## Artiss Shoe Bench

# Artiss Shoe Storage Bench User Manual

Model: Shoe Bench

## 1. INTRODUCTION

---

This manual provides detailed instructions for the assembly, operation, and maintenance of your Artiss Shoe Storage Bench. Please read this manual thoroughly before assembly and use to ensure proper function and longevity of the product. This 2-in-1 unit combines a comfortable seating bench with practical shoe storage, designed to organize your entryway efficiently.

## 2. SAFETY INFORMATION

- Always assemble the bench according to the provided manual. Incorrect assembly can lead to instability and potential injury.
- Do not exceed the maximum weight limit of **350 pounds (158.75 kg)** for the bench seating surface.
- To maintain the bench's integrity and appearance, wipe it with a dry cloth for cleaning. Avoid abrasive cleaners.
- Always keep the bench indoors to protect it from weather damage, which can compromise its structural integrity and finish.
- Keep small parts and packaging materials away from children during assembly to prevent choking hazards.

## 3. SETUP AND ASSEMBLY

The Artiss Shoe Storage Bench requires assembly. Please ensure you have sufficient space and the necessary tools before beginning. A Phillips-head screwdriver and a small rubber mallet (recommended)

are typically required.

### 3.1. Package Contents Verification

Before starting assembly, carefully unpack all components and compare them against the parts list provided in your assembly guide. Contact customer support immediately if any parts are missing or damaged.

### 3.2. Assembly Steps

1. Follow the step-by-step diagrams in the included assembly manual.
2. Ensure all screws and fasteners are tightened securely, but do not overtighten to avoid damaging the engineered wood.
3. Pay close attention to the orientation of panels and hardware as indicated in the diagrams.
4. Install the adjustable shelves within the flip-down compartments as desired. These shelves can be removed for larger footwear.
5. Attach the metal cup pull handles to the front of the flip-down drawers.
6. Once assembled, place the cushioned top securely on the bench.

## 4. OPERATING INSTRUCTIONS

The Artiss Shoe Storage Bench is designed for convenient use in entryways, hallways, or living rooms.

### 4.1. Shoe Storage

- The bench features two flip-down compartments for shoe storage.
- Each compartment contains an adjustable shelf. For smaller shoes, flats, or children's shoes, the shelf can be used to maximize capacity (up to 12 pairs of children's shoes).
- For larger adult shoes (up to 8 pairs), the adjustable shelf can be removed to accommodate taller footwear like boots or high-top sneakers.
- To access the storage, gently pull the metal cup handles on the front of the drawers, allowing them to tilt forward.

## 5. MAINTENANCE AND CARE

---

- **Cleaning:** Wipe the bench's surfaces with a soft, dry cloth. For stubborn marks, a slightly damp cloth followed by a dry cloth can be used. Avoid harsh chemicals or abrasive cleaning materials.
- **Cushion Care:** The grey cushion may have a removable fabric cover with a zipper for cleaning. Refer to the cushion's care label for specific washing instructions.
- **Placement:** Position the bench in a dry, indoor environment away from direct sunlight and excessive moisture to prevent warping or discoloration.
- **Hardware Check:** Periodically check all screws and fasteners to ensure they remain tight. Retighten if necessary to maintain stability.

## 6. TROUBLESHOOTING

---

- **Difficulty during assembly:** Ensure all parts are correctly oriented according to the diagrams. Do not force components together. If a step is unclear, review the previous steps or consult the manufacturer's support resources.
- **Shoes do not fit:** For larger shoes, ensure the adjustable shelf within the flip-down compartment has been removed. The bench is designed to accommodate up to 8 pairs of adult shoes or 12 pairs of children's shoes.
- **Bench feels wobbly:** Check all assembly hardware to ensure they are fully tightened. Ensure the bench is placed on a flat, level surface.
- **Drawers not closing properly:** Verify that no items are obstructing the drawer mechanism and that the internal shelves are correctly installed.
