DEWENWILS HBRL04

DEWENWILS Book Light User Manual (Model: HBRL04)

Your guide to operating and maintaining your DEWENWILS Book Light.

1. Important Safety Instructions

Please read all instructions carefully before using the DEWENWILS Book Light. Keep this manual for future reference.

- Do not expose the device to extreme temperatures or direct sunlight.
- Avoid contact with water or other liquids. This product is not waterproof.
- Do not attempt to disassemble or modify the device. This will void the warranty.
- Keep out of reach of small children.
- Use only the provided USB charging method.
- Do not force the LED lens rotation beyond 90 degrees horizontally or 45 degrees downwards, as this may damage the light.

2. Product Overview

The DEWENWILS Book Light (Model HBRL04) is a compact, rechargeable LED light designed for reading. It features adjustable brightness, flexible positioning, and eye-care technology.

Image 2.1: Professional Eye Protection. This image illustrates the book light in use, demonstrating its soft light, flicker-free operation, and lack of dizzying light. It shows four different lighting scenarios: 50% and 100% brightness for both amber and white light settings, highlighting the adjustable illumination for comfortable reading.

Package Contents:

- DEWENWILS USB Book Light x 1
- User Manual x 1

3. Setup and Charging

Initial Charge:

1. Before first use, fully charge the book light.
2. Locate the built-in USB plug on the device.
3. Insert the USB plug directly into any standard USB port (e.g., computer, power bank, wall adapter, car charger). No additional cable is needed.
4. The power indicator light will show blue during charging. It will automatically turn off when charging is complete.
5. A full charge takes approximately 1.5 hours.

Image 3.1: Rechargeable & Long-lasting Lighting. This image highlights the integrated USB plug of the book light and various charging methods, including a power bank, car charger, laptop, and phone charger. It emphasizes that no extra cable is needed and mentions the long battery life with 1.5 hours fast charging.

4. Operating Instructions

Power On/Off and Brightness Adjustment:

1. To turn on the light, press the power button located on the device.
2. Each short press of the power button will cycle through the 4 brightness levels.
3. To change the light color (Amber or White), press and hold the power button.
4. To turn off the light, continue pressing the power button until the light switches off, or press and hold the button.

Adjusting the Light Angle:

The DEWENWILS Book Light is designed with flexibility for optimal illumination.

- The LED lens can rotate 90 degrees horizontally (left or right).
- The LED lens can rotate 45 degrees downwards.
- The flexible bracket allows for 315 degrees of adjustment, enabling you to bend it to any desired angle for the best viewing field.

Image 4.1: Flexible Book Light & Free Standing. This image demonstrates the book light's adjustable features, showing the 315-degree flexible arm and the 90-degree horizontal and 45-degree downward rotation of the LED head. It also illustrates its use in various scenarios: reading in bed, reading at a desk, and reading with a child, highlighting its versatility and ability to focus light precisely.

Using the Clip and Freestanding Feature:

- **Clip-on:** Attach the metal clip to the pages of your book, e-reader, or tablet. The clip is designed to be thin and secure.
- **Freestanding:** The book light can stand independently on a flat surface, functioning as a mini desk lamp.

Image 4.2: User-friendly Design. This image illustrates the eye protection shield feature of the book light. It shows a comparison: an incorrect usage where light hits the user's face (marked with an 'X') and the correct usage where the shield blocks light from hitting the face, ensuring no spot in the user's vision (marked with a checkmark). The light is shown clipped to a notebook on a desk.

