Walker Edison BU60LANFWDT

Walker Edison Modern Wood Glass Door Buffet Sideboard

MODEL: BU60LANFWDT

Introduction

The Walker Edison Modern Wood Glass Door Buffet Sideboard, Model BU60LANFWDT, is a versatile storage solution designed for living rooms, dining rooms, and entryways. This unit features three drawers with telescoping metal glides and four cabinet doors with fretwork detailing and adjustable soft-close hinges. The top surface is designed to accommodate TVs up to 65 inches and includes integrated cord management for organized cable routing. This sideboard provides ample storage and functional design for various home environments.

Safety Information

- Ensure the cabinet is securely attached to the wall to prevent tipping.
- Do not exceed the maximum load capacity of 124 pounds.
- Use caution during assembly.

Product Features

- 4 doors with adjustable soft-close hinges and 3 drawers with telescoping metal glides.
- Curved tier front design.
- Integrated cord management to keep cables tidy.
- Accommodates TVs up to 65 inches.

Setup and Assembly

Assembly of the Walker Edison Modern Wood Glass Door Buffet Sideboard is required. A detailed hardware pack and assembly guide are included with your product. For proper and safe assembly, please follow all steps provided in the included installation manual. It is recommended that two adults perform the assembly to ensure stability and prevent damage.

Before beginning assembly, ensure you have all parts and tools as listed in the assembly guide. Clear a spacious area for assembly to avoid scratching the furniture or your flooring. Do not overtighten screws during

assembly to prevent stripping or cracking the wood.

Operating Instructions

The sideboard features three smooth-gliding drawers and four cabinet doors. To open a drawer, gently pull the knob. To open a cabinet door, pull the handle. The soft-close hinges ensure quiet and controlled closing of the cabinet doors. The adjustable shelves within the cabinets allow for customized storage configurations. To adjust a shelf, remove any items, lift the shelf, and reposition the shelf pins to the desired height.

Maintenance

To maintain the appearance and longevity of your sideboard, wipe surfaces with a dry, soft cloth. Avoid using abrasive cleaners or harsh chemicals, as these may damage the finish. Regularly check all hardware and tighten if necessary to ensure stability. Protect the surface from direct heat and moisture by using coasters and placemats. Avoid placing excessively heavy items on the top surface or shelves to prevent structural damage.

Troubleshooting

If you encounter any issues during assembly or use, please refer to the detailed assembly guide. For common issues such as misaligned doors or drawers, adjustments can often be made to the hinges or glides as described in the assembly instructions. Ensure all components are correctly installed and tightened. If parts are missing or damaged upon arrival, contact customer support immediately.
