| Motor Wattage  | 40 Watts                   |
| Voltage        | AC110-120V                 |
| Control Method | Remote Control             |