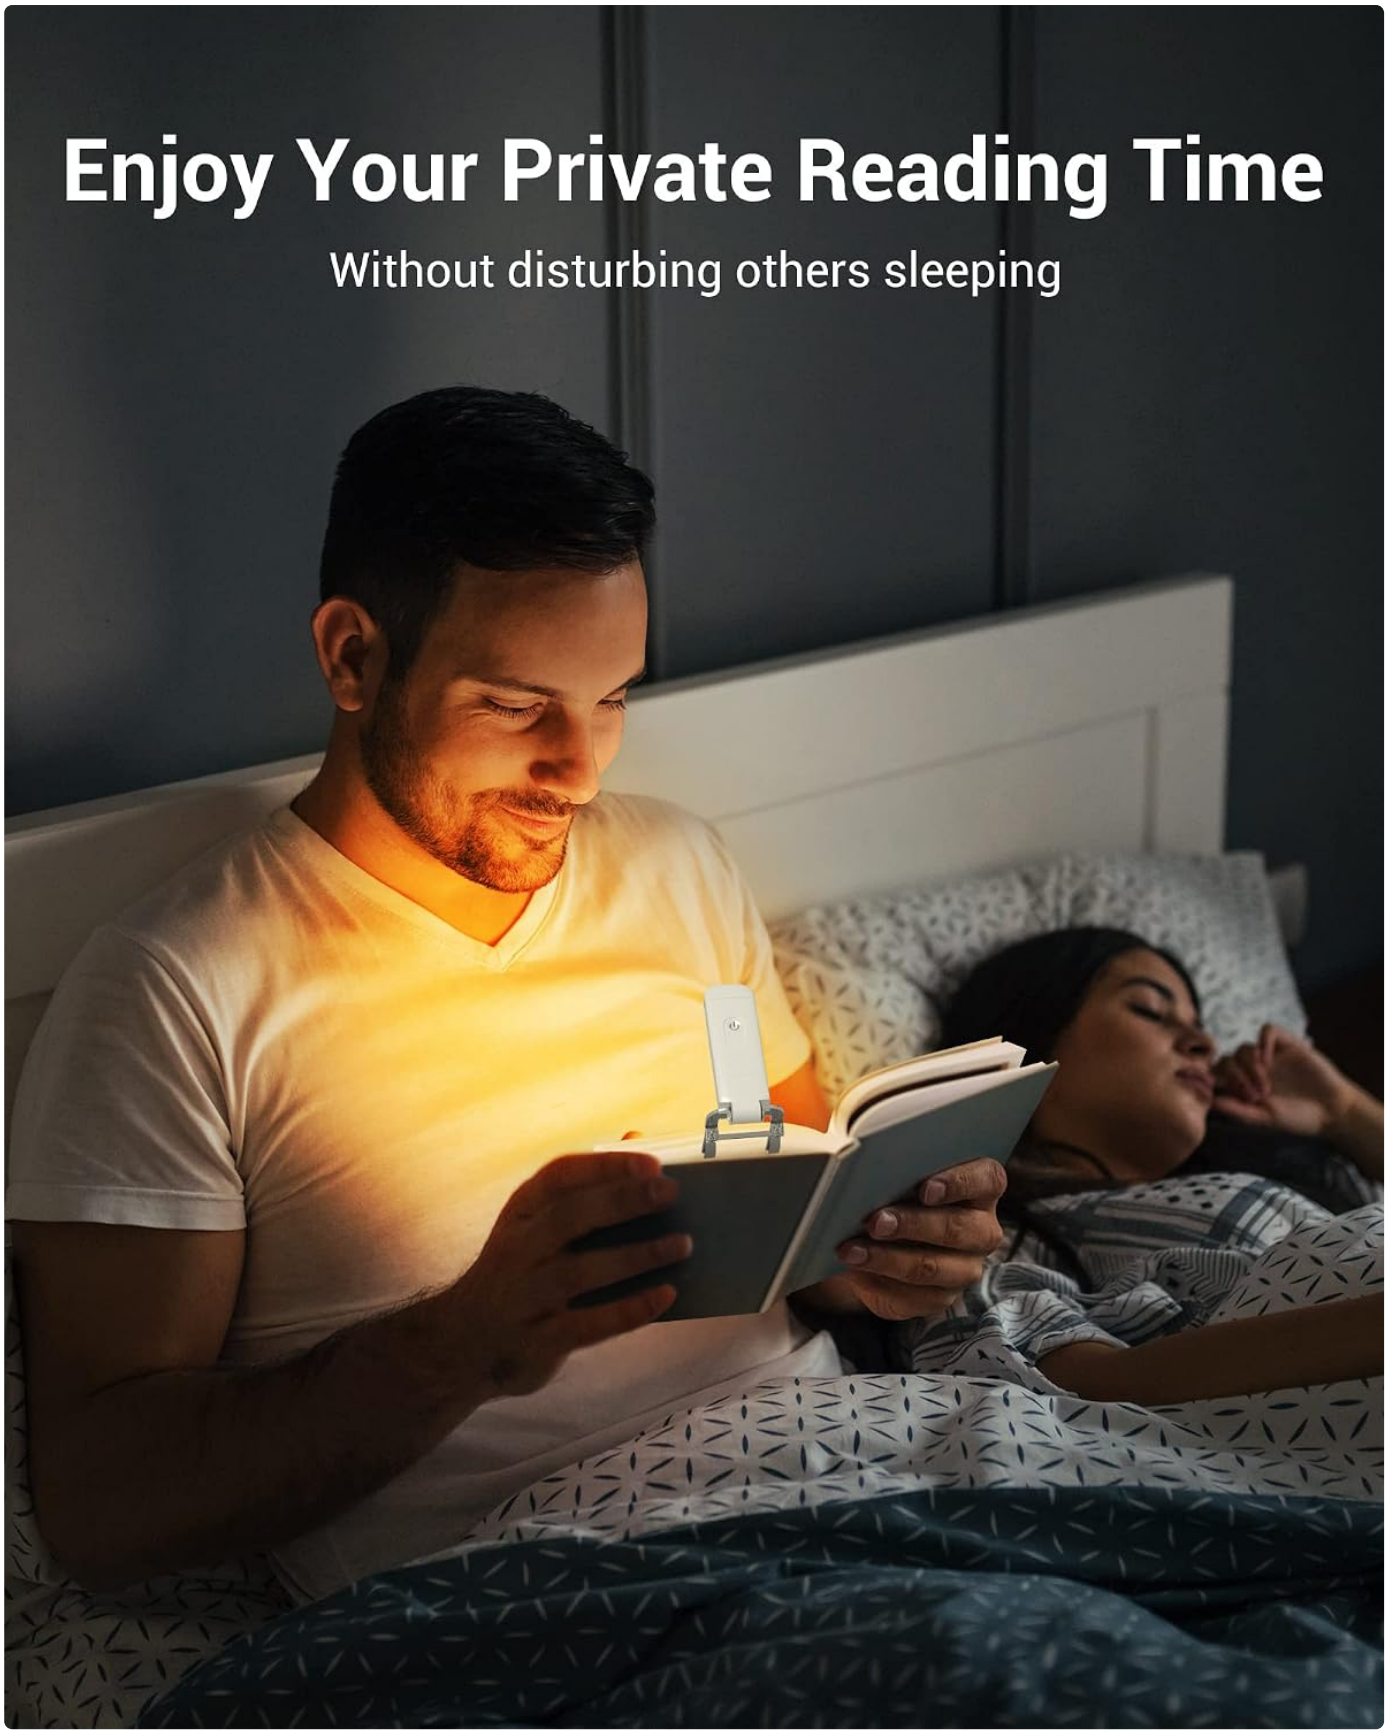

Image 4.3: Enjoy Your Private Reading Time. This image depicts a person reading in bed with the DEWENWILS Book Light clipped to their book, while another person sleeps undisturbed next to them. This highlights the focused illumination that prevents light from disturbing others.

5. Maintenance and Care

- To clean the device, wipe it gently with a soft, dry cloth. Do not use abrasive cleaners or solvents.
- Store the book light in a cool, dry place when not in use.

- Avoid dropping the device or subjecting it to strong impacts.
- If the device will not be used for an extended period, charge it fully every 3 months to maintain battery health.

6. Troubleshooting

Problem	Possible Cause	Solution
Light does not turn on.	Battery is depleted.	Charge the book light for at least 1.5 hours.
Light flickers or is dim.	Low battery.	Recharge the device.
Light does not charge.	USB port issue or faulty connection.	Try a different USB port or power source. Ensure the USB plug is fully inserted.
LED lens feels loose or does not adjust properly.	Forced rotation beyond limits.	Avoid forcing the rotation. If damaged, contact customer support.

7. Specifications

Model:	HBRL04
Light Source:	LED
Lumen Output:	16 LM
Color Temperature:	1800K ~ 3000K (Amber to White)
Wattage:	0.2W
Battery:	200mAh Rechargeable Lithium Battery (3.7V)
Charging Time:	Approx. 1.5 hours
Operating Time:	Up to 8 hours (on lowest setting)
Lifespan:	30,000 hours
Dimensions:	110mm (L) x 46mm (W) x 8mm (H)
Weight:	Approx. 1.3 ounces (37g)
Material:	ABS Plastic, Metal (clip)
Certifications:	CE, RoHS, UKCA

Image 7.1: Lightweight & Compact Design. This image showcases the small size and light weight of the DEWENWILS Book Light. It displays the light being placed into a small pouch, with dimensions (4.32" x 1.8") and weight (1.38 ounces) clearly indicated, emphasizing its portability and ease of carrying.

Image 7.2: Book Lights Meet Your Various Needs. This collage image demonstrates the versatility of the DEWENWILS Book Light in different settings. It shows the light being used by a child on an airplane, clipped to a book in a car, and used by an adult for studying at a desk, illustrating its adaptability for various reading and task lighting needs.

8. Warranty and Support

This product is covered by a standard manufacturer's warranty. For warranty details, please refer to the product packaging or contact your retailer.

For technical support or customer service inquiries, please visit the DEWENWILS official website or contact their customer support team through the platform where you purchased the product.
