- Adult supervision is recommended during play, especially for younger children.
- Inspect all pieces regularly for damage. Discard any broken or damaged parts immediately.
- Keep packaging materials away from children to avoid suffocation risks.

Total pieces: 40

4. SETUP AND ASSEMBLY

Follow these general steps to assemble your Farm Yard-Orchard:

1. **Unpack Components:** Carefully remove all blocks and cards from the packaging.
2. **Prepare Expression Cards:** The set includes 'push out cards' which are illustrations that can be detached from a larger sheet. Gently push out each of the 7 expression cards. These cards depict elements like fences, crops, and characters (farmer, dog, rooster).
3. **Connect Building Blocks:** Begin by connecting the larger building blocks to form the base and structure of your farm yard and orchard. BIOBUDDI blocks are designed for easy connection and compatibility with other widely available building blocks.
4. **Integrate Slot Blocks:** Use the specialized slot blocks to hold the expression cards. The cards slide into the slots, adding decorative and thematic elements to your construction.
5. **Build the Orchard:** Assemble the green blocks to create the apple trees, placing the red apple pieces on top.
6. **Customize Your Scene:** Arrange the various blocks and cards to create your unique farm yard and orchard layout. The included manual provides visual guidance for suggested constructions.
